Other Areas

Fundraising:

Auction

I am meeting with Albert this week to discuss running an auction. It would be good to get the committee's views on both timing (I suggest end of February) and allocation of funds raised.

Santa Run

I am helping Lee with the *Santa Run* this Sunday afternoon/evening; please do try and spread the word as the more people we have collecting the more money we get!

Saracens CEO

I have been introduced to Heath Harvey and have asked if they can assist in anyway with the minis tour.

Fundraising Group for Tour

I am establishing a small fundraising group for the minis tour; please feel free to volunteer your services!

Supermarkets

It would be good to get some bag packing organised in Tesco and Morrisons; who leads on this?

North Herts Pitch Strategy:

Our views have been fed in and the Council will alert the RFU (who in turn will inform us) when the final approved document is in the public domain.

U17 a problem with league game as club are abandoning U17 teams in favour of mixed U17/18 colts and therefore are not in the league but we have entered the Eastern Counties Plate as an u18 to give us at least 5 more games. We can play our u18s in these.

President's Report - nothing above what I will briefly say at the meeting.

COACHING CO-ORDINATOR Ben Carpenter and Neil Tulloch added as U5 Coaches – Need TAG Course and DBS as a starter. Current Coaching Group Summary We currently have approx. 53 active coaches on our database. Need to review against RFU GMS System as not the same. 37 Have now completed the Rugby Ready Course. 21 Have completed a safeguarding course, 21 Have completed TAG Course, 5 are recorded as Level 1, 4 as RFU Preliminary Award, 2 as Level 2 and 1 as RFU Intermediate Award. Level 1 Coaching Andy Smith (U12 Coach) is booked on a level 1 course. We need more in reality. UPDATE Niall Tallis booked on Level 1 in February Level 2 Coaching UPDATE Ashley Eusden needs to be booked on Level 2 Course in February at Herts Coaching Week There are a few coaches interested in a level 2 course over the next 12 months so I am going to investigate the possibility of hosting one at Royston. We are in need of more Level 2's as my records show we only have 3 (Jamie Johnson, Aussie and Rob). This may not be correct but it's what I have at this stage within the current coaching group. There may be others but not currently coaching?

DIRECTOR OF RUGBY This Month has been a good month for the 1st team with 3 good wins. 2nd team have had a couple of hard fixtures and have struggled. The new line up on the selection committee is working well and we are working together to get out 2 sides out every week. An issue raised on Saturday was some 2nd team players didn't know the training dates and times, this has now been sorted for the people at Saturdays game. I have also approached the under17s coaches for a gradual integration into senior training.

Charlie Hodgson session on Tuesday, will report on success. Have been asked to put on one for the forwards in the new year.
