# ABOUT US

Harris Academy F.P. Hockey Club is one of the largest and most established hockey clubs in Dundee. We have three outdoor men's teams, three men's indoor teams and a women's team.

Our youth section, Harris Hawks, has teams at U10, U12, U14 and U16 age levels. Our Harris Hawks teams take part in local hockey festivals organised by Midland District.

We allow our young players to develop their skills in a friendly and encouraging environment at a pace which is suited to them and we also provide pathways for young players to progress to playing at the top levels of Scottish hockey.

# WHY SPONSOR?

Making hockey open and enjoyable to everyone is at the heart of what we do.

One way for us to ensure we serve our hockey community well is to look for sponsors.

Sponsors help us cover ongoing expenses and maintain affordable membership fees across the club.

We are pleased to offer a variety of sponsorship opportunities this year, including match ball, player, team, youth awards and schools development programme.

So whether you're a player, parent or supporter, please help us by getting involved.

# JUNIOR AWARDS EVENING

Our junior awards evening held in June is now in its eighth year. It's a popular end-of-season event hosted by the club to thank all our parents and players for the season just finished.

It provides the opportunity for families to meet and have a fun evening to celebrate every young player in the club receiving an award.

We also have individual awards for special achievements such as player of the year for different age categories, most improved player and club player of the year. With our junior membership now into three figures we've gradually increased the number of awards for our young players.

# SCHOOLS DEVELOPMENT PROGRAMME

Our coaches visit local schools to provide after-school clubs. Most of these schools have no provision for hockey and very little equipment.

By working with Active Schools, we're able to provide schools in the Harris Academy catchment area with an introduction to hockey. We aim to make the school sessions fun and enjoyable and offer the chance for youngsters to continue with hockey at our own club youth sessions.

# SCHOOLS DEVELOPMENT PROGRAMME

Sponsor and in return we will feature your company name on our club promotion flyers, social media and reports concerning the development work in these schools.

## Cost

The cost of sponsoring this Programme is £100.
