# ECFB RUGBY TOUCH RULES

1. Play starts and restarts at the centre with a tap and go.
2. A try is scored by grounding the ball on, or behind, the try-line. One point is awarded.
3. No touch if in a genuine / attempt act of scoring – Referee Decision
4. A legal touch is on any part of the body using both hands simultaneously, clothing and ball. A player must claim a touch by raising a hand and shouting, “Touch”.
5. When touched, the player in possession must place the ball on the ground at the exact point of the touch. Play is re-started by stepping over the ball. It can be controlled with a hand or foot. This is known as a roll ball.
6. The player picking up the ball (the dummy-half or acting half) may run, but if touched a changeover occurs. The dummy-half may not score and a changeover (rollball) will be awarded if this occurs.
7. After 6 touches possession changes. The attacking team begins play with a roll ball.
8. All defending players must retire more than 5 metres in line with the mark of touch. The defending team cannot move forward until play restarts, nor interfere with play whilst retreating.
9. A restart occurs the moment the dummy-half touches the ball at the roll ball.
- 10.If a player is touched within 5m of the line or in the touchdown zone before grounding the ball the touch counts and play is restarted on the 5-metre line.
- 11.If the ball is dropped or if a player crosses the side-line before being touched, change of possession will occur. This is by means of a roll ball.
- 12.A turnover of possession by roll ball is also awarded for the following infringements by the team in possession; a forward pass, offside play, performing a roll ball over the mark.
- 13.A further six touches are awarded to the team in possession if the defending team interfere with the roll ball, offside (Not 5m) unsuccessfully intercept the ball or intentionally knock on.
- 14.Obstruction, excessive contact, complaints, verbal abuse or foul play will not be tolerated - the referee is sole judge. A penalty will be awarded in such cases and a player will receive 5 minutes in the SIN BIN. Zero tolerance.
