KEEP IN TOUCH

Marlow RUFC Student Programme

If you are in residential further or higher education, but want to continue as a member of Marlow Rugby Club during your studies why not sign up for the “Keep in Touch” programme.

The programme is designed to provide you social and game time with your mates in the holidays, whilst allowing you to continue the benefits and protection offered by Club membership.

We want to keep players of all abilities and motivations involved whether you want to play competitively or socially.

You may only want to play in fixtures in holidays. Some of you may want to return at weekends and play for Senior teams when visiting home.

If you have any queries please speak with Sian Clarke (current Academy) or Ali Buckle (existing students). To register for membership please go to the attached link:

<http://www.marlowrugby.co.uk/a/keep-in-touch-52152.html>
