**PIGRACING**

# Welcome

There are 8 races in total, each chosen at random and then shown on the big screen.

All bets cost £1 and must be placed before the race has been chosen.

There is no maximum amount of £1 bets you can place.

Once all bets are placed, we will choose the race at random and a winner will be determined.

The prize pot for that race is split in two - one half going to the Hockey Club and the other half shared amongst the people who bet on the winning pig.

If you are the Owner or the Trainer of the winning pig, you also win a prize.

In the final race, you have the opportunity to bet on the 1st and 2nd placed pigs. The bets for this are £3 - if you choose correctly, you could win up to £84!

We hope you enjoy your evening!
