CLUB NEWS: FA CUP FIRST QUALIFYING ROUND DRAW

Following Westfield's dominant display over Athletic Newham in last week's FA Cup tie, the club booked it's place in the First Qualifying Round, which is set to be played on of the 2nd September.

Following the draw, which was commenced on Monday (21st Aug), the club will be facing fellow Isthmian League South Central Division rivals Ascot United, travelling away to the Racecourse Ground.

Ascot's FA Cup run so far has seen them defeat Ardley United following a replay in the Extra Preliminary Round, before making the long trip to Bristol to play Magnotsfield United of the Hellnic League Premier Division, of whom they thumped 5-1.

The Field will look to beat their league rivals to reach the Second Qualifying Round for only the second time, following on from the record they set last season, when they beat fellow league rivals Ashford United 4-2.

CLUB NEWS: SEPTEMBER FIXTURE CHANGES

Following recent cup successes for the Field, certain fixtures have been moved around and other ones introduced.

Our original Isthmian League South Central Division fixture against Uxbridge at home on Saturday 2nd September has been postponed to make way for our FA Cup 1st Qualifying Round fixture away to Ascot United. The Uxbridge match will now take place on Tuesday 12th September, kick-off now being at 7:45pm.

Additionally, following Tuesday's Velocity Cup win against Raynes Park Vale, the Field will travel to Corinthian-Casuals on the 26th September for the Velocity Cup Second Round, kick-off being at 7:45pm also.

MATCH REPORT: WESTFIELD 3-2 RAYNES PARK VALE

It was one cup competition to another over this past week for the Field, as we turned our attention to the Velocity Cup, in which we were drawn up against Raynes Park Vale in the first round.

The game didn't start how the Field would've hoped, as Hogan fired the visitors in front in just three minutes with a good finish. However it didn't take long for the Field to get back in it as, after a brilliant stop by RPV keeper James Smith to stop Jacob Breckon's header, the ball falls to Theo White who taps it home to level it up in the 7th minute.

From there on in the Field took control of the game, fashioning out plenty of chances but it took a moment of magic for the goal to put the Field in front as a good move saw the returning Tayshan Hayden-Smith put a good through-ball into White again, who cuts in and curls the ball into the top corner from distance, surely an early goal of the season contender!

Despite the Field still dominating most of the proceedings in the tie, RPV resilience at the back paid off as a excellent counter-attack saw them score just before the whistle blew for half-time, courtesy of left-back Callum Hope.

The second-half saw a resurgent RPV fight hard to get themselves back in front again but the Field defence managed to keep them at bay. The Field themselves also fashioned out numerous chances but were unable to make a good enough breakthrough, despite some clear-cut opportunities being presented to them. The deadlock was eventually broken, however, as a good overlapping ball sees Breckon one-on-one with Smith but at a tight angle. He takes aim but the ball rebounds of the near post and far post and is cleared but only as far Junior Da Cruz, who knocks the ball to midfielder Alfie Huckle, who continues his fine goal-scoring form but smashing it into the back of the net to give the Field the winning goal.

RPV were unable to claw anything back despite the extensive amount of injury time and sealed Westfield's progression to the Second Round of the Velocity Cup, in which they will travel to Corinthian-Casuals.

WELCOME CHERTSEY TOWN

Organised football was evident in Chertsey well into the Victorian era, but county affiliation did not take place immediately. The official founding of the club took place in 1890 when matches were played in the West Surrey League. The first success came in 1897 when the Surrey Junior Cup was secured. A one year gap took place before football resumed in the same competition which eventually became the East and West Surrey League. A further halt in football took place during the Great War but soon after, in 1919, the club joined the Surrey Intermediate League where it stayed, uneventfully, until 1939 and a further break. An invitation to become founder members of the Surrey Senior League was not taken up in 1923 but membership was later assumed, on attaining senior status in 1946.

The club has played at various locations within the parish (Willow Walk, Free Prae Road, Staines Lane and Chilsey Green) before settling down at the present home in 1926. The suffix 'Town' was added to its title some 24 years later. The ground was donated by Sir Edward Stern as a football ground to the 'premier club in the parish'. Next door, a similar trust provides facilities for Chertsey Cricket Club. The main stand was constructed in the mid fifties; the original clubhouse added in 1960 and the first covered enclosure was built some three years later. Cover behind each goal was added in 1994 and 2010 respectively.

WELCOME CHERTSEY TOWN

Chertsey became members of the Surrey Senior League in 1946, but success was scant until 1960 when winning the league championship. This was repeated twice in the next three years, The League Cup was also won on three occasions. The club could not progress to the preferred Corinthian League so, in 1963 it controversially turned professional to enter the Metropolitan League. It gave an entertaining three but, the cost was too much. A drop to the Greater London League for one season occurred before a further shift to the Spartan League was made in 1967.

Indifferent results then dogged the club for almost two decades. This situation was briefly relieved in 1974/75 when the club were league and league cup runners up to an up an coming Farnborough Town. Meanwhile, the fabric of the club was being built up behind the scenes and despite lack of prominence on the park, movement was made via the London Spartan (1975/76) and Athenian leagues through to the Isthmian family with a place in Division Two South in 1984. Instant relegation to the Combined Counties League was suffered but a rejuvenated side won promotion back to Isthmian ranks within the year whilst winning the League Cup on the way.

The club was rewarded with good league positions but further promotion denied at first. The worst season after returning to the Isthmians came when the two Division Twos were split in 1991 and a place in the new Division Three had to suffice. This position was quickly rectified with a runner's up slot the next season. The club also reached the quarter finals of the F.A. Vase, emulating a similar performance in 1987/88. One year later, 102 points and a runner's up promotion place to Division One was nailed. The League Cup was also secured together with the Carlsberg Trophy in the same campaign along with the League Charity Shield and the Isthmian 'Team of the Season' trophy.

Only one campaign was required in Division One before further promotion, to the Premier Division. The first season at that level was one of consolidation but the second was more difficult. A late rally was experienced, but was insufficient to avoid the drop to Division One. Two subsequent Division One campaigns were comfortable but the third proved too difficult after a very poor first half of the season.

WELCOME CHERTSEY TOWN

Relatively respectable positions were attained for the next two seasons and then a return to Division One, taking a place in the revised south section in the Isthmian re-organisation. The side was not able to compete at this level and relegation to Division Two was suffered in 2003. With the dissolution of the division, the club was allocated to Combined Counties League in 2006. Promotionally hopeful situations were created regularly over the five terms in that competition.

Finishing as runners up in 2011 was enough to secure promotion to Division One Central of the Southern League. Unspectacular, but safe, performances were achieved for two seasons but relegation was suffered in 2014, and with it a return to the Combined Counties League where four modest seasons prevailed.

A massive change occurred in the 2018/19 season that resulted in the league championship being secured with 13 points to spare. This led to promotion back to the Isthmian ranks and a place in the South Central Division. However, more memorable, was winning the FA Vase after turning over the score in the final to beat Cray Valley 3-1. The combination of these two feats made the 2018/19 the most successful season ever for the club. Covid affected the next two campaigns, but then a runners up spot was attained at the end of the 2021/22 season but the side lost out in extra time of the final of the play offs.

Following a turbulent season as far as managerial appointments was concerned, The current manager, Mark Harper, was appointed at the start of the current season. The chairman's role is held Mark Turner. The club, a Charter Standard member, also has a comprehensive junior section of boys at all ages. Chertsey Town's nickname, the 'Curfews' is derived from a locally famous bell that hangs in nearby St. Peters Church. The bell has rung out the evening curfew, now ceremoniously, for over five hundred years.
