Stags v Middlesex Preview

Hertfordshire's U20s, the Stags, play their final pool match in the Jason Leonard U20 County Championship against Middlesex U20s on Sunday at Hertford RFC, Hoe Lane, kick off 2.00pm.

Unfortunately the Stags cannot qualify for the quarter finals from their three team pool as they lost their opening match to Essex, who also beat Middlesex. However the Stags are hoping that playing to their full potential will give them a win to secure second place in the pool.

One thing to note in the Stags selection is that on the bench twins Aidan and Colm Shepherd from Tring are joined by their elder brother Eion. Surely a unique occasion in representative rugby, and certainly for Hertfordshire.
