SURREY SENIOR CUP SECOND ROUND DRAW

Our Surrey Senior Cup 2nd Round tie away to K's has been set for Wednesday 29th November 7.45pm, following our 3-0 win over Camberley Town.

The K's are currently managed by former Field manager Simon Lane, who left Woking Park for Kingstonian earlier this calendar year.

The game will take place at Imperial Fields (Tooting & Mitcham United FC) where our hosts currently groundshare.

MATCH REPORT: WESTFIELD 3-0 CAMBERLEY TOWN

Westfield set up a meeting with former manager Simon Lane's Kingstonian as they eased past Camberley Town 3-0 in the Surrey Senior Cup.

Making 6 changes to Saturdays starting line up against Hungerford Ian Selley handed debuts to 17 year old keeper Rileigh Hebditch and 16 year old Latham Roberts (pictured) whilst Jon Sanchez made his first start of the season.

The scoring was opened half an hour in when Archy Taylor found Theo White down the right and his first time cross was controlled and slotted home by Jacob Breckon.

Westfield doubled their lead seconds after the break ad Junior D'Cruz wriggled free of his marker to fire past Wilson. The keeper however had a fine game and thwarted many Westfield attacks. The visitors were much improved to the side thumped 7-0 at Woking Park 11 months ago and kept going. In truth they should have scored on a couple of occasions but after another 16 year from the youth team was introduced in Toby Sawkins it was the returning Didi Ndombe who wrapped up the evening with Westfield's 3rd on 88 minutes.

OUR CLUB HISTORY

Westfield Football Club was formed in 1953 as Westfield Boys Club, playing in the Woking and District League and also running a youth team.

The 1950s

From the start the Club had success in the competitions it entered. Among the trophies won in the early years were the Surrey Youth Invitation Cup in 1953/54, the Surrey Junior Charity Cup in 1954/55 and 1955/56, the Surrey Junior Cup (at the first attempt) in 1955/56 and the Surrey Youth Cup in 1956/57.

Following several seasons in local league football, the Club made the break into Surrey Intermediate football using the present ground at Woking Park, Kingfield. Successes soon came and, after becoming League Champions and Cup winners on several occasions in the subsequent seasons, the Club decided to apply for senior status. The application was accepted in 1964 and after one season in the Parthenon League, Westfield met the necessary ground grading requirements and joined the Surrey Senior League.

OUR CLUB HISTORY

The 1960s

Westfield's future success in senior football sprang from their ability to attract the best local youngsters, ably coached by manager John Martin and assistant Kenny Moody, with Les Butcher in a scouting role, and they were successful in winning the Surrey Youth Cup again in 1966/67 and 1969/70, and the Surrey Youth Shield in 1969/70 and 1970/71. This talent matured and there followed three tremendous seasons for the senior side, when they won the Surrey Senior League Cup in 1971/72, followed by the League and Cup double in 1972/73, and the League Championship again in 1973/74.

The 1970s and 1980s

The Surrey Senior League was disbanded and reformed as the Combined Counties Football League in 1978, and Westfield FC became founder members and retained membership until 2018. Success, however, was more difficult to achieve and in recent times the closest the senior team came to honours was in 1989/90, when they lost the final of the Combined Counties League Cup to Hartley Wintney in extra time. Westfield's Youth team won the Surrey Youth League's U18 Division Cup in 1978.

2000-2003

During the early 2000s, with former Woking player John Cassidy as manager, the senior side improved their league position, finishing sixth in season 2000/01. That season saw the Club enter the FA Vase again, having only previously entered in 1974 for 3 seasons, performing beyond expectations before losing in the Fourth Round to Ryman League Arlesey Town, on the way beating Wantage Town, Sidley United, Lewes and Bowers United.

Season 2002/03 saw Westfield enter the FA Cup for the first time, losing at home to Dorking in the Preliminary Round.

Westfield continued to compete at youth level and they won the Combined Counties Youth League Cup in 1991/92, as well as being runners-up in the League. Following the installation of floodlights in 1999, the U18 team joined the Southern Youth Floodlight League as members of the Western Division.

OUR CLUB HISTORY

The Club also ran a Youth team playing in the West Surrey Boys League, winning the U14 Challenge Cup and Premier Division in 1999/00, the U15 Premier Division, Challenge Cup and Surrey County Cup in 2000/01, U15 Division 2 in 2002, the U16 Premier Division in 2001/02, and the U15 Division 2 in 2002/03.

2003-2006

Following the end of the 2003/04 season, Westfield lost both First and Reserve Team managers. John Cassidy moved to Frimley Green, and thereafter back to Farnham Town, and Graham Pope moved to Godalming & Guildford to manage their reserve team in the Suburban league. Westfield recruited Paul Donaghy from Guildford-based Merrow as first-team manager, and Dave Robson – long-time Westfield player – took over the reserves.

At the end of 2005/06 Westfield were relegated to the 1st Division, due to new ground-grading regulations after a very acrimonious conflict with the league. Numerous commitments from league officials were reneged upon, and after months of appeals and meetings, Westfield had to accept their unwelcome fate.

After a mid-table Division 1 season and partly because of the league-enforced relegation, Manager Paul Donaghy decided to resign as First Team manager to join Godalming and Reserve Team manager Dave Robson also quit. The team of ex-player Martin Powell, ex-Spurs stalwart David Howells and coach John Comer took over the running of the senior teams for the start of the 2007/08 season.

2007-2010

In the close season of 2007/08, following a highly credible 4th place finish, Martin resigned as manager due to personal circumstances; his departure signalled the exits of both David Howells and John Comer. In July 2008 the position of 1st Team Manager was filled by Steve Plunkett, the ex-Godalming Town Reserves boss, though he was replaced within 4 months by the returning Dave Robson, as the club attempted to rebuild following a mass exodus of players.

OUR CLUB HISTORY

Dave Robson did a fine job stabilizing the club, but after an indifferent 2009/10 was replaced by joint managers, Craig Moore and John Comer.

Off the pitch there was good news, as building of the new facilities commenced in 2010/11 and it promised to be a good season as the management duo assembled the best squad since the 2008 season. However, despite some wonderful results, the team struggled to find consistency, and finished a disappointing 13th in the table. There was better news for the reserves who finished 4th in the reserve league, and reached the final of the league cup, where they went down to double-winning side Mole Valley SCR.

2011-2015

During the summer of 2011, Craig Moore decided to step down to concentrate on playing, leaving John Comer as sole manager. He promoted Kevin Bailey from the reserves to be his assistant, and following Dave Kelly's resignation as reserve team manager appointed David Robertson.

In May 2011 the old pitch was dug up and raised a metre, before being re-seeded and in June the old Clubhouse was demolished. The club moved into the new facilities in August 2011 with a thrilling opening match in the FA Cup against Peacehaven & Telscombe, in which the Sussex side eventually ran out 6-3 winners, in front of a crowd of 190. The following month a new record attendance for a league fixture at Woking Park was set when 325 witnessed the fixture against Guernsey.

The season saw another improvement on the pitch, where a position of 8th was achieved and the team reached a cup final for the first time in nearly 20 years. However they went down 4-2 to Warlingham on the day.

The following season the Club gained promotion in third place, and played Walton Casuals Reserves in the final of the Surrey Premier Cup, going down 2 goals to 1 in a close game.

OUR CLUB HISTORY

In season 2013/14, with John Comer continuing as manager, the Club had their best league finish since 1981, ending in fourth place.

With John Comer's departure, Martin Beard was appointed for the 2014-15 season. After a run of indifferent results, Martin was replaced by Dan Snare, who improved the side to finish mid-table.

2016 to date

For the 2016-17 season, Tony Reid was appointed manager, and enjoyed a stunning season, finishing second in the League behind Hartley Wintney and winning the League Cup in May. The following season the Club continued to play exciting, attacking football, scoring an amazing 145 goals, whilst conceding only 45, and became deserved Champions with a fantastic 106 league points.

As the 2018-19 season began, we said farewell to the Combined Counties League after 40 years of continuous competition, and started an exciting journey into Step 4 of non-league football. Having lost some key players from the previous campaign, it took several months for Tony Reid to find a settled side, but then after Christmas a wonderful run of 13 wins, 4 draws and 4 defeats saw Westfield finish in fifth place, to gain a play-off place and our highest-ever league finish. A close semi-final play-off defeat to Bracknell Town did little to detract from a remarkable achievement.

2019-20 saw Tony's team again keep up the pressure at the top of the table, and were lying in a playoff position before the season was curtailed by Covid-19 cancellations, leading to the whole Isthmian League being declared null and void with 28 out of 38 league games played. By that time, the manager had decided to look for a new challenge and unfortunately many of our long-standing players took the same decision. It was a disappointing end to a great few years.

Into the fray for season 2020-21 stepped new manager Simon Lane, who had the not inconsiderable task of building a team almost from scratch, and his young team began to build some momentum, but with only 5 league and 2 cup games, the season was again curtailed in November.

OUR CLUB HISTORY

Season 2021-22 began with more hopefully signs of completing an entire campaign, and with Simon having been able to retain around half of his squad, there were positive signs all round. However, it was not the season to be for Westfield, as the side finished 16th in the Isthmian League South Central Division, still clear of relegation but a bad regression in comparison to the 'pre-Covid' seasons.

The 2022-23 season saw the expectation of survival as the main goal, but both the dominant 4-0 wins over league favorites Leatherhead and eventual league champions Basingstoke Town saw the club changes expectations to a top-half finish. The club also had a good run in the FA Cup, making it to the Second Qualifying Round for the first time in their history, bowing out in that round to 2-1 defeat to Carshalton Athletic, despite a strong showing in the game.

However, it was all change at Westfield soon thereafter, as Simon Lane left the Field half-way through the 2022/23 season, for Isthmian Premier side Kingstonian, leaving the club on the hunt for a manager.

They eventually settled on former Arsenal and Woking midfielder Ian Selley, who had managerial experience with both Chertsey Town and Hartley Wintney in recent years. In the half-season that followed, Selley guided the Field to a respectable 12th place finish in the Isthmian League South Central Division, as well as the final of the Aldershot Senior Cup, in which they took on Combined Counties side Badshot Lea at the EBB Stadium. However, it was heartbreak for the Field as they lost 2-0 in the final.

WELCOME THATCHAM TOWN

Thatcham Town Football Club was founded in 1894. The club were originally known just as Thatcham, with Town being added to its name in 1974. In the early years Thatcham played at The Marsh on Dunston Green, Brownsfield (home of the Cricket Club) and Station Road, before moving to Lancaster Close in 1949. Floodlights were erected in January 1983 with Fulham FC visiting for a commemorative friendly match. To provide improved facilities, the club moved to Waterside Park in 1992/93, with the ground becoming known as The Stacatruc Stadium from August 2019, then the Mettal Stadium from August 2023.

The club joined the Reading Temperance League in 1896, winning the Division Two title in 1905/06. In 1953 Thatcham became founder members of the Hellenic League, winning promotion to the Premier Division as Division One champions in 1958/59, 1964/65 & 1972/73, then claiming the Premier Division title in 1974/75. Following spells in the Athenian and London Spartan Leagues, Thatcham joined the newly formed Wessex League in 1986 and won the title in 1995/96. After finishing second in 2005/06, ground requirements were met and promotion to step four was achieved.

WELCOME THATCHAM TOWN

The Kingfishers spent eight seasons in the Southern League Division One – seven in the South & West Division and one (2012/13) in the Central. Following sixth-placed finishes in both 2006/07 & 2008/09, the club achieved its highest ever position in 2010/11... Despite being in the bottom half of the table at Christmas, Thatcham earned 38 points from the final 15 matches to finish in fifth, however the Kingfishers were beaten at Sholing in the play-off semi-final.

Once safety was assured in 2013/14, the club resigned from the Southern League to cut costs by playing at a lower level. Town finished twelfth in their first campaign back in the Hellenic Premier, then second and fourth in the following seasons. However in 2017/18 the Kingfishers embarked on an incredible 40 game unbeaten run (in all competitions), winning all but one game between the end of October and end of April.

This saw Thatcham overtake long-time leaders Highworth Town and eventually pip Bracknell Town to the title in a thrilling end to the season, on goal difference.

After taking a season to re-adjust to step four football, in 2019/20 Thatcham were top of the Southern League Division One South table with eleven games to play. But with the club looking set to achieve its highest ever finish, and promotion to step three a real possibility, the Coronavirus pandemic struck with the season being terminated.

Following the subsequent departure of the management team and many senior players, alongside being moved into the Isthmian League South Central Division the club faced a rebuilding job. Covid also caused the 2020/21 season to be suspended before Town finished 12th in 2021/22, then recovered from a poor start in 2022/23 to finish 13th.
