What is Player Sponsorship?

Player Sponsorship is a way that local businesses and individuals can support our players by contributing to both club membership, playing fees and kit packages for the season. Sponsorship for 2022-23 season is £200.

Benefits of Sponsorship

- Company logo/name on team sheets displayed across our four social media platforms
- Company logo/name on the Club Website
- Invite to Sponsors Day
- Additional exposure should the player win any awards over the season.
- Dedicated 'Thank you' post on all platforms at the end of the season

Our four platforms and website have a weekly reach of over 8500 people and this is still growing! Attracting a cross-class ABC1 audience in the local area – our audience could be your new customers!
