

GCA – NOBLE HOUSE SEAFOODS TWO-DAYS 2ND DIVISION COMPETITION

Addendum To Playing Conditions:

Resolving A No Result In Final.

In the event of competing teams unable to achieve an outright result or a lead on first innings in the final of the competition, then the winner of the competition will be determined in the following order of priority:

1. The team in the final that finished the league competition (before semi-finals) **with the most points**.
2. If equal on points then the team with the **most outright wins**.
3. If the two teams have both equal points and equal outright wins, then the team which was the **winner of the match played between them** will be the winner (if no outright winner then the leader on first innings).
4. If there was no winner the team that got the **most bonus points** from the match played between the two teams.
5. In the highly unlikely event that teams cannot be separated by 1 - 4 above then the teams will compete in a **bowl out** to determine the winner. Five (5) members of each team (players that played in the match) will bowl one delivery each at the stumps as in a match (hits off no-balls will not count and are not re-bowled). The team with the most hits will be the winner. If still equal then the bowl out will continue in a “**sudden death**” manner (first team that misses after each team has bowled equal deliveries) with the other members (those that did not bowl before) of each team.
