CLUB NEWS: WELCOME BACK TO THE FIELD BRADLEY WALSH!

The club this week welcomed back forward Bradley Walsh, who rejoins the Field following a stint at fellow Isthmian League South Central side Uxbridge.

Walsh spent part of the 22/23 campaign at the Field, where he scored in several important games, such as brace in both the 4-0 wins against Leatherhead and Basingstoke Town but then went onto leave the club later on in the season for pastures new.

The club are delighted to see him return and he joins an already stacked forward line.

CLUB NEWS: WESTFIELD U18'S FA YOUTH CUP SECOND QUALIFYING ROUND DRAW

The draw has been made for the second qualifying round of the FA Youth Cup, which the young Field secured their place in last Monday.

The Field have been drawn against Jersey Bulls, the first time either side have met at any level.

A date for the Camberley fixture will be announced in due course, but will likely take place on the week commencing the 2nd October 2023.

MATCH REPORT: WESTFIELD 0-5 UXBRIDGE

Westfield continue to search for their first league win of the season after a rampant Uxbridge hit 5 at Woking Park on Tuesday evening.

After an even start with half chances for both teams a well worked goal from Alex Paine gave the visitors a 17th minute lead.

Three minutes later the lead was doubled when Michael Bryan danced through the home defence for a fine solo goal.

The Field had their chances but found visiting keeper Loris Marcimain in fine form.

The second half got off to the worst possible start with a defensive mixup and George Moore fired home. A minute later he scored again finding space behind the backline to thumb past Wheeler.

A superb Lewis Patrick free kick rounded off the night.

MATCH REPORT: WESTFIELD 1-1 CORINTHIAN-CASUALS (WESTFIELD WIN 4-1 ON PENS)

Whilst the Field prevailed on penalties against fellow Isthmian League South Central Division rivals Corinthian-Casuals, it was hardly a classic cup tie for the ages.

The Field went into this fixture off the back of a difficult 5-0 home loss to a brilliant Uxbridge side and with only one win in the last five fixtures, which had come against Littlehampton in the FA Trophy.

Likewise, the hosts were looking to bounce back from a bruising 5-0 defeat at home to Sutton Common Rovers and use this match as an opportunity to turn around a torrid run of form which has seen them only win one fixture in their first eight fixtures this season, which came in the form of a 2-1 win over Metropolitan Police.

The match started off brightly for the visiting Field side, as they bossed possession and made some good movements in and around the attacking third, but that cutting edge was certainly lacking to be able to penetrate the Casuals defence effectively.

Both sides grew into the first half but neither had the attacking prowess to cause any sort of anxiety for the opponent's defences. Both Field and Casuals players played to the games scrappy playing style, with a lot of long balls over the top, crunching tackles and ruthless defending to try and grind out a result.

The second half saw the game spring into life as Casuals managed to get the ball into good space down the left-hand flank through Casuals number 11 Shea Cascoe-Rogers, who's electric pace saw him burst into the box and squeeze a shot into the back of the net from a tight angle, putting the home side one up, to the jubilation of the Casuals faithful behind the goal.

MATCH REPORT: WESTFIELD 1-1 CORINTHIAN-CASUALS (WESTFIELD WIN 4-1 ON PENS)

All looked lost for the Field as they desperately tried to get back into the game, but to no avail. It wasn't until substitute Tobi Adaje won a free kick on the edge of the box did the Field truly produce a piece of magic uncharacteristic of this tie. The resulting free kick, which was taken by the man who won it, was driven low and with precision, finding the bottom hand corner of the Casuals goal, to set up a penalty shootout.

The Field won the right to take the first spot kick, with the nervy penalty being just inches away from the Casuals keeper's gloves before finding the back of the net. Casuals first penalty saw a lot of power but no meaningful execution as it bounced off the post, giving the Field the advantage.

The second Field penalty played much like the first, with the Casuals keeper diving the right way but it was too high for him to get any meaningful stoppage on it. Casuals stepped up and shot straight at Wheeler, who got low to double the Field's advantage in the shootout. Third Field pen was then cheekily slotted underneath the diving Casuals keeper, meaning that the next Casuals penalty could seal the Field's progress into the next round.

However, with Casuals netting the third penalty, it meant the fate of Westfield's progress in the Velocity Trophy relied on Billy Nutbeam, who coolly slotted home the penalty and gave the Field a 4-1 win on the night.

OUR CLUB HISTORY

Westfield Football Club was formed in 1953 as Westfield Boys Club, playing in the Woking and District League and also running a youth team.

The 1950s

From the start the Club had success in the competitions it entered. Among the trophies won in the early years were the Surrey Youth Invitation Cup in 1953/54, the Surrey Junior Charity Cup in 1954/55 and 1955/56, the Surrey Junior Cup (at the first attempt) in 1955/56 and the Surrey Youth Cup in 1956/57.

Following several seasons in local league football, the Club made the break into Surrey Intermediate football using the present ground at Woking Park, Kingfield. Successes soon came and, after becoming League Champions and Cup winners on several occasions in the subsequent seasons, the Club decided to apply for senior status. The application was accepted in 1964 and after one season in the Parthenon League, Westfield met the necessary ground grading requirements and joined the Surrey Senior League.

OUR CLUB HISTORY

The 1960s

Westfield's future success in senior football sprang from their ability to attract the best local youngsters, ably coached by manager John Martin and assistant Kenny Moody, with Les Butcher in a scouting role, and they were successful in winning the Surrey Youth Cup again in 1966/67 and 1969/70, and the Surrey Youth Shield in 1969/70 and 1970/71. This talent matured and there followed three tremendous seasons for the senior side, when they won the Surrey Senior League Cup in 1971/72, followed by the League and Cup double in 1972/73, and the League Championship again in 1973/74.

The 1970s and 1980s

The Surrey Senior League was disbanded and reformed as the Combined Counties Football League in 1978, and Westfield FC became founder members and retained membership until 2018. Success, however, was more difficult to achieve and in recent times the closest the senior team came to honours was in 1989/90, when they lost the final of the Combined Counties League Cup to Hartley Wintney in extra time. Westfield's Youth team won the Surrey Youth League's U18 Division Cup in 1978.

2000-2003

During the early 2000s, with former Woking player John Cassidy as manager, the senior side improved their league position, finishing sixth in season 2000/01. That season saw the Club enter the FA Vase again, having only previously entered in 1974 for 3 seasons, performing beyond expectations before losing in the Fourth Round to Ryman League Arlesey Town, on the way beating Wantage Town, Sidley United, Lewes and Bowers United.

Season 2002/03 saw Westfield enter the FA Cup for the first time, losing at home to Dorking in the Preliminary Round.

Westfield continued to compete at youth level and they won the Combined Counties Youth League Cup in 1991/92, as well as being runners-up in the League. Following the installation of floodlights in 1999, the U18 team joined the Southern Youth Floodlight League as members of the Western Division.

OUR CLUB HISTORY

The Club also ran a Youth team playing in the West Surrey Boys League, winning the U14 Challenge Cup and Premier Division in 1999/00, the U15 Premier Division, Challenge Cup and Surrey County Cup in 2000/01, U15 Division 2 in 2002, the U16 Premier Division in 2001/02, and the U15 Division 2 in 2002/03.

2003-2006

Following the end of the 2003/04 season, Westfield lost both First and Reserve Team managers. John Cassidy moved to Frimley Green, and thereafter back to Farnham Town, and Graham Pope moved to Godalming & Guildford to manage their reserve team in the Suburban league. Westfield recruited Paul Donaghy from Guildford-based Merrow as first-team manager, and Dave Robson – long-time Westfield player – took over the reserves.

At the end of 2005/06 Westfield were relegated to the 1st Division, due to new ground-grading regulations after a very acrimonious conflict with the league. Numerous commitments from league officials were reneged upon, and after months of appeals and meetings, Westfield had to accept their unwelcome fate.

After a mid-table Division 1 season and partly because of the league-enforced relegation, Manager Paul Donaghy decided to resign as First Team manager to join Godalming and Reserve Team manager Dave Robson also quit. The team of ex-player Martin Powell, ex-Spurs stalwart David Howells and coach John Comer took over the running of the senior teams for the start of the 2007/08 season.

2007-2010

In the close season of 2007/08, following a highly credible 4th place finish, Martin resigned as manager due to personal circumstances; his departure signalled the exits of both David Howells and John Comer. In July 2008 the position of 1st Team Manager was filled by Steve Plunkett, the ex-Godalming Town Reserves boss, though he was replaced within 4 months by the returning Dave Robson, as the club attempted to rebuild following a mass exodus of players.

OUR CLUB HISTORY

Dave Robson did a fine job stabilizing the club, but after an indifferent 2009/10 was replaced by joint managers, Craig Moore and John Comer.

Off the pitch there was good news, as building of the new facilities commenced in 2010/11 and it promised to be a good season as the management duo assembled the best squad since the 2008 season. However, despite some wonderful results, the team struggled to find consistency, and finished a disappointing 13th in the table. There was better news for the reserves who finished 4th in the reserve league, and reached the final of the league cup, where they went down to double-winning side Mole Valley SCR.

2011-2015

During the summer of 2011, Craig Moore decided to step down to concentrate on playing, leaving John Comer as sole manager. He promoted Kevin Bailey from the reserves to be his assistant, and following Dave Kelly's resignation as reserve team manager appointed David Robertson.

In May 2011 the old pitch was dug up and raised a metre, before being re-seeded and in June the old Clubhouse was demolished. The club moved into the new facilities in August 2011 with a thrilling opening match in the FA Cup against Peacehaven & Telscombe, in which the Sussex side eventually ran out 6-3 winners, in front of a crowd of 190. The following month a new record attendance for a league fixture at Woking Park was set when 325 witnessed the fixture against Guernsey.

The season saw another improvement on the pitch, where a position of 8th was achieved and the team reached a cup final for the first time in nearly 20 years. However they went down 4-2 to Warlingham on the day.

The following season the Club gained promotion in third place, and played Walton Casuals Reserves in the final of the Surrey Premier Cup, going down 2 goals to 1 in a close game.

OUR CLUB HISTORY

In season 2013/14, with John Comer continuing as manager, the Club had their best league finish since 1981, ending in fourth place.

With John Comer's departure, Martin Beard was appointed for the 2014-15 season. After a run of indifferent results, Martin was replaced by Dan Snare, who improved the side to finish mid-table.

2016 to date

For the 2016-17 season, Tony Reid was appointed manager, and enjoyed a stunning season, finishing second in the League behind Hartley Wintney and winning the League Cup in May. The following season the Club continued to play exciting, attacking football, scoring an amazing 145 goals, whilst conceding only 45, and became deserved Champions with a fantastic 106 league points.

As the 2018-19 season began, we said farewell to the Combined Counties League after 40 years of continuous competition, and started an exciting journey into Step 4 of non-league football. Having lost some key players from the previous campaign, it took several months for Tony Reid to find a settled side, but then after Christmas a wonderful run of 13 wins, 4 draws and 4 defeats saw Westfield finish in fifth place, to gain a play-off place and our highest-ever league finish. A close semi-final play-off defeat to Bracknell Town did little to detract from a remarkable achievement.

2019-20 saw Tony's team again keep up the pressure at the top of the table, and were lying in a playoff position before the season was curtailed by Covid-19 cancellations, leading to the whole Isthmian League being declared null and void with 28 out of 38 league games played. By that time, the manager had decided to look for a new challenge and unfortunately many of our long-standing players took the same decision. It was a disappointing end to a great few years.

Into the fray for season 2020-21 stepped new manager Simon Lane, who had the not inconsiderable task of building a team almost from scratch, and his young team began to build some momentum, but with only 5 league and 2 cup games, the season was again curtailed in November.

OUR CLUB HISTORY

Season 2021-22 began with more hopefully signs of completing an entire campaign, and with Simon having been able to retain around half of his squad, there were positive signs all round. However, it was not the season to be for Westfield, as the side finished 16th in the Isthmian League South Central Division, still clear of relegation but a bad regression in comparison to the 'pre-Covid' seasons.

The 2022-23 season saw the expectation of survival as the main goal, but both the dominant 4-0 wins over league favorites Leatherhead and eventual league champions Basingstoke Town saw the club changes expectations to a top-half finish. The club also had a good run in the FA Cup, making it to the Second Qualifying Round for the first time in their history, bowing out in that round to 2-1 defeat to Carshalton Athletic, despite a strong showing in the game.

However, it was all change at Westfield soon thereafter, as Simon Lane left the Field for Isthmian Premier side Kingstonian, leaving the club on the hunt for a manager. They eventually settled on former Arsenal and Woking midfielder Ian Selley, who had managerial experience with both Chertsey Town and Hartley Wintney in recent years.

WELCOME MARLOW

It was on November 22nd 1870 at the Compleat Angler Hotel on the banks of the Thames that Great Marlow Football Club was formed and so began the history of one of the oldest clubs in the country. In the last century the Club was a major force in the game and as one of the original entrants in the first F.A Cup competition in 1871/72 contributed a share of the £25 that bought the first trophy. In the very first year of the competition a certain Cuthbert Ottaway turned out for Marlow and just a year later he was to captain the national side against Scotland in the first ever officially recognised international match.

WELCOME MARLOW

Marlow have the unique distinction of being the only club to have applied for entry to every competition since its inception although they were unable to compete once in the 1910/11 season. In 1882 they reached the semi-finals where they lost out to eventual winners Old Etonians 0-5 at the Oval. Two Amateur Cup semi-finals and a host of Berks & Bucks Senior Cup wins were among many honours won in this golden age. In 1894 Marlow rejected the opportunity to join the newly-formed Southern League in order to retain their amateur status and allowed Tottenham Hotspur to begin their climb to the top flight by taking their place

The Club's ground until 1919 was Crown Meadow, now the Riley Recreational Ground. An enforced move to the Star Meadow (which was unfenced) and the worsening financial situation resulted in the need to play in a more local competition than the Great Western Suburban League and Marlow joined the Reading and District League. This was a dark period for the Club and worse was to come when the Club's long-serving Honorary Secretary Alfred Davis, who had held office at the Club since 1891, died in 1924. It was decided that a fitting memorial to him would be to provide a permanent home for Marlow F.C. An appeal proved to be very successful and the "Alfred Davis Memorial Ground" saw its first game in 1928. The picturesque grandstand dates from 1930's and followed the establishment of an Association who issued Share Certificates in connection with a Building Fund and was built to celebrate the Club's revival and the Spartan League Division Two championship.

Apart from a war-time break Marlow continued in the Spartan League until 1965 when entry was gained to the Athenian League Division Two. Promotion to Division One was secured in season 1970/71. Here Marlow remained until 1984 when they joined the Isthmian League. Having finished bottom of Division Two in 1985 the appointment of Mike Keen as Manager heralded a rapid rise in status. Promotion to Division One came the very next season and then after just one season in Division One the championship was won after a two horse race with Grays Athletic and along with it promotion to the Premier Division.

WELCOME MARLOW

Here Marlow found things much tougher and Christmas arrived without a win and from a position at the foot of the table r however a late season Houdini act saw them escape and secure their new-found status. When Keen left his assistant Dave Russell took over and brought in Laurie Craker as Coach. Under them good times returned and the Berks & Bucks Senior Cup was won for the first time that century with a victory over local rivals Wycombe Wanderers and the F.A Cup First Round was reached, also for the first time that century, with an away tie at West Bromwich Albion the reward. Season 1992/93 saw even more F.A Cup success with progression this time to the Third Round and a tie with Tottenham Hotspur that was switched to White Hart Lane where almost 27000 saw the Blues give a very creditable performance. The Diadora (Isthmian) League Cup was won to finish the season on a high note by beating Molesey.

1993/94 must rate as the most successful ever with Marlow again reaching the First Round of the F.A Cup where a 0-2 home defeat against Plymouth Argyle was featured on T.V, while in the league a highest-ever position of third was achieved. The Berks & Bucks Senior Cup was won again with a 1-0 win over local rivals Chesham Utd. to round off a highly memorable season.

At the end of that season Russell and Craker left for Slough Town and took several players with them. A new squad and slow start left a lot to do in the league and relegation followed. In the F.A Cup things were very different. The First Round saw Division Two table-toppers Oxford Utd. defeated 2-0 at Oak Tree Road and the Blues became the first winners of the Littlewoods Pools' Giant Killers award. After another home victory over Trophy holder's Woking secured a place in the Third Round Proper once again and a trip to Swindon Town, who had been in the Premier League the season before, where the home side were grateful to progress by a 2-0 scoreline.

WELCOME MARLOW

Season 1995/96 saw a finish in eighth spot but the following one got off to a terrible start from which the Club was never able to recover – and despite victories over virtually all the top sides, relegation was confirmed on the last day of the season. Russell returned for the following season and with him high hopes but the season proved to be one of under-achievement and a new team of Graham Pritchard and Derek Sweetman took over for 1998/99 and provided a period of stability which saw finishes in mid-table. Following the departure of Pritchard just before season 2001/02 Sweetman took over the reins and his first game in charge saw the capture of the Associate Members Trophy in a final held over from the previous season. The side finished the season in 9th position in the league – the highest for some time – before restructuring saw them move from Division Two to the newly-formed Division One North for season 2002/03 where an 11th place finish was achieved. In the F.A Trophy they progressed to the Third Round before going out at Dagenham & Redbridge. Marlow were moved yet again to Division One South and although inconsistent form saw them finish 16th in the league they again had an excellent run in the F.A Trophy which took them to the Fourth Round for the first time in their history. Several notable victories saw them through before a strong Tamworth outfit ended their run at Oak Tree Road.

The reorganization of the non-league game saw them in different surroundings for the fourth time in four seasons with entry into The Southern League, Western Division for season 2004/05 and a finish in 13th spot. Kevin Stone had moved into the manager's seat towards the end of the season and enjoyed a great run. 2005/06 and in the same league and in more familiar surroundings seemed to suit the side and for most of the season they hovered around the play-off positions and eventually finished in 6th spot. A play-off spot was confirmed on the final day of the season and although a 1-2 defeat at Brackley Town followed the Club were pleased with the progress. Season 2006/07 in the South & West Division saw a successful run of results promise another play-off berth but a last day defeat at Winchester City saw them fall just short whilst season 2007/08 was a little more disappointing with some very good results failing to offset a poor run around February/March with a final finish just outside the play-offs following.

WELCOME MARLOW

Season 2008/09 saw the Club moved yet again into the Midland Division and another inconsistent season followed finishing with a defeat to Windsor & Eton in the final of the Berks & Bucks Senior Cup at M.K Dons stadium. The following two seasons saw some good results against the top sides but indifferent ones against the lower teams and ended with mid-table finishes even though a bright start in 2010/11 saw them briefly at the top of the table. 2011/12 did not start at all badly but soon developed into one where victories were very hard to come by and following a string of poor results long-standing manager Stone left just after Christmas. Assistant Steve Croxford took over and although performances and results improved towards the end it was not enough to avoid relegation.

Season 2012/13 found Marlow in in the UHlsport Hellenic League with a new management team headed by Mark Bartley eager to recapture some of the glories of the past and this they did, winning the league championship by a 16 point margin and scoring 123 goals in 36 games to return to the Southern League where the next two seasons saw them consolidate with finishes in 17th and 11th positions respectively.

For 2015/16 Marlow were moved once again – to the South & West division – which again meant increased travelling and the loss of some key players and several local derbies, making life much more difficult and a mid-table finish was achieved. A return to the Central Division for 2016/17 aided a finish in 4th place (on goal difference) and achieved a play-off place, with third-placed Barton Rovers running out 2-0 victors at their ground. Season 2017/18 saw a mid-table finish followed by a return to the Isthmian League after a lengthy absence to take a place in the newly-formed South-Central division with a resultant reduction in travelling which is most welcome. Here generally good results saw them maintain a position near the top of the table throughout the season and qualify for the play-offs where they lost out in the semi-final to eventual winners Cheshunt 1-2 on their ground.. Back “home” the Blues have settled in and despite the curtailment of the next 2 seasons have retained the core of those players and added some quality for 2021/2022.

Last season saw an excellent start and a position at or near the top of the table throughout but a dismal run of results in the final months lost the early momentum. What it did do however was to highlight the quality of the squad and lead to many players being poached to join clubs at a higher level in the pyramid giving Manager Bartley the task of rebuilding the squad as he enters his eleventh season at the helm.

U18'S MATCH REPORT: WESTFIELD 1-1 NEWHAVEN (WESTFIELD WIN 4-1 ON PENS)

Westfield are through to the 2nd round qualifying of the FA Youth Cup for the first time in a good while after overcoming Newhaven on penalties yesterday evening at Woking Park.

The first half was an even affair with the visitors shading possession in a 45 mins of few chances.

The second period saw a more dominant display from Westfield but they went behind after 65 minutes when they failed to defend a deep free kick and the visitors tapped home.

Almost immediately the home side thought they had got back into the mach but Kayne Moyo was tightly adjudged to be offside.

Moments later though the striker was on the scoresheet heading home from Titus Lisk's cross.

Further chances to go ahead weren't taken and so the game went straight to a shoot out.

After Toby Sawkins opened the scoring captain Paddy Lima produced a great save to give Westfield the advantage.

Harry Brauner made it 2 and Newhaven blasted their kick over.

Titus Lisk made no mistake before Newhaven scored which left that man Moyo with the chance to be the hero and he slotted home to seal the fields progress.
