### Making sure hockey at Salisbury remains accessible to all

We want you to be able to find the right subscription and options whatever your circumstances:

- **Joining the club mid-way through the season:** If you are joining the club later in the season you may be eligible for a pro-rata subscription rate. Please get in touch with a member of the committee, or [email the treasurer direct](#) if you would like to discuss a reduced rate.
- **Dispensations:** If you find yourself in a position where you are having difficulty paying your subs, please get in touch with a member of the committee, or the [treasurer direct via email](#), so that we can discuss options for dispensation with you.
- **Development:** If you are over 18 and new or returning to hockey, the 'training & development' subscription may be the right option for you; see above for the annual reduced rate, which includes all training (including development friendlies) and excludes league fixture and summer league participation. With that option, we appreciate that some members may accelerate their skill level quickly and their captain may recommend that they are ready to get involved in more competitive levels of hockey later in the season – so if you later need to discuss extending your annual subscription to 'Adult – full', please get in touch with the [treasurer direct via email](#).

## HOW TO MAKE YOUR PAYMENT

### Salisbury Hockey Club (SHC) bank details:

Please make subscription payments in a single BACS transaction to our club bank account:

- **Account name:** Salisbury Hockey Club
- **Sort code** (Lloyds): 30-97-41
- **Account no.:** 00079092
- **Payment reference** – please follow the below instructions very carefully so that we can match your payment to your membership. It's a huge task to reconcile all payment and we need your help to make your payment in a consistent manner - many thanks in advance

Please start your reference with the three letters: SUB

Then add the indicator from the table below that identifies the sub you are paying

Membership type	Payment reference
Adult Full	A
Adult Training	T
Adult Student	Stu
Adult Occasional	O
Adult Social	Soc
Junior Upper	JU
Junior Lower	JL
Non-playing	NP
Goal keeper	Follow sub-category with "G"

Then finish the reference with your surname (or as many of its characters you have space for).

If you are paying for multiple subscriptions at once, please add as many indicators as subscriptions that you are paying for. Here's some examples:

**Example 1:** Adult Senior Goalkeeper: **SUBAG SURNAME**

**Example 2:** Senior Full Member with three Juniors: **SUBAJUJUL SURNAME**

**Example 3:** Adult Occasional with a Goalkeeping Junior: **SUBOJUG SURNAME**

**Finally – one last step:** please [email the treasurer](#) to confirm the amount that you have paid and the reference used (especially when paying for multiple subscriptions), or if your banking name does not match the member name, or if you have a common name (like White or Smith).

**Thank you!**

p.s. remember that if you are setting up a standing order, the final payment should be received before 30 April (so that the annual accounts can be reconciled).

## MATCH FEES

### Driver reimbursement for away games:

For those who drive three or more players (including themselves) to an away game, petrol expenses are reimbursed at 25p per mile. This is calculated from the agreed meeting point (normally Salisbury Hockey Club but in some instances may be the driver's home, whichever is closer to the destination), to the opposition pitch and return.

In certain circumstances, there may be fewer total miles travelled if two players travel to an away game rather than seek to take a third. On these occasions, and if the other drivers agree, the total petrol expenses, calculated for cars carrying three players, can be split with the extra car.

### Electronic payments:

If team or individual match fee payments are made electronically, please make a BACS payment to our club bank account:

- **Account name:** Salisbury Hockey Club
- **Sort code** (Lloyds): 30-97-41
- **Account no.:** 00079092
- **Reference** – “MF-” then team, then date.

For example, a Mens 1<sup>st</sup> XI match fee for 15 Feb 2024 would be “**MF M1 150224**”
