MATCH REPORT: WESTFIELD 7-2 BINFIELD

Westfield recorded back to back league wins and 4th in all competitions after an emphatic second half saw the demolition of Binfield under the lights at Woking Park.

After Archy Taylor was upended in the 8th minute inside the box Jake Baxter stepped forward to fire home from the spot but the visitors were soon level when Taylor turned villain this time tripping Bamgbose in his own area and in-form Dontaye Whittaker blasted low into the corner.

In truth it was an entertaining half with the visitors playing their part but Baxter was first to react to Jacob Breckon's knockdown in the 25th minute to restore the lead. Expertly turning and firing home.

Binfield emerged from the break fired up and were soon level. Bamgbose in the right place to scuff home after poor defending from Westfield.

Within 4 minutes the lead was restored with Breckon seeing his deflected shot wrong-foot Nicholas Harvey for his first goal of the campaign.

A magnificent piece of skill saw Theo White burst clear and then lob Harvey from 30 yards for one of the goals of the season before Baxter nodded home to seal his hat-trick and the points for Westfield with their 5th.

2 late fine efforts from Toby Adaje including another audacious lob over Harvey sealed an emphatic victory and it could have been more but Harvey was on hand to twice deny Taylor.

MATCH REPORT: SCR 0-3 WESTFIELD

Westfields recent good form continued with a superb 3-0 win away to SCR at Whyteleafe on Saturday.

After Alfie Huckle's (pictured) spectacular volley Jacob Breckon finished off a great team move shortly afterwards.

The win was wrapped up in the 2nd half when Tobi Adaje scored for the third game in a row finishing well from the edge of the area.

OUR CLUB HISTORY

Westfield Football Club was formed in 1953 as Westfield Boys Club, playing in the Woking and District League and also running a youth team.

The 1950s

From the start the Club had success in the competitions it entered. Among the trophies won in the early years were the Surrey Youth Invitation Cup in 1953/54, the Surrey Junior Charity Cup in 1954/55 and 1955/56, the Surrey Junior Cup (at the first attempt) in 1955/56 and the Surrey Youth Cup in 1956/57.

Following several seasons in local league football, the Club made the break into Surrey Intermediate football using the present ground at Woking Park, Kingfield. Successes soon came and, after becoming League Champions and Cup winners on several occasions in the subsequent seasons, the Club decided to apply for senior status. The application was accepted in 1964 and after one season in the Parthenon League, Westfield met the necessary ground grading requirements and joined the Surrey Senior League.

OUR CLUB HISTORY

The 1960s

Westfield's future success in senior football sprang from their ability to attract the best local youngsters, ably coached by manager John Martin and assistant Kenny Moody, with Les Butcher in a scouting role, and they were successful in winning the Surrey Youth Cup again in 1966/67 and 1969/70, and the Surrey Youth Shield in 1969/70 and 1970/71. This talent matured and there followed three tremendous seasons for the senior side, when they won the Surrey Senior League Cup in 1971/72, followed by the League and Cup double in 1972/73, and the League Championship again in 1973/74.

The 1970s and 1980s

The Surrey Senior League was disbanded and reformed as the Combined Counties Football League in 1978, and Westfield FC became founder members and retained membership until 2018. Success, however, was more difficult to achieve and in recent times the closest the senior team came to honours was in 1989/90, when they lost the final of the Combined Counties League Cup to Hartley Wintney in extra time. Westfield's Youth team won the Surrey Youth League's U18 Division Cup in 1978.

2000-2003

During the early 2000s, with former Woking player John Cassidy as manager, the senior side improved their league position, finishing sixth in season 2000/01. That season saw the Club enter the FA Vase again, having only previously entered in 1974 for 3 seasons, performing beyond expectations before losing in the Fourth Round to Ryman League Arlesey Town, on the way beating Wantage Town, Sidley United, Lewes and Bowers United.

Season 2002/03 saw Westfield enter the FA Cup for the first time, losing at home to Dorking in the Preliminary Round.

Westfield continued to compete at youth level and they won the Combined Counties Youth League Cup in 1991/92, as well as being runners-up in the League. Following the installation of floodlights in 1999, the U18 team joined the Southern Youth Floodlight League as members of the Western Division.

OUR CLUB HISTORY

The Club also ran a Youth team playing in the West Surrey Boys League, winning the U14 Challenge Cup and Premier Division in 1999/00, the U15 Premier Division, Challenge Cup and Surrey County Cup in 2000/01, U15 Division 2 in 2002, the U16 Premier Division in 2001/02, and the U15 Division 2 in 2002/03.

2003-2006

Following the end of the 2003/04 season, Westfield lost both First and Reserve Team managers. John Cassidy moved to Frimley Green, and thereafter back to Farnham Town, and Graham Pope moved to Godalming & Guildford to manage their reserve team in the Suburban league. Westfield recruited Paul Donaghy from Guildford-based Merrow as first-team manager, and Dave Robson – long-time Westfield player – took over the reserves.

At the end of 2005/06 Westfield were relegated to the 1st Division, due to new ground-grading regulations after a very acrimonious conflict with the league. Numerous commitments from league officials were reneged upon, and after months of appeals and meetings, Westfield had to accept their unwelcome fate.

After a mid-table Division 1 season and partly because of the league-enforced relegation, Manager Paul Donaghy decided to resign as First Team manager to join Godalming and Reserve Team manager Dave Robson also quit. The team of ex-player Martin Powell, ex-Spurs stalwart David Howells and coach John Comer took over the running of the senior teams for the start of the 2007/08 season.

2007-2010

In the close season of 2007/08, following a highly credible 4th place finish, Martin resigned as manager due to personal circumstances; his departure signalled the exits of both David Howells and John Comer. In July 2008 the position of 1st Team Manager was filled by Steve Plunkett, the ex-Godalming Town Reserves boss, though he was replaced within 4 months by the returning Dave Robson, as the club attempted to rebuild following a mass exodus of players.

OUR CLUB HISTORY

Dave Robson did a fine job stabilizing the club, but after an indifferent 2009/10 was replaced by joint managers, Craig Moore and John Comer.

Off the pitch there was good news, as building of the new facilities commenced in 2010/11 and it promised to be a good season as the management duo assembled the best squad since the 2008 season. However, despite some wonderful results, the team struggled to find consistency, and finished a disappointing 13th in the table. There was better news for the reserves who finished 4th in the reserve league, and reached the final of the league cup, where they went down to double-winning side Mole Valley SCR.

2011-2015

During the summer of 2011, Craig Moore decided to step down to concentrate on playing, leaving John Comer as sole manager. He promoted Kevin Bailey from the reserves to be his assistant, and following Dave Kelly's resignation as reserve team manager appointed David Robertson.

In May 2011 the old pitch was dug up and raised a metre, before being re-seeded and in June the old Clubhouse was demolished. The club moved into the new facilities in August 2011 with a thrilling opening match in the FA Cup against Peacehaven & Telscombe, in which the Sussex side eventually ran out 6-3 winners, in front of a crowd of 190. The following month a new record attendance for a league fixture at Woking Park was set when 325 witnessed the fixture against Guernsey.

The season saw another improvement on the pitch, where a position of 8th was achieved and the team reached a cup final for the first time in nearly 20 years. However they went down 4-2 to Warlingham on the day.

The following season the Club gained promotion in third place, and played Walton Casuals Reserves in the final of the Surrey Premier Cup, going down 2 goals to 1 in a close game.

OUR CLUB HISTORY

In season 2013/14, with John Comer continuing as manager, the Club had their best league finish since 1981, ending in fourth place.

With John Comer's departure, Martin Beard was appointed for the 2014-15 season. After a run of indifferent results, Martin was replaced by Dan Snare, who improved the side to finish mid-table.

2016 to date

For the 2016-17 season, Tony Reid was appointed manager, and enjoyed a stunning season, finishing second in the League behind Hartley Wintney and winning the League Cup in May. The following season the Club continued to play exciting, attacking football, scoring an amazing 145 goals, whilst conceding only 45, and became deserved Champions with a fantastic 106 league points.

As the 2018-19 season began, we said farewell to the Combined Counties League after 40 years of continuous competition, and started an exciting journey into Step 4 of non-league football. Having lost some key players from the previous campaign, it took several months for Tony Reid to find a settled side, but then after Christmas a wonderful run of 13 wins, 4 draws and 4 defeats saw Westfield finish in fifth place, to gain a play-off place and our highest-ever league finish. A close semi-final play-off defeat to Bracknell Town did little to detract from a remarkable achievement.

2019-20 saw Tony's team again keep up the pressure at the top of the table, and were lying in a playoff position before the season was curtailed by Covid-19 cancellations, leading to the whole Isthmian League being declared null and void with 28 out of 38 league games played. By that time, the manager had decided to look for a new challenge and unfortunately many of our long-standing players took the same decision. It was a disappointing end to a great few years.

Into the fray for season 2020-21 stepped new manager Simon Lane, who had the not inconsiderable task of building a team almost from scratch, and his young team began to build some momentum, but with only 5 league and 2 cup games, the season was again curtailed in November.

OUR CLUB HISTORY

Season 2021-22 began with more hopefully signs of completing an entire campaign, and with Simon having been able to retain around half of his squad, there were positive signs all round. However, it was not the season to be for Westfield, as the side finished 16th in the Isthmian League South Central Division, still clear of relegation but a bad regression in comparison to the 'pre-Covid' seasons.

The 2022-23 season saw the expectation of survival as the main goal, but both the dominant 4-0 wins over league favorites Leatherhead and eventual league champions Basingstoke Town saw the club changes expectations to a top-half finish. The club also had a good run in the FA Cup, making it to the Second Qualifying Round for the first time in their history, bowing out in that round to 2-1 defeat to Carshalton Athletic, despite a strong showing in the game.

However, it was all change at Westfield soon thereafter, as Simon Lane left the Field half-way through the 2022/23 season, for Isthmian Premier side Kingstonian, leaving the club on the hunt for a manager.

They eventually settled on former Arsenal and Woking midfielder Ian Selley, who had managerial experience with both Chertsey Town and Hartley Wintney in recent years. In the half-season that followed, Selley guided the Field to a respectable 12th place finish in the Isthmian League South Central Division, as well as the final of the Aldershot Senior Cup, in which they took on Combined Counties side Badshot Lea at the EBB Stadium. However, it was heartbreak for the Field as they lost 2-0 in the final.

WELCOME SOUTHALL

Southall Football Club is one of the oldest clubs in the South East of England having been founded in March 1871, their first match being a 1-0 defeat against local neighbours Uxbridge played at Southall Park on October 21st 1871. Southall quickly established themselves as a major club locally and entered the FA Cup in the 3rd year of the competition. Uxbridge remained their main local rivals during the first few decades since the founding of both clubs in 1871. Southall joined the prestigious Southern League for the 1896-97 season, during which time they regularly played the likes of Brentford, Fulham, Watford, Brighton & Hove Albion and Wycombe Wanderers. Southall used several grounds in the town before finally settling in at their Western Road ground in 1906, after merging with Southall Athletic FC. Western Road remained their home until the early 1990's. The most successful period for the club was between the 1920's up to the 1960's, when crowds numbering in the thousands regularly attended, especially for games against local rivals such as Hayes, Hounslow and Uxbridge and the club produced several Amateur Internationals and players that went on to join professional clubs during this period. For the big away games and important cup ties away from home coaches and trains were often chartered for the locals to follow the club's exploits.

WELCOME SOUTHALL

In 1925 Southall reached the Final of the FA Amateur Cup, when they narrowly lost to Clapton 2-1 at Millwall FC in front of over 25,000 spectators and won the Athenian League title in 1926-27. Another momentous season occurred in 1935-36 when Southall recorded 17 consecutive cup victories in various competitions. During this season they became the first non-league club to start in the FA Cup Extra Preliminary Round and reach the 3rd Round Proper before finally losing to Third Division South professionals Watford in front of Western Road's record gate of 19,094. They also beat Third Division South club Swindon Town at home 3-1 in the FA Cup 1st Round. Their cup exploits that season meant that they had to play 23 matches between 1st April and 2nd May, which included 2 games on the same day twice!

The club were forced to take the decision to sell their ground to the local Council in 1940 due to financial pressures during World War II and became tenants of the Council for the rest of that ground's existence.

Southall have also played big Amateur Cup matches at Stamford Bridge, Highbury & Craven Cottage, all in front of over 20,000 fans. The club's last big cup day out was for the 1986 FA Vase Final at Wembley. In the 1970's and 1980's future full England Internationals Gordon Hill, Alan Devonshire, and Les Ferdinand played for Southall in their younger days.

Western Road was the arguably finest non-league ground in the area, regularly being selected to host finals and semi-finals of local and county cup competitions. It had a fine clubhouse, which regularly held many social events and was hired out by local clubs and societies as well as regularly being a venue for local bands to play at.

WELCOME SOUTHALL

Unfortunately, Ealing Council closed Western Road in the early 1990's and eventually awarded the replacement site to a breakaway club, which folded soon after. Southall FC has been forced to share grounds since this time but are hopeful of finding a suitable site back in the town in the near future. Having been in the doldrums in terms of league performances since the late 1990's, Southall won the Spartan South Midlands League Division 1 title in 2017-18, their first championship for 91 years. This also earned them their 2nd promotion in the 2010's and secured a spot back un the Combined Counties Premier Division. The league reorganisation for the 2021-22 season saw Southall in the Premier Division North. An exciting season was played out with cup runs in the FA Vase (1/4 final), Middlesex Charity Cup (semi-final) and League Cup (finalists), but more importantly the league Runners up spot was secured, which heralded promotion back to the Isthmian League.

A solid first season in the Isthmian South Central Division ended with a mid-table finish. With negotiations with Ealing Council for a new ground back in the town were seemingly heading in the right direction but a lack of progress over the last few months has left fans and club officials somewhat frustrated.
