Min 8 characters

1 upper case letter

1 lower case letter

1 special character

1 number

Fill in the six fields.

You will then receive a  
**Welcome Email**  
after pressing sign up.

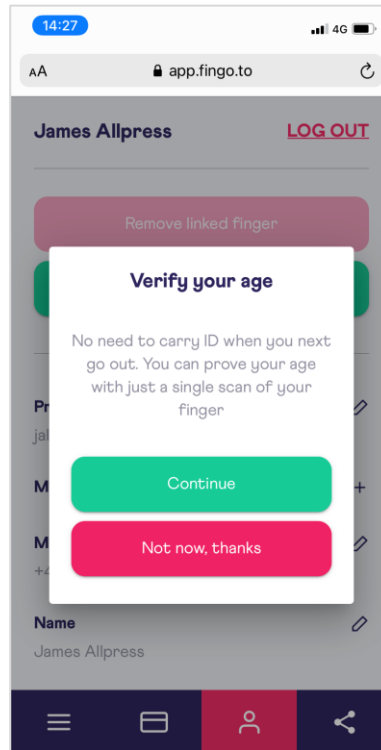

A person stands in a valley at night, holding a flashlight that illuminates the ground and the sky. The scene is dark, with the flashlight beam creating a bright path of light. The background shows a starry night sky and silhouetted mountains.

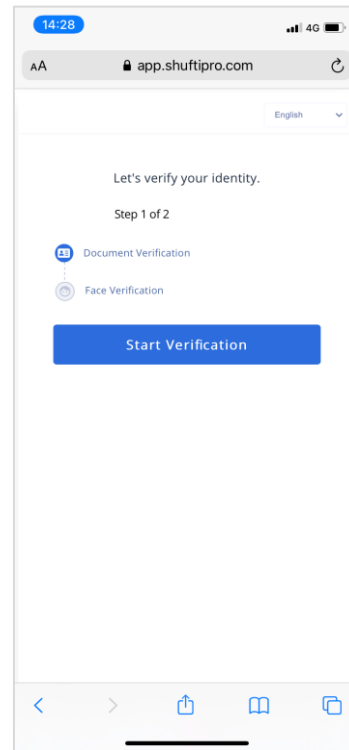

## 2. VERIFY YOUR IDENTITY AND AGE

# After sign up, you need to verify an identity doc

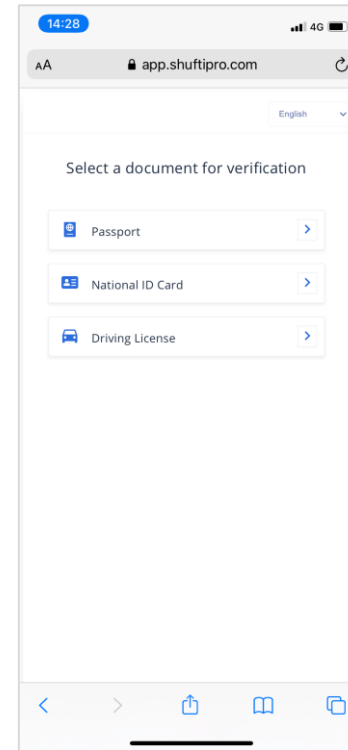

## Identity document verification process

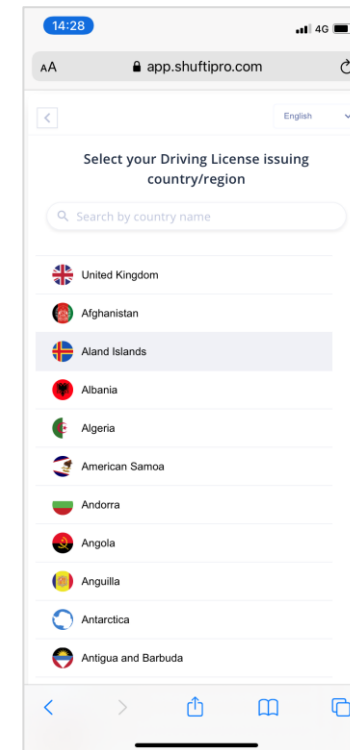

After sign up you will be prompted to verify your age. If you click 'Not now, thanks' you will be sent a chaser email 24 hours later.

After clicking continue you will be given an overview of what you need to do.

You then need to choose what type of identity document you want to verify.

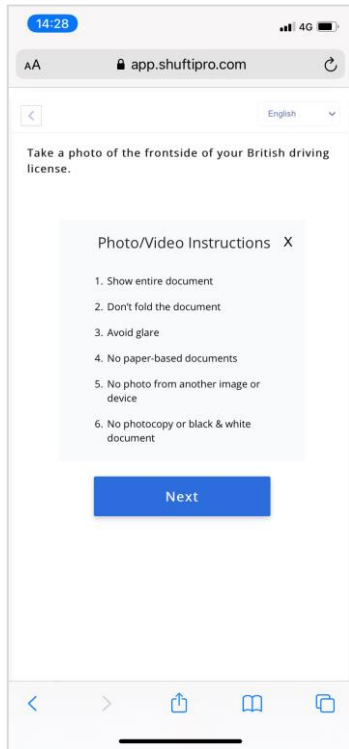

Then, you choose what country of origin is applicable to your identity document.

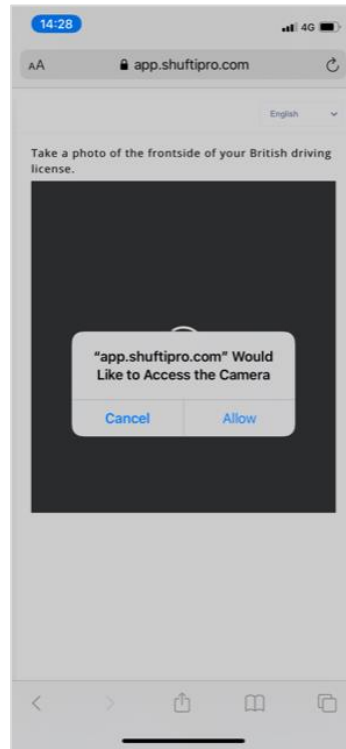

# Continue to verify an identity doc...

## Identity document verification process

## Face verification process

You then need to read the identity document verification instructions.

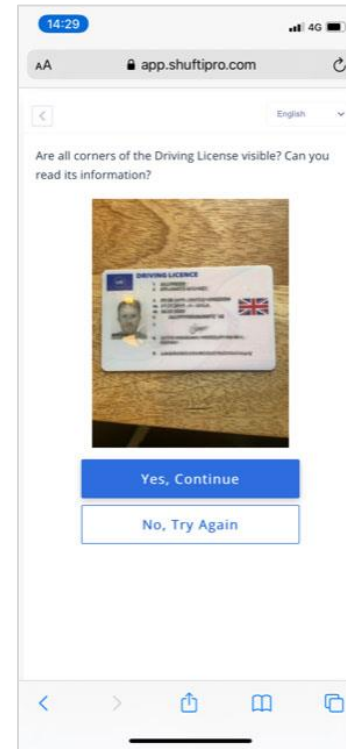

Grant permission to access your camera.

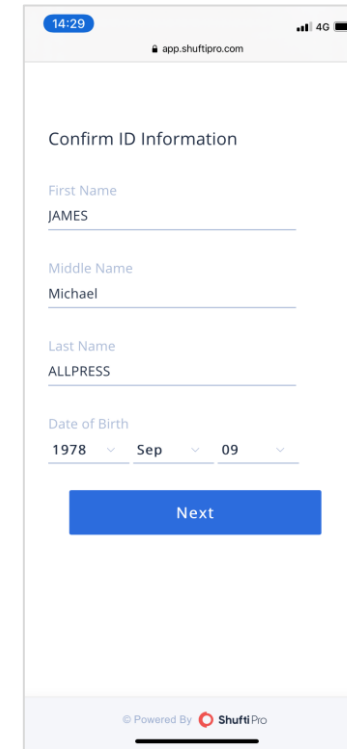

Take a photo of your identity document.

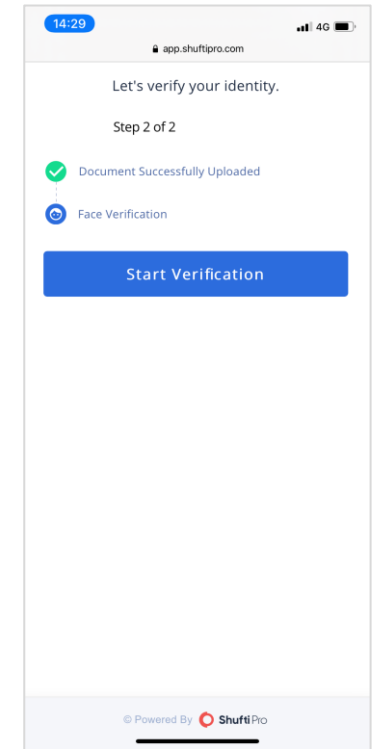

Make sure you're in a well lit area.

Press YES, if the photo is nice and clear.

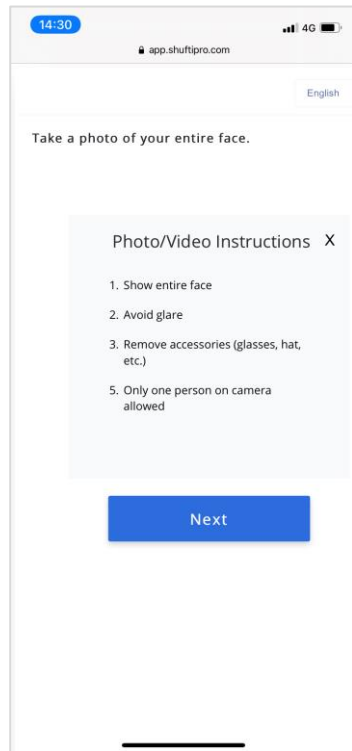

Confirm that the details extracted from the identity document are correct.

Next you will need to verify your LIVE face.

# Continue to verify an identity doc...

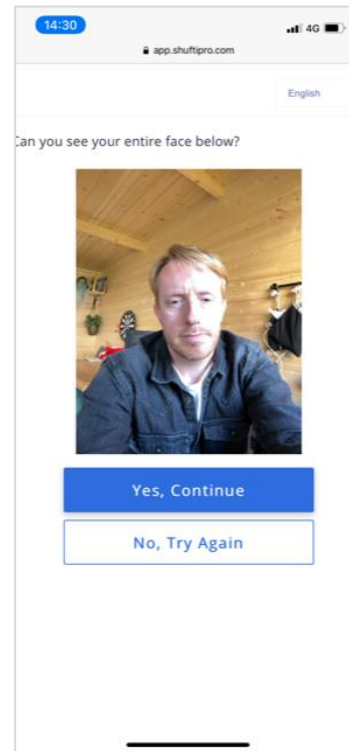

## Face verification process

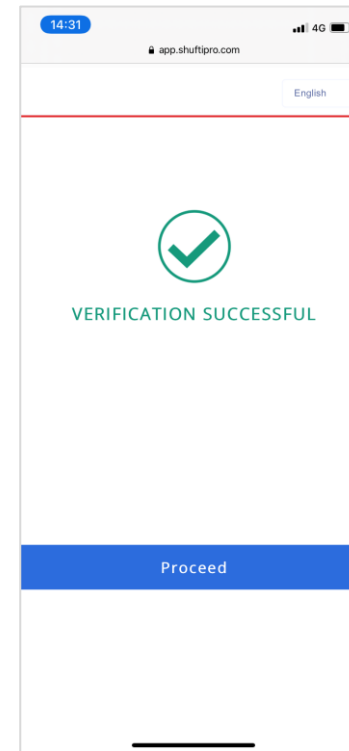

You now need to click NEXT after reading the face verification instructions.

Take a photo of yourself in a well lit area.

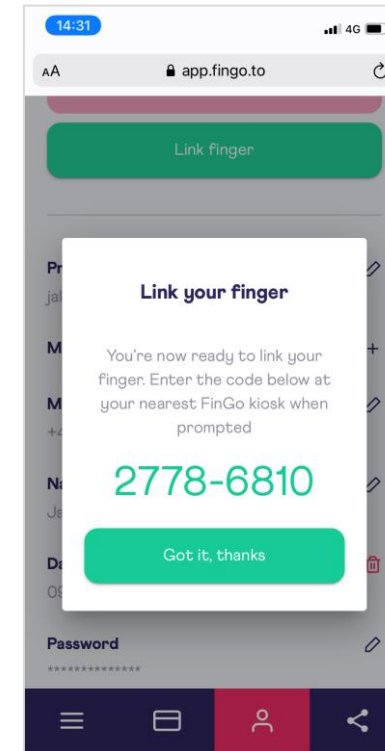

Confirm you are happy with the photo.

FinGo checks the image is not a photo and a real person.

FinGo matches LIVE face to face on identity document.

**Identity and age verification successful.**

After pressing proceed you will be presented with the code you need for the finger enrolment kiosk.

If you DO NOT enter this code into the kiosk within 72 hours you will get a reminder to do so via a chaser email.

FYI - you will also receive chaser emails to accept the Ts&Cs of the service 3 days and 6 days later

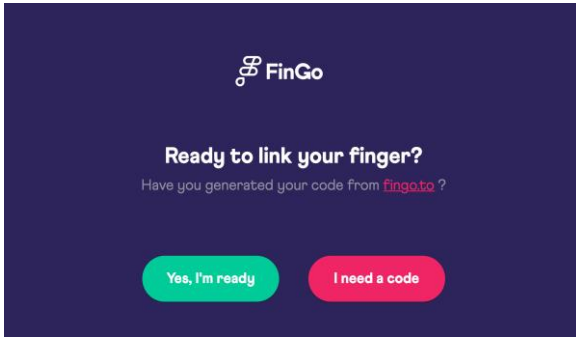

A person stands in a dark, mountainous landscape at night, holding a flashlight that illuminates the ground and the sky. The scene is dark with a blueish tint, and the sky is filled with stars. The person is silhouetted against the light from the flashlight, which creates a bright beam of light that extends upwards into the sky. The surrounding landscape consists of dark, rolling hills and mountains under a starry night sky.

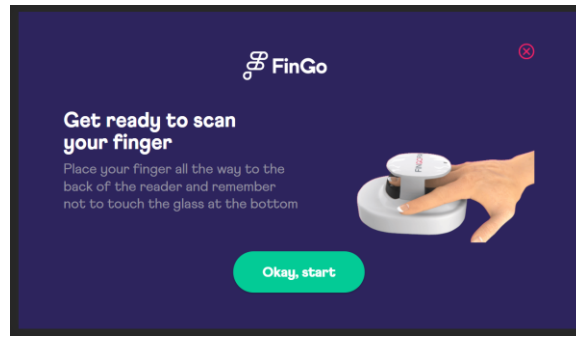

### **3. ENROL YOUR FINGER AT THE CLUB**

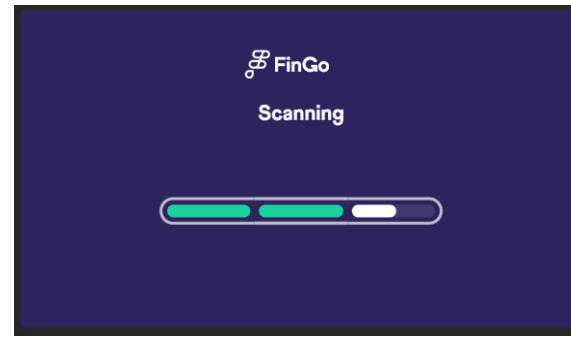

# When you get to the kiosk...

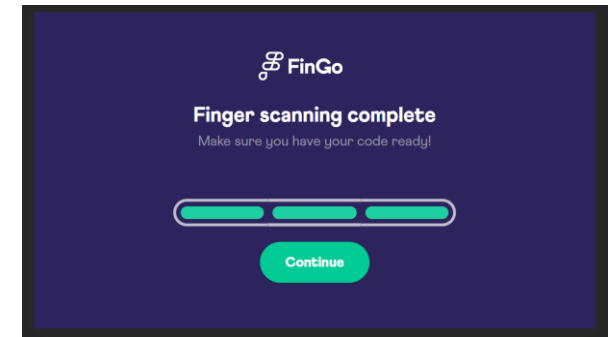

When you arrive at the kiosk, press YES, I'M READY

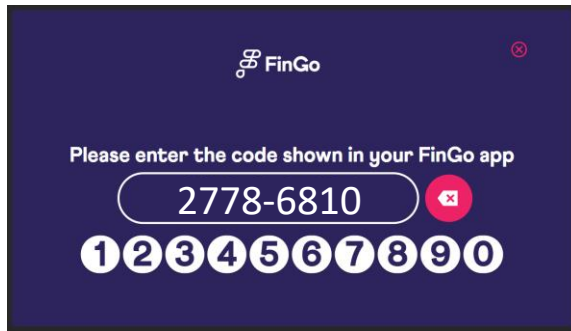

Read the finger placement guidance

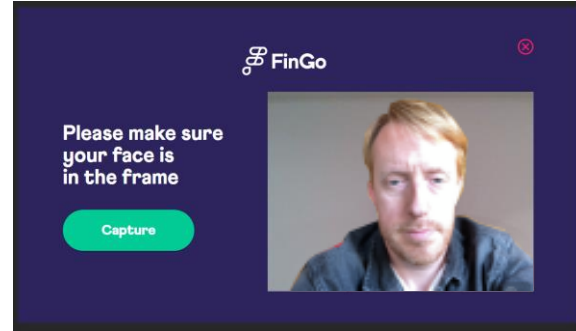

Follow the on-screen instructions and scan your finger three times.

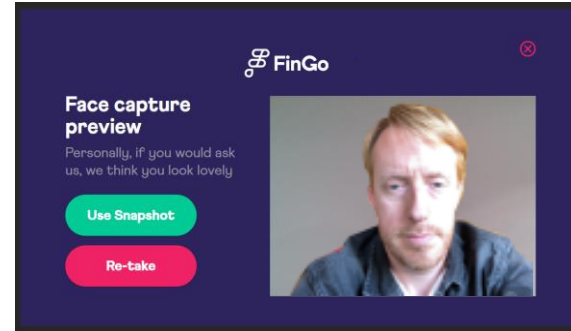

The kiosk will let you know when finger scanning is complete.

Enter your code from your FinGo account into the kiosk.

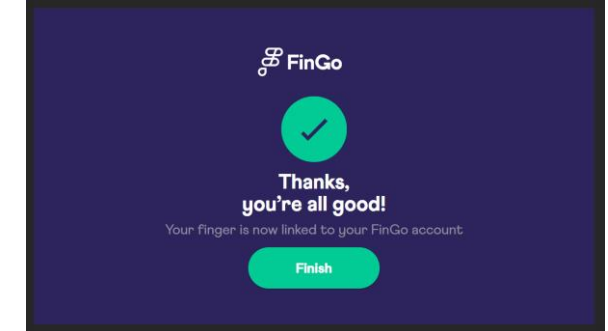

Then, capture a picture of your face when prompted.

Confirm if you are happy with the picture of your face.

(This is matched back to face once again.)

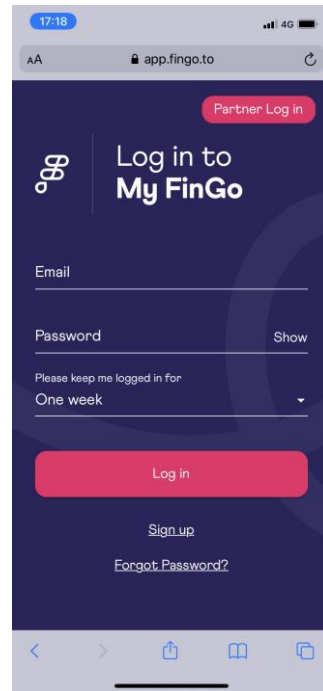

Finally, you will be advised that your finger vein pattern has been captured and attached to your FinGo account.

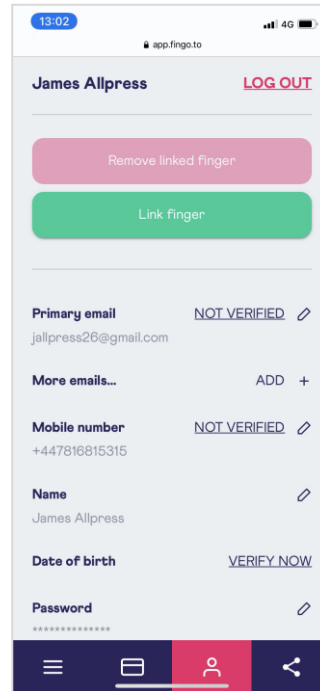

A person stands on a mountain ridge at night, holding a flashlight that illuminates the sky and the surrounding landscape. The scene is dark with a starry sky and a person's silhouette. The flashlight beam is a bright blue color, illuminating the sky and the surrounding landscape. The person is standing on a mountain ridge, and the background shows a valley with a body of water and distant mountains. The overall atmosphere is serene and mysterious.

**4. GO BACK INTO THE FINGO APP AND  
SHARE YOUR IDENTITY WITH BOWDON RUFC**

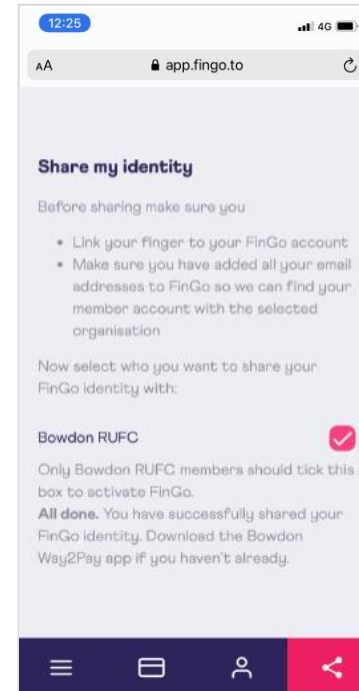

# After adding your finger to your account, you need to share your identity with Bowdon RUFC in the FinGo app

After adding your finger to your account log back into your FinGo account.

Go to the SHARE area in the app by pressing the bottom right hand corner button in the main NAV.

Check the box next to Bowdon RUFC.

You have now completed your FinGo sign up.
