Fantasy Hockey 2019-2020

One member of each team will be asked to fill in the Fantasy Hockey return form after the match which will record various statistics about the game which will allow each player to gain points. A copy of the form should be e-mailed to fantasy@berkohockeyclub.com. by close of play Friday 20th. The points system works as follows:

1	Anyone playing predominantly as a Forward	6 points plus 1 point for each goal the team scores over 1 (where player was not scorer or assister)
2	Anyone playing predominantly in Midfield	8 points plus 1 point for each goal the team scores over 3 (where player was not scorer or assister) less 1 point for each goal conceded over 2
3	Anyone playing predominantly in Defence	10 points less 2 points for each goal conceded over 1
4	Anyone playing Goalkeeper	12 points less 2 points for each goal conceded
5	If the team keeps a clean sheet for those playing in goal or in defence	4 points
6	Anyone scoring a goal	4 points
7	Anyone credited with an assist	3 points
8	Anyone saving a Penalty flick	10 points
9	Man of Match ¹	5 points
10	Anyone receiving man of the match votes who is not man of the match	1 point
11	Anyone scoring an Own goal	-5 points
12	Anyone receiving a Green card	-2 point
13	Anyone receiving a Yellow card	-5 points
14	Anyone receiving a Red card	-10 points
15	Anyone returning to the club house after the game ²	1 Point

Notes

Players cannot finish with negative points based on points 1 to 11. If they receive a card that could push them into negative points territory.

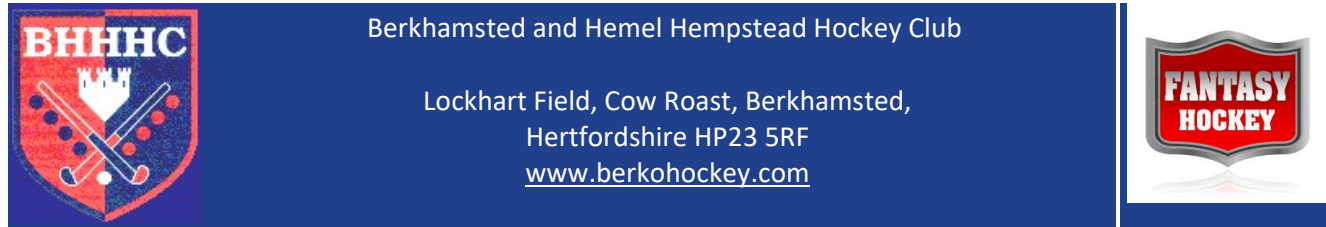

Where a game is postponed players that were due to play are awarded 8 points in the interim until the match is played. Where a player is then not selected they will retain the 8 points.

If a player plays more than once in a weekend, they register the highest of the scores, not the sum.

¹ In the event of a draw, the team captain has the casting vote

² Returning to the club house after the game is an integral part of team sport. It provides the opportunity to get to know your fellow players which will improve the performance on the pitch and it allows analysis and assessment of the play on the day while it is still fresh in the mind. Dispensation is given to those umpiring or supporting the following game and is subject to the discretion of the team captain.

The league will be published in the weekly newsletter in some form.

Fantasy Manager 2019-2020

Each 'manager' selects a squad of 16 players.

Each player has a value associated with the number of fantasy points they would have scored last season under the revised points system.

The squad must include

- 8 men and 8 ladies.
- a goal keeper
- at least 4 recognized attackers, 4 midfielders and 4 defenders (as identified in the published list),
- the 'manager' if the manager plays hockey
- and cannot exceed a total rating of 2,174 points.

After each weekend, the team will receive the points associated with the top 13 players of their squad for that weekend.

Half way through the season players will be re-valued. There will be a transfer window at this point where each manager can exchange 6 players with the pool. The revised squad must still satisfy the squad requirements.

Each manager would name their Team. Any without a name will be given a standard name of "(Surname)'s XI" Any names deemed "inappropriate" by any member of the Committee will be amended to the above also.

Managers must submit their selection before the first league match to fantasy@berkohockeyclub.com. There is no limit to the number of entries per person and anyone can enter a team.
