

Royston Rugby Club – Registration 2020-2021

Welcome Back!

As a result of the uncertainty over the number of games that will be played this season we have decided to postpone a planned increase in membership fees and hold mini membership at the same as last year, at £70 for first child and £15 discount per subsequent child.

We have reduced youth age membership from £102 to £70 as it is unlikely we will be paying for post match meals, however we may charge match fees to cover this as and when matches restart.

Our Rugby Stars membership remains just £45 for the season.

The RFU GMS database has changed, please use this guide to help you register your child(ren) for the upcoming season.

There are two stages to registration

1. Make sure your child's details are up to date
2. Pay membership fees

In these difficult times we have extended the player support fund for anyone facing financial difficulties. This is a confidential process designed to keep people playing rugby. Please e mail treasurer@roystonrugbyclub.co.uk to apply.

If you have any problems with registration please contact Nicola Howes in the first instance at membership@roystonrugbyclub.co.uk.

Stage 1 – Register and check details

1. How to update your child's details in GMS

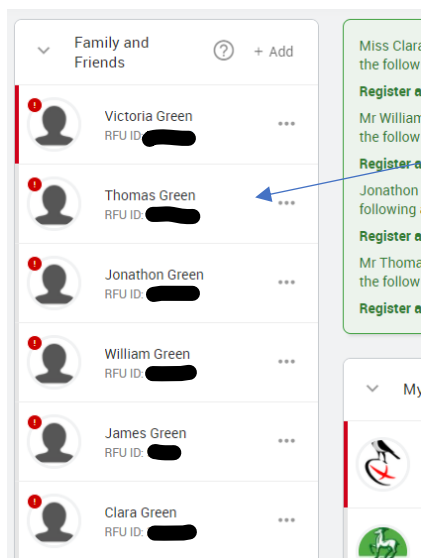

This part of the process needs to be done within 45 days of the start of the new season if your child has played before. Therefore, please complete this stage by 20th October, if this is not completed by this date your child may be deregistered from the system and won't be able to train at the club.

Step 1 – Login to GMS

<https://gms.rfu.com/GMS/Account/Login>

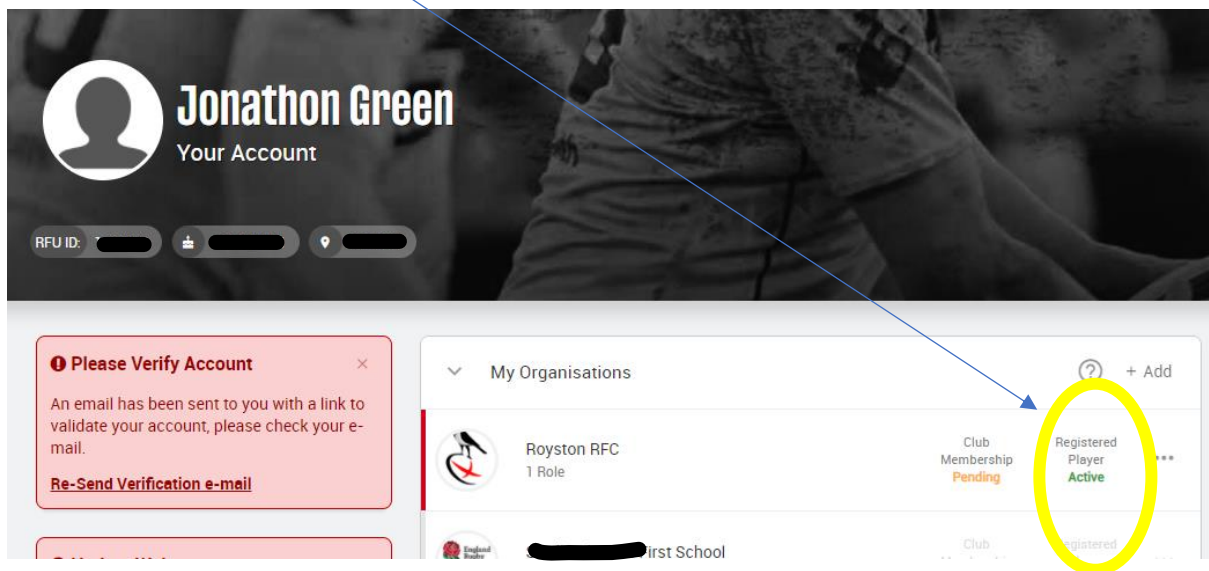

Step 2

Click onto your child's name in the menu on the left hand side of the screen

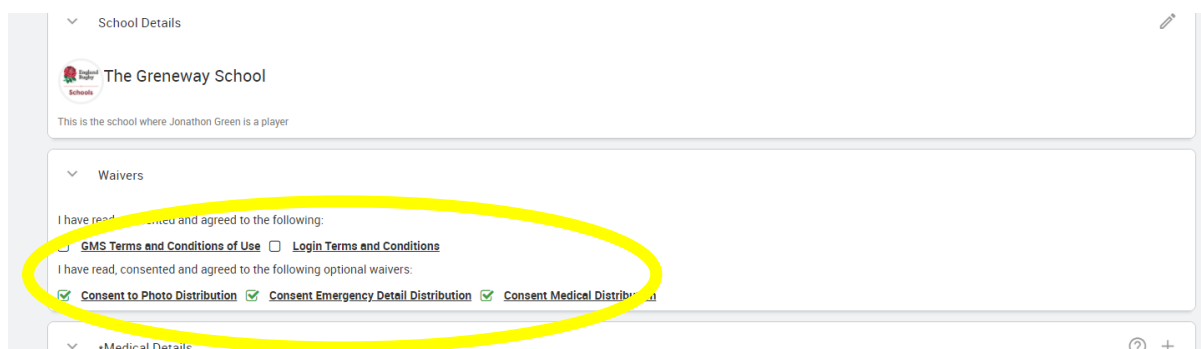

Step 3

Click on Registered Player

Step 4

Check all details are correct and tick the consent forms (for any children at King James Academy, this school is not yet active on the system, I have just used Greneway instead).
