

## **OPHIR R.F.C.** Environmental Policy and Statement

Ophir RFC is committed to reducing our impact on the environment

Ophir RFC is committed to

- Reducing energy use through ensuring that we use energy saving products and materials
- Reusing or recycling wherever possible
- Purchasing environmentally sustainable materials where possible.
- Encouraging environmentally friendly transport and encouraging car sharing
- Using natural resources in a wiser and fairer way.

Our environmental policy statement aims to set out what we are doing, how we are doing it and ensure that we review to improve our current policy and practice. We plan to monitor our environmental policy and report progress annually through the Management Committee.
