## Read & Black Newsletter - Jan 2018

### President's Chatter

At the midway point of the season, we have a lot of positives & excellent progress to report on for the Ladies & Junior sections, but not for the Men's unfortunately. The section still needs to appoint a Club Captain, 2's Captain, 3's Captain, Fixture Secretary and Membership secretary, which is a disappointing state of affairs. Not surprisingly, it has been a struggle to field 4 Men's sides each week & the results have been poor. So Gentlemen, can myself & the AHC committee please ask all of you to try & help to remedy this situation. If you think you can help in any way at all, please let Ian Jenkins or myself know. Gordon Smith & Peter Cottrell, have been putting a lot of time & effort in, as did Alex Betts (whilst he was Men's Club Captain for the first part of the season) & a few others, but we desperately need more of you to help please, if we are going to maintain 4 teams and keep the section running. There have also been problems with the Men's coaching which we are trying to resolve to ensure all teams continue to receive suitable coaching. The upside has been the excellent Ladies results, numbers playing each Saturday & attending training on Wednesday evenings, where new coach Steve Maloney has proved an able & popular assistant to Adam Wilkins. Particularly pleasing, has been the re-establishment & success of the Ladies 4's, so thanks to Ali Donelan for skippering the side & to all the other Captains & those involved in moving the Ladies section forward. Unfortunately, Vanessa Law had to stand down from her Club Welfare & Secretary duties, so thanks are due to her for all her efforts. However, several Ladies have stepped forward to take on Committee roles this Autumn, namely, Cal Antell as Secretary, Lara Ranger as Press/Publicity & Recruitment Officer (love the AHC tweets, please keep them coming), & Nicky Benedict as Ladies Membership secretary - many thanks all & to all other post holders. The Juniors have also been doing well & we have a lot of enthusiastic new coaches & helpers. We have secured some notable wins against big Clubs at different age groups, which will be expanded on elsewhere in the Newsletter. Very pleased to report that subscriptions are coming in more readily this season, but we need to have a big drive to raise funds for the future replacement of the astro surface (the current one is now 5 years old) & possibly other projects such as laying a multi sports playing surface on the hard play area. Please sign up to the Easy Fundraising site & Astro draw if you have not already done so, to help boost Club funds. Details of both are included within, along with the full playing records for the senior sides, which are show in the table at the end of the Newsletter.

Moving onto Ashford (Short Lane) Sports (A(SL)S) matters, the 4 remaining floodlights on the A30 side of the pitch have just been refurbished, so we have now replaced all 8 units which were originally installed in 1998, with AHC & A(SL)S paying the costs between them, rather than obtaining grants. The hedge on the far side has also been trimmed back to hopefully allow more sun on the pitch on frosty mornings. New curtains (thanks to Elaine Doggett) have been hung in the Members bar, a new sound system & lights, along with some tables & chairs installed in both bars & some chairs in the Boardroom. Heating & hot water problems are still ongoing, but Chris Evans, Mark Doggett, Keith Nash & others are working hard as always to maintain & repair things. Iain Bothwell & Doreen Brown have also done some sterling decorating work. The Function room bookings & takings are still good thanks to Gary Denne, Colin Dyos & others, but bar takings are down and maintenance costs are rising. Therefore, help from all members is still required, but thank you to all AHC members who have helped to cover the voluntary bar shifts so far this season. Finally, may I wish everyone a happy, healthy 2018 let us all make it a good one for the Red & Blacks pitch - Lynne

## The Season so far

### Ladies

In summary a positive first half of the season full of many highs for the AHC Ladies. Going into the season back in September we were re-establishing the 4<sup>th</sup> team, both the 2<sup>nd</sup> and 3<sup>rd</sup> teams launched into new leagues having been promoted and meanwhile the 1<sup>st</sup> team were looking for a strong start to replicate last season's good form.

Starting with the **Ladies 1s**, after opening the season with a narrow loss they then excelled with 4 victories on the bounce gaining real momentum. This included a 5-1 victory away at Eastcote as their biggest victory of the season so far. This streak was then followed by two draws including a tight game against local rivals Staines. They have since struggled to pick up form whilst being hit with an extensive injury list which left the festive break well timed to recoup and prepare for the second half of the season, where they look to replicate their early season form.

For the **Ladies 2s** having gained promotion to Division 2 they really announced themselves opening the season with 5 straight victories including a haul of 26 goals in 5 games, with only 7 in reply from the opponents. The forward line have been clinical in the attack with many teams being dispatched in the second half of games, following close first half battles. This run included many impressive victories such as a 6:2 win against former Division 2 rivals Indian Gymkhana. This planted them at the top of the table but with both Hampstead & Westminster 4s and 5s in hot pursuit. Following top of the table clashes against strong opposition, they have since slipped to 3<sup>rd</sup> place but have showed some real character against the tougher opponents. The 2s will be hoping to reverse these recent results in the second half of the season to continue their progress.

Moving on the **Ladies 3s**, they too gained promotion moving into Division 2 and are sitting impressively in 4<sup>th</sup> place at the half waypoint. They have totted up 7 wins and have the least losses of all AHC ladies teams with just 3, which is a tremendous result for the newly promoted side. The biggest victory was clearly the feast of goals against West Hampstead 5s which saw an 11:1 victory for the Red & Blacks. But perhaps more impressive was the hard fought 3:2 victory against Teddington 4s and resolute defensive performance that earned a draw against promotion chasers NPL 1s.

Last but not least, the **Ladies 4s** who have grabbed the AHC headlines as of late being undefeated throughout both November and December. This great run has included 3 back to back victories with a storming 12:0 victory versus Old Merchant Taylors as the biggest victory across all the ladies teams. The team includes some great AHC prospects for the future and some of the results have shown real character from all involved. They will be looking to charge into the second half of the season replicating their form and maintaining their 5 game unbeaten run.

### Top goal scorers so far:

Team	Top Goalscorer	Number of Goals
Ladies 1s	Caitlin Davis	6
Ladies 2s	Maria Cavilla	11
Ladies 3s	Gillian Clegg	12
Ladies 4s	Hollie Neyton	5

## Mens Season So Far/Chairman's Chatter

The first half of the season for the Mens Section has been a mixed bag but not without its positive elements that can allow us some cautious optimism although a lot of work needs still to be done. The prospects for the season were very much coloured by the loss of some regulars who have moved away or who were unavailable for work reasons. The **Mens 1st Team** were amongst the hardest hit by the loss of players and certainly got off to a slow start. However the team are on currently on a five match unbeaten run and are in the mix of teams in the league all of whom will either have a chance to be promoted or have a say in who is promoted. During this run the 1's recorded successive away wins against current league leaders PHC Chiswick and local rivals Eastcote. In MBBO 1, 7 points separate the Top 9 teams so the team can certainly build on their league position. (W4/D2/L5)

The close season losses to the 1st Team squad have meant that many of the 2's, 3's and 4's players this year have been playing a grade higher. This has certainly proved to be a collective baptism of fire but not without some high points. The **2nd Team** have certainly been on the back foot for a few games this year but recorded an encouraging late clean sheet away win to OMT in November followed by a thumping of Ramgharia at home the following week 5-2. Notwithstanding some mismatches there have been some encouraging performances by our Juniors in the 2's and this experience I am sure will prove invaluable. (W2/D0/L9)

The **3rd Team** have the luxury in of being in mid-table obscurity and in some games I have umpired have not got their just rewards for some attractive hockey. The 3's had an unbeaten run of their own in November of 3 games including a clean sheet, 1-0 away win in distant Abingdon. The Team is showing a great mix of youth and experience. (W4/D1/L6)

The 'pick' of the Mens Teams this year has undoubtedly been the **Men's 4's**. They sport a 6-1-2 record and are on a three game unbeaten streak. The team is an eclectic mix of juniors and veterans that according to Captain Gordon have been playing some 'decent hockey and enjoying it'. Some old familiar faces have been seen with a whistle for the 4's this year including such luminaries as Yazdi Merchant, Raminder Vig and lately Steven 'Klaus' Nunn. On the umpiring front Thanks to all those who have assisted. The Club will be running an Umpiring Course in the New Year to encourage more of us to experience the joy of umpiring.

The eagle eyed amongst you will have seen that the South website has listed the leagues' all time goal scorers. AHC are the only Club to have two in the Top All Time list. Jamie McFarland is second with 256 whilst Saj is eighth with 220 and counting. Saj is also the only two-time member of the '50 Goals a Season' Club. I am sure that these are records that our Juniors will challenge in time.

However encouraging it is to see some many of our Teams showing great resilience and whilst it is similarly rewarding to see so many AHC Juniors shining at all levels, the burden of running the Mens' side is falling on too few shoulders. Luke Cottrell, Alex Betts, Adam Wilkins, Peter Cottrell (as 2's Manager as well as Junior Manager), Daniel Hakl, Chris Lunn, James Berressem and Gordon Smith have all done stellar work and have put in some long hours. Grateful Thanks. We are operating without a Club Captain, a 2's and 3's Captain as well as without a Fixtures Secretary. This means that those who are in the 'trenches' are having to work disproportionately hard to turn out 4 teams each week. In addition it should be mentioned that the Mens Section is being bailed out by the Ladies in many areas. I will be pressing the Mens Section for volunteers to fill these gaps in the New Year as well as press for Men to take a more active part in the Committee. Currently the Mens Section is woefully under represented. I would ask you all to all kindly take stock of the work that is needed to get out 4 teams a week and volunteer to carry some of the burden even if it is in a 'job share' situation? To close on a positive note our Junior section is flourishing and will provide a pipeline of great hockey talent. Lets support this great momentum within a Mens Section that is fully stocked and fully committed.

AHC is a special place so let's continue to shine. In closing Happy New Year to you all.

**Ian Jenkins (Sherpa) Chairman.**

### Colts' Report

Our Junior Membership dropped to 72 a few years ago and I'm pleased to report that numbers have now risen to 139 and that we are getting a steady flow of juniors into the senior teams which is the sign of a healthy junior section. We still have a high churn rate of players so it is essential to keep the process of recruitment going. There is a tendency for weaker and less committed players to drop out and for stronger and more committed players to stick and improve which helps to bring strength to the club.

The GU16 moved up into a tougher this year and are holding their own against some high calibre opposition. We've not been able to turn out a BU16 this year but numbers have been very good in the BU14 and BU12 so that we now can turn out a BU14 team and a BU12 team at the same time which is something that we have never been able to do. We hope to turn out 2 BU14s next season. In every team we have some strong players and so there is a chance of a result against most clubs we play.

We are still a long way off Surbiton who have 10 times our numbers and who charge 4 times our subs but we are headed in the right direction but everyone can help by getting children of friends, relatives, work colleagues and neighbours to play. We also need help in recruitment from schools. Congratulations to Caitlin Davis, Emily Bashford, Nadia Parsons and Jack Barber for their selection for the Middlesex JAC squad (apologies if I've missed anyone but I've not had official feed back from Middlesex as yet).

Many thanks to our junior coaches Jackie, Jo, Claire, Charmez, Kelly, Lenka, Jade, Ian, Dan Lee, Dan Haki, Bubbles, Matt, Shamsheer, Tanvir and Gordon also thanks to Michele Jennings, Ian McAllen, Steve Smith and Klaus Nunn for umpiring.

***Peter Cottrell-Junior Coordinator***

### **Umpires**

Thank you to all those that have umpired so far this year, you really are appreciated even if the players do not sometimes show it ;-)

We need to do some recruiting for more umpires, so if there is anybody interested in doing their Level 1 Umpiring course, then please let us know.

### **Training 2018**

Tuesday - Juniors recommences on 2<sup>nd</sup> January 6.30 -7.30 pm, lower team men 7.30-9.30 pm

Wednesday - Senior Ladies recommences 3<sup>rd</sup> January 7.30-9.30 pm

Thursday - Juniors recommences 4<sup>th</sup> January 6.00- 7.00 pm, 1<sup>st</sup> team men 8.00 -9.30 pm.

Sunday recommences 7<sup>th</sup> January-09:30-11:00.

### **Social News**

The social festivities included the Men's Christmas Jumper event and also a well-attended dinner and drinks from the Ladies, thank you to Kim Downs for organising yet another great evening.

The Ladies also have an upcoming tour with the Sniffers undertaking a 25<sup>th</sup> anniversary event returning to Western Super Mare over Easter weekend. So far around 20 people have committed ensuring it's going to be a great weekend but it's not too late to make your best decision of 2018 and sign up to join.

### **Weddings/Engagements/Babies**

October was a busy month -

Former member Hannah Cole (nee Stokes) gave birth a Louise 5lb 6 oz on 16th and mother and daughter are doing well.

Meanwhile Kelly Taylor got engaged to Charlotte Irwin.

December has also seen some last minute 2017 arrivals...

Long time AHC 1st team players and Club members Graham and Sophie Smart announced the birth of their 3rd child and second daughter Maisie weighing in at 9 lb 10 oz on 29.12. All are doing well.

On the same date (29.12.17) Freddie became a Mummy giving birth to a baby boy at 6lb 9.6oz.

Congratulations All!

## AA's Chatter by LM1

- \* Aussie exile Dave Greenfield returned to his Ashford roots in the summer for a visit & had a reunion at the Club. In addition, the Cotton family are flying home for Christmas, so we hope to see Bruce, Po'line & the girls at AHC at some stage.
- \* Vice President Ram Vig has visited the Club once so far this season & attempted to umpire a Men's 4's game. The jury is still out about his performance with the whistle!!
- \* Former junior & Ladies 1<sup>st</sup> team keeper Leanne (le Sarg) Sargeant has temporarily stopped her rugby career & is back between the sticks playing for Bedford Ladies in the Eastern Conference League. She played against Wimbledon Ladies the other week & GB gold medallist Crista Cullen put 4 short corners past her. Leanne reckons she didn't see any of them leave Crista's stick, just heard all 4 hitting the back board!
- \* Former men's 2's regular & top scorer, & more recently Ladies Club Coach Kevin Cuffe made a brief return to hockey when he turned out for the Men's 2's earlier in the season. Unfortunately, a long term knee injury problems have not seen him return for further games as yet.
- \* Another returnee was former star AHC youngster Dominic Hillman, who brought his Dad & former AHC umpire John back down to the Club as well early in the season, but neither has returned as yet.
- \* Ex Ladies 3's skipper & player Mel Carrier married her long time girlfriend in November & is now Mrs Steed. 1's regular & big friend Nicky Benedict was one of the bridesmaids, congratulations Mel.
- \* There was a mini AA's reunion the other month when Basil (Peter Cottrell), Handbag (John Tomkins) & David Cowperthwaite all accidentally met at a local Council tip, but were rejected as they were non-recyclable - only joking boys!
- \* I met up with the lovely Peuleve's for a coffee in Walton last month as both are now retired. Try as I may, I could not persuade Bernie, who was an AHC 2's regular, a great tourer & cultured player to pick up his stick again or to persuade Catherine to return to spectate. We hope to get them down to Short Lane for a social visit in 2018 though.
- \* Unfortunately the golden AHC boys from the 70's/80's, Club vice president Jeff Meers & Club life member Martin Smith have both suffered from ill health in 2017. Hope you are both on the road to recovery, & hope to see you both again soon.
- \* Another star from Martin & Jeff's era, a trim Peter Curzon was at the Club recently to attend a wake, & he sends his best wishes to all who remember him from his playing days at Woodthorpe Road.
- \* Ladies 2's vice skipper & former AA's YTS member, Detective Constable Kimberley Downs received a Chief Constable's Commendation in September. It was for "Her unrivalled dedication and support to the LGBT community, taking ownership of the issues that faced them & has proved herself to be a passionate individual, demonstrating strong leadership which will continue to improve the lives of these historically hard to reach groups". **Congratulations** Kimme, you really are a star on & off the pitch & beat!
- \* Twelve AA's met for their pre Xmas coffee date at Notcutts, Staines recently & to exchange greetings, gossip & a lot of laughter. Epic matches & car journeys were recalled & Tracy (Sybil) Cottrell brought us all up to date on her latest horse riding exploits and injuries.
- \* 70's/80's regular lower team player, long time Leeds United FC supporter & constant tourer Steve Nunn, has recently taken up umpiring again for AHC. Good to see you back Klaus x.
- \* The annual AA's Christmas Challenge cup game v Sunbury Stars of the Past was played at AHC on 16<sup>th</sup> December. A large crowd turned up to watch a strong AA's side take on the might of Sunbury Hawks in a fast & open game. The score at half time was 1-1, with hot shot Gillian Clegg securing the AA's goal from a penalty flick. However, the introduction of 2 male substitutes by the visitors changed the face of the game & we lost 4-1. The get together after & visit of Santa on his sleigh was superb as always & for the AA's team & supporters it helped to soften the defeat a little!
