THE GAFFER

We've had a very busy summer working all the way through talking to potential new targets to bring into the club and also retaining the players we worked with the back end of last season, I'm really pleased on who we've attracted in preseason, So many players available but we've been looking for more senior players to help out our young lads out. Experience and players organizing in house is what we've been after and I'm confident we have that now in abundance.

The staff are very pleased with the guys we've brought in and will be looking to challenge for the play offs, The changing room is now buzzing which was lacking last season and the lads have bonded and become very close over a short period. On the playing front overall preseason has been great, unbeaten against good sides, players have locked into our style of play and have done everything we've asked of them. There's always areas that need improving but we are really pleased with the last 5/6 weeks and the lads have made good progress on the fitness front as well as the playing front.

We have a strong squad of 18 players currently and with the FA Cup approaching we are really focusing on putting in a good shift against a very strong Fisher side, we've had them watched and they pose lots of threats so it won't be an easy game. So we will need to be on it today to get a result.

Enjoy the game!

WELCOME FISHER

Originally formed in 1908, the Fish have a chequered history, including highs of taking on Bristol City in the 1st round of the FA Cup in 1984, playing Conference Football and towards the end of Fisher Athletic, winning the London Senior Trophy. The final few years of the old Fisher Athletic turned sour as the ground was lost and finally, in 2009 (five years after moving in with Dulwich Hamlet), the club was wound up by the high court.

A week later, following a successful meeting, a supporter's trust was set up to take control of the club. Renamed Fisher FC and continuing to play at Dulwich's Champion Hill, the club entered the Kent League and finished their debut season in 13th under the guidance of Gary Lisney.

Various managers (including Billy Walton, Martin Ford and Steve Firkins) have come and gone in the last few seasons bringing varying levels of success to the club (the most notable success being reaching the Semi-Finals of the Kent League Cup under Billy Walton in 2013/14, eventually losing 6-4 on aggregate to Beckenham, who went on to win the competition).

WELCOME FISHER

In December 2014, former Beckenham assistant manager Dean Harrison (the mastermind behind Becks' 2014 League Cup and Kent Senior Trophy double crown) took the reins. He brought with him a host of new faces and achieved the main task of maintaining SCEFL status with four games to spare, with impressive performances against more established sides turning more than a few heads along the way.

The club returned home to Rotherhithe just in time for the start of the 2016/17 season, with Gary Abbott taking over following Harrison's surprise departure in the summer. Abbott struggled to get things going on the field and was relieved of managerial duties in November. The club moved quickly to bring Harrison back to the dugout for the survival fight.

Despite a valiant effort, the club were relegated to SCEFL Division 1, and finished third in 2017/18 season, and were awarded promotion by the FA Leagues Committee, so will once again compete in the SCEFL Premier Division for the 2018/19 season.

A superb first season back at Step 5 saw the Fish finish 3rd in the league, having sat at the top of the tree mid-season. The club also reached the Semi-Final of the SCEFL Challenge Cup, and the Quarter Final of the Kent Senior Trophy.

Another shock departure from Harrison has seen the majority of that squad picked off to move on. After a brief spell under the leadership of Allan Fenn at the beginning of the 2019/20 campaign, Ajay Ashanike took charge and steadied the ship before the Pandemic brought the season to a premature end.

A very short 2020/21 Season provided us with a run in the Emirates FA Cup that saw us beat Horsham YMCA, then Tooting & Mitcham via a dramatic tie settled on penalties to set up a trip to Cray Wanderers, which saw us lose 3-1.

WELCOME FISHER

With things finally back to normal, the 2021/22 Season saw us finish our SCEFL campaign in 13th place. While success didn't come on the pitch in the cups, we enjoyed a night to remember against Brentford's B team in the London Senior Cup. The Bees won 2-0 as we set a new record home attendance of 425.

The 2022/23 Season brought much in the way of cup success, including a record breaking run in the Emirates FA Cup, with the club reaching the Second Qualifying Round and taking National League South side Welling United to a replay before bowing out in front of a record St Paul's crowd of 573.

A 59 game season was brought to a close with the Final of the SCEFL Challenge Cup, which saw us fall to a narrow defeat against Hollands & Blair.

The 2023/24 Season brings fresh hope and several new faces as we look to build on last season's achievements under the guidance of Ajay Ashanike and his young coaching team.

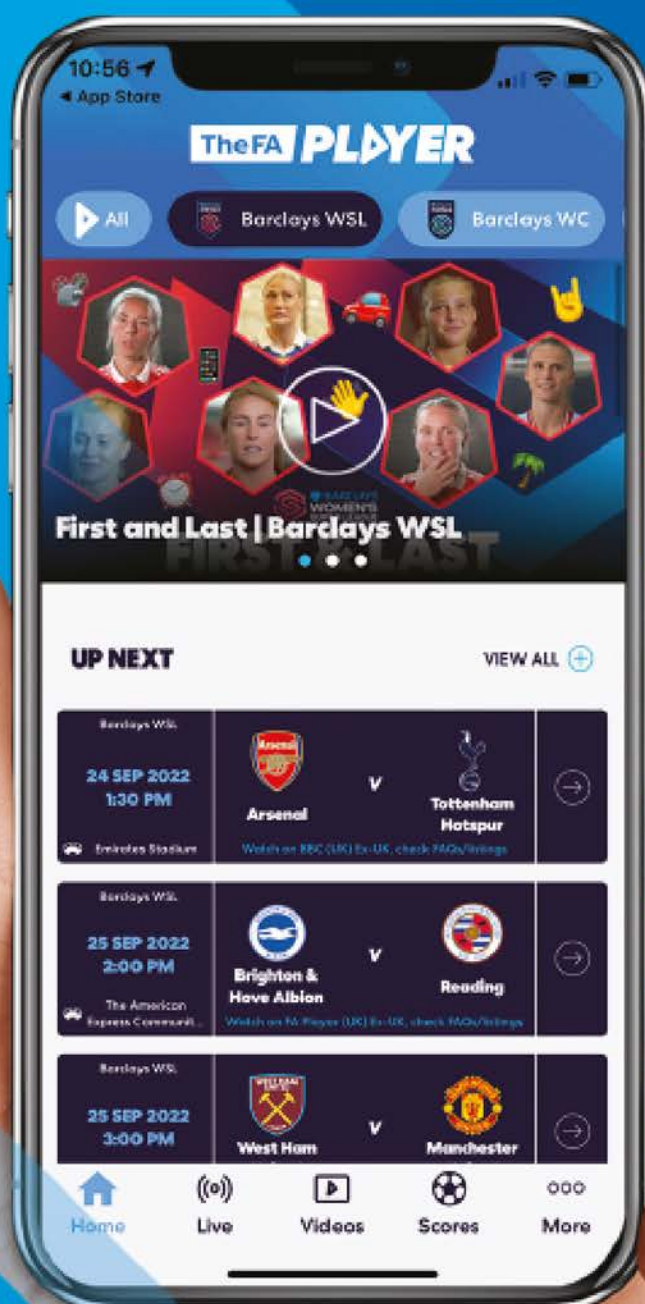

WELCOME FISHER

THE TREATMENT TABLE WITH *PRINCESS*

As a physio massively busy Summer with charity games. In May I did GOSH (Goals for Great Ormand Street) with a celebrity/ex pro squad, and my squad won it for the 3rd time ! Was at The Amex, Brighton, for another one - The Martletts Childrens Hospice, won that too lol. 2 cup finals (won both) and a league win for AS Crawley (Sussex). So been incredibly busy, and already preparing for GOSH next May !

Back to Westfield - we have had a great pre season with Sells, Mick and Dave steering the ship ! The players this season are in good shape as all of them have been training themselves during the break, and fully complying with programs that they have been sent by Dave.

Injury wise we're in a good place - a few cases of tendinitis in knees and achilles due to hard ground, but nursed everyone through ! Apart from that, nothing serious at all. Really looking forward to Cup games and start of season.
