WHITEHALL RFC 2021/2022 SPONSORSHIP PACKAGES

Our Story

Whitehall rugby club has deep seated roots within our community. We're a club that prides ourselves on our togetherness and inclusivity. We have a large senior men section and a thriving junior section ran by passionate volunteers.

The main goal is to serve our large rugby family by playing an active role within our community, supporting families and create a sense of belonging. We want to inspire through our rugby, promote team work and sportsmanship.

Why Sponsor?

Through our commitment to our community you can become a credible partner and connect to your target audience. We can offer local brand exposure via our vibrant social media platforms, and audience engagement on match days and all our social events.

As we're a non-profit you are able to claim tax relief, and you'll be rewarded with the sense of goodwill that you're enabling lots of people to play rugby. We have a functioning relationship with all our sponsors to make sure both parties are getting total value.
