

easyfundraising
.org.uk

for Ashington Cricket Club

Easyfundraising is a simple way for our supporters and members to raise funds for the cricket club.

Every time you shop online in one of the featured stores – which includes 600 well known retailers such as

Argos, Next, Amazon, John Lewis, HMV, Next, GAME, Nike, eBay,

iTunes, Direct Line, British Airways, Halfords, Boots and many more –

the store donates a percentage of the sale value.

The prices you pay are the same as you would normally pay, but by

going through our easyfundraising store, every purchase you make

results in a free cash donation for the Club.

For example, if you spend £50 with Amazon you will generate a

donation of £1.25 for the Club. If you insure your car with Direct Line

through the easyfundraising site, you'll raise £35.

It's completely free to register and use and you still pay the same price for your purchases as you would if you visited the retailers directly.

To start, please **register** at www.easyfundraising.org.uk/referral/4742 and nominate Ashington Cricket Club as the organisation that you want to support.

Then, each time you want to make an online purchase, simply log in using your easyfundraising username / password and select the online store you want to visit and you can start raising funds for the club straightaway.
