Hemel Hempstead Town FC this week confirmed that Sir Mike Penning MP, previously on loan from the House of Commons, has been signed up as President.

Kerry Underwood of shirt sponsors Underwoods Solicitors joins as Vice Chairman having previously been out of contract everywhere.

Manager Dean Brennan, welcoming these signings, saw the two key men as squad members and suggested that their fitness levels needed working on.

“They do strengthen both the right and left sides of our squad.”

Chairman Dave Boggins, expressing his delight, was particularly pleased that the signings were for an undisclosed sum of nothing and that neither would receive any pay.

On a more serious note Dave said

“This club has been my life for a long time and now we have a real chance of promotion to the National Conference. Sir Mike Penning and Kerry Underwood do a great deal for this football club and I am very pleased that they have both joined us in an official capacity – and they were free signings!

Onwards and upwards!”

Sir Mike Penning commented

“I love all sport and I have always helped the Tudors whenever I can, so to be asked to be President of the club is a great honour to be part of its future.”

Kerry Underwood added

“Like Sir Mike, I love football and love Hemel Hempstead. Although a Londoner by birth, this has been my home for 30 years now.

I am delighted and honoured by this appointment and will do all I can to help the off-pitch development of the club to keep up with what Dean, Stuart and the lads are achieving on the pitch.”
