# Welcome

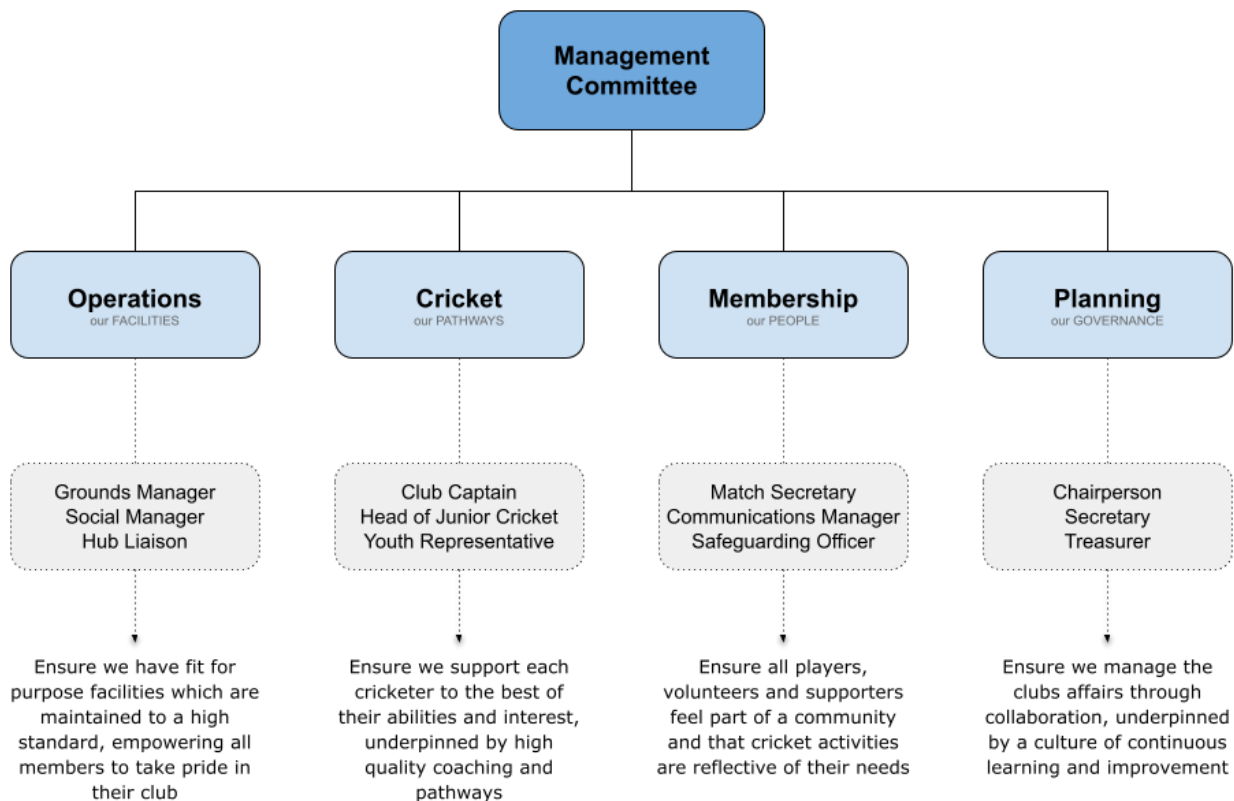

Hi,

Glenrothes Cricket Club, founded in 1957 and considered to be the oldest sports club in the town, is based at Gilvenbank Park (accessible via Pitcoudie Avenue) in the North of Glenrothes.

Our aim is to be a community-focused club, providing high quality cricket facilities and environments which are engaging, accessible and affordable to all. This is underpinned by the values in which we want everyone to operate:

- **FUN** : Play with a smile and encourage others to have fun
- **ENJOYMENT** : Place enjoyment for all above win-at-all-costs
- **RESPECT** : Underpin everything with a deep rooted ethos of honesty, integrity and mutual respect

Our governance structure reflects the four key priorities of our club, against which we have a number of action groups we ask players and members to support. Our priorities are in providing the best environments we can for our facilities (Operations Group), our pathways (Cricket Group), our People (Membership Group) and our governance (Planning Group).

## **Training Sessions**

Cricket training sessions will take place every Thursday evening throughout the summer months at Gilvenbank Park (KY7 6RB) in Glenrothes. We also undertake indoor sessions over the winter, most typically at Cluny Activities.

Our training sessions are open to everyone, and we can supply all necessary equipment if required. All you need to do is show up with a willingness to participate and have fun (though wear appropriate clothing and footwear for general sports activities).

Full information on timings, and venues for indoor activities, is regularly published across our social media channels.

## **Our Coaching Commitment**

Our coaches commit many hours of direct coaching, personal development and administrative duties in delivering cricket activities within our club (including the Glenrothes Gladiators junior programme) and in widening awareness and increasing participation across the wider cricket community. We are hugely appreciative of the entirely voluntary support they provide.

Coaching is primarily based around enjoyment and places an emphasis on both cricket skills and wider fitness. Outdoor sessions make use of the grass areas as well as the all-weather cricket nets.

We will ensure that all cricketers take part in activities that are appropriate for their skillset and confidence levels.

## **Games and Competitions**

We have two senior teams which typically play on Saturday's (occasional Sunday games) as well midweek evening games.

The 1st XI play in the Breedon Strathmore and Perthshire Cricket Union (SPCU) Division 2 in 40 overs a-side games starting at 12pm on Saturday's. The 1st XI also take part in midweek cup competitions including the SPCU Trophy and the Fife Cup.

Our 2nd XI currently play friendly games, typically on Saturdays also as well as some midweek fixtures also. These are more focused at a "recreational and development" level to give game time for those looking for a more leisurely game and to support our younger players as they transition into senior cricket.

We use our club website to plan all our fixtures and ask that players record their availability there in advance - and respond to any notifications of selection.

We ask every player playing in games to place as much focus on their off-field contributions as they do in playing the game. This means helping with ground set-up and clear-down before and after games, keeping the clubhouse (shared through our partners Glenrothes Community Sports and Health Hub) tidy and where appropriate bringing "teas for two" to Saturday (and Sunday) games - things like sandwiches and biscuits, enough for yourself and a player from the opposition.

## **Club Clothing**

The wearing of "cricket whites" is now being phased out through a requirement made by our national governing body, Cricket Scotland. As such we wear coloured clothing for all our games.

For 2023, we are using yellow playing shirts the club has held for a number of seasons. These are provided for free by the club for use on match days, and we recommend that black or dark coloured tracksuit bottoms are worn with these. Players are of course welcome to wear cricket whites should they wish.

We can also provide club teamwear including caps, hoodies and training shirts at cost.

## **Website and Social Media**

Our main club website at [www.glenrothescc.co.uk](http://www.glenrothescc.co.uk) is our primary resource for all information about the club, particularly the policies and procedures we have put in place to demonstrate our commitment to safeguarding children and vulnerable adults and delivering cricket activities in a safe way. We also aim to proactively use the site to promote the club and its news and activities to our members and the general public.

We try to be active on social media, through our own Facebook group page (<https://www.facebook.com/GlenrothesCC>) and on Twitter ([@GlenrothesCC](https://twitter.com/GlenrothesCC)) where we will keep you informed with the very latest news. These are our main communication channels and would encourage you to like, follow and engage with us through those as much as possible. The more likes, shares and retweets you provide helps raise awareness of the club and hopefully encourages more people to give cricket a go.

We also utilise other routes like Facebook Messenger and WhatsApp chat groups to keep in contact with all players. We aim to use website, emails and social media channels interchangeably in keeping everyone informed regarding training dates, matches, cancellations and various social events.

## **Membership Rates**

All our cricket sessions and matches are offered by the club at what we hope are very affordable rates (see <https://rebrand.ly/GCCMembership>), underpinned by a club commitment to ensure cost is not a barrier to participation and to offer discounted rates to those in need. We hope you will enjoy and recommend it to their friends.

If you have any questions then please contact me or any other committee member - information available on our website.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Nic Krzyzanowski'.

Nic Krzyzanowski
