# MATCH REPORT: WESTFIELD 0-0 FISHER

The first game of the 2023/24 campaign saw the Field take on Fisher FC, the phoenix club of former non-league giants Fisher Athletic, who currently ply their trade in the Southern Counties East League Premier Division in the prestigious FA Cup.

The contest saw plenty of good chances generated by the Field as they dominated the proceedings. However, despite this, much of the game consisted of 'nearly' moments as neither side could make a breakthrough in the fixture, despite the clear gap in quality between the two sides.

Fisher defended well, soaking up the invited pressure from the Field forwards, stopping any clear cut opportunities from being put away.

The game seemed to be going the Field's way finally when Fisher defender Prince Imoru was given his marching orders late on, but Fisher defended fearlessly and ensured that the two sides would battle it out again at Fisher's St. Paul's Ground

# MATCH REPORT: FISHER 2-5 WESTFIELD

Following on from the goalless stalemate at Woking Park, the Field had to travel to St. Paul's, home of Fisher FC, in order to see who would progress to the Preliminary Round of the world's oldest cup competition.

The early proceedings of this fixture provided more entertainment than the first contest between these two as the hosts found themselves two goals ahead within the first nine minutes, courtesy of goals from Emmanuel Shoderu and Lewis Duberry.

However, it didn't take long for the Field to display the same dominance they had shown in the first fixture as the Field were awarded a penalty, which was slotted away by Jake Baxter in the 12th minute. Things swayed further in the Field's favor as Fisher goalkeeper Sam Amedu was taken off injured, with defender Prince Imoru taking the gloves to see out the game.

It was a night between the sticks to forget for Imoru and Fisher though, as braces from Baxter and Ndombe, as well as a single goal from Adaje saw the Field through, with Fisher also being knocked down to ten men once again, although this time through injury.

# MATCH REPORT: GUERNSEY 3-1 WESTFIELD

Westfield suffered defeat on opening day of the season for the first time in their Isthmian history as 2 late goals gave hosts Guernsey a 3-1 win at Footes Lane.

Despite Didi Ndombe's 11th minute opener, the 'Field' failed to capitalize on plenty of clear-cut chances that would see them out of sight early in the first half.

Whilst the first and second halves saw the Field dominate, Guernsey turned the game on its head with 20 minutes to go as talisman Ross Allen equalized the score with a easy tap-in following a set-piece.

The game then proceeded to work in the favor of the hosts as a debut senior goal for teenager Jack Griffin and Charlton Gauvain saw the hosts go from being a goal down to being 3-1 up and out of sight in just 12 minutes; truly a afternoon to forget for the Field.

# MATCH REPORT: ATHLETIC NEWHAM 0-3 WESTFIELD

Following on from the disappointment at Guernsey, the Field looked to get results back on track with a trip to Newham to attempt to book a place in the First Qualifying Round of the FA Cup.

The Field had no early issues to be concerned with as they dominated both the possession and the share of good chances in the early proceedings. This culminated in the Field winning a penalty within the first fifteen minutes of the game, with midfielder Andrew Crossley slotting home in the absence of normal penalty taker Jake Baxter.

Good chances continued to provide themselves to the boys, with the first half ending strong as new boy Quincy Rowe, formerly of Chertsey Town, doubling the lead with a sublime half-volley.

The game was put to bed halfway through the second half as Alfie Huckle slotted home to see the Field qualify for yet another FA Cup First Qualifying Round.

Raynes Park Vale FC was formed in 1995 following the merger of Raynes Park and Malden Vale (formed 1967).

The first notable prominence of the football club in the Raynes Park community was as early as 1925 when Southern Railways Football Section was formed. The club was originally based at Raynes Park Sports Ground, Taunton Avenue, which is less than a mile away from the current club's home.

The club played in the Surrey Senior League and were a part of a notable tour to Belgium to play fixtures against Ostend V.G. Club and Bruge FC in 1925. Little is known about these sides other than Railway had success in the 1932–33 Middlesex League and were also double winners in 1936, taking home both the Railway Athletic Association Cup and the Southern Railway Orphanage Cup. The Southern Railway Team fell victim to the notorious 1963 Beeching spending cuts, a national review into modernising the UK's railways. Southern Railways 1950s home kit was gold and green quarters, the company colours.

# WELCOME RPV

Southern Railway Football Section eventually reformed a year following Southern Railway's deformation in 1964 as Raynes Park Football Club, also based at Taunton Avenue, SW20. Raynes Park FC home shirt colours were Red and Black stripes (similar to AC Milan) and specific testament to this was made by the newly formed Raynes Park Vale in the 2020–21 season where they played their home games in Red and Black Stripes for the first time since their formation in 1995. Raynes Park FC's alternative kit at the time was light blue shirts and white shorts. Raynes Park FC ran five senior teams on Saturday's, of which, the 1st and 2nd XI's played in the Surrey Premier League whilst the 3rd team played in the Surrey South Eastern Combination while the 4ths and 5ths played in the Kingston and District League. They also ran an over 35's team and youth teams aged 14 to 18.

Malden Vale FC was founded in 1967 by the then Chairman Stephen Pearce. They spent their first decade of existence playing in the North Surrey Youth League, the Sunday Sportsman League, South Thameside League & the Surrey Combination League. Malden Vale won a total of 37 honours at junior & intermediate level. Malden Vale gained senior status in the 1977–78 season and was duly elected to the Surrey Senior League. Malden Vale have the honour of being the last ever winners of the Surrey Senior League in 1978 before the league vanished in a reorganisation and emerged as the London Spartan League. The following season the league changed its name to the Home Counties League. After one season in the newly named league, Malden Vale applied to join the London Spartan League a league in which they finished 4th twice and 2nd twice, including in 1984, when they lost out on the title to Hanwell Town on goal difference.

Vale then left for the Combined Counties first incarnation and at the first attempt, won the title. The only league title on either side's resume. Ten seasons later in the 1988–89 season Malden Vale finished runners-up to BAE Weybridge in the Dan Air League and was promoted to the Diadora League Division 2 South. All of the club's members worked extremely hard to gain C Grade status for entry into the league. The club survived for 5 seasons in the Diadora Isthmian League. At the end of the successful 1993–94 season, managers Mick Brown and Ged Murphy left the club to join Hendon. Many of the players followed them and Malden Vale finished bottom of the table the following season.

The new merged club immediately joined the Combined Counties Football League and currently play in the league's Premier League, Tier 9 in the national league pyramid. Their best finish was in 1997–98 when they finished in fourth place at tier 9. They have participated in both national Cup competitions apart from a brief period at the start of the 2000s.

The club's reserve team won the Combined Counties Reserve League in 2002–03 and 2005–06 before it joined the Suburban League for the 2006–07 season. The reserve team was disbanded for financial reasons before rejoining the combined counties reserve league for the 2011–12 season under the management of Terry Tuvey. In the 2012–13 season the reserves achieved the League and Cup double. The Cup was won with a 2–0 win against Worcester Park Reserves in the final. The Reserves also won the fair Play award in both 2011–12 and 2012–13, the 1st team winning the Premier award in 2011–12. The combined counties league took the decision to disband the reserve league at the end of the 2012–13 season so for the 2013–14 season they have re-joined the Suburban League. Midway through 2013–14 Lee Dobinson stepped down as 1st Team Manager to take over as Club Chairman from Fred Stevens. Former AFC Wimbledon Player Gavin Bolger stepped up to take over as 1st team Manager. Gavin Bolger played 107 times for AFC Wimbledon from 2002 to May 2005 scoring 27 goals from midfield.[2] Following the conclusion of the 2020/21, Gavin Bolger and his assistant manager Reece Turner stepped down from their roles, later deciding to join Tooting Bec Football Club.

Preceding the start of the 2021/22 season, Josh Gallagher was appointed as First Team Manager, accompanied by Anthony Panayi (Assistant Manager), Daniel Canning (Goalkeeper coach & Physio) and Chris Williams (Strength and Conditioning). Raynes Park Vale finished the season in 3rd place behind Beckenham Town and Walton & Hersham F.C.

The 2022-23 season concluded with a Raynes Park Vale double as the 1st team were crowned Combined Counties Premier South League champions on 99 points, with second placed Badshot Lea also promoted. Raynes Park Vale were promoted to the Isthmian League - South Central Division. The U18 team under manager Terry Savage won 13 of 16 games to land the 2022-23 Combined Counties League Tony Ford U18 East title trophy.

# CLUB NEWS: WESTFIELD U18'S

Following a restructuring of the youth development at Westfield, the reserves team has been disbanded, with more of an emphasis on the development of an u18s side.

As such, Westfield are delighted to announce the appointment of Lee Sawkins as the clubs new U18 Manager.

Lee has 12 years experience coaching at grassroots youth football at all ages with his local side Pirbright as well as working for the FA coaching in the Just Play scheme.

Any suitable players that feel they can be part of the squad for the new campaign can contact Lee through the link on our website.

The club would also like to thank Ben Knight and Martin Buffoni for their hard work and commitment over the past two years with the U18's. Thankfully both will remain in advisory roles to the club and we look forward to seeing them at Woking Park throughout the season.
