Do you know of any talented U-9 cricketers?

Surrey County Cricket Club is once again asking Cricket Clubs and Schools to nominate their most promising U-9 players, who they feel should be considered for U-9 District and/or County Age Group (CAG) Cricket in 2014. Players should be U-9 in the 2014 season, in other words born after 31-Aug 2004.

Last season we received around 160 nominations, from which many players went on to play U-9 District and CAG cricket.

You will find a Nomination Form at the back of this document, that cricket coaches at clubs and schools can use for each player they wish to put forward. The deadline for submitting a nomination is **Monday 31-March 2014**.

Once we have received completed nomination forms we will contact each player to invite them to a particular assessment, which will run throughout school Easter holidays in **April 2014** (see below).

The 2014 Assessment dates are: **14-April, 15-April, 16-April 2014**. Once again they will be held at Long Ditton CC and players will be invited to one of these dates (morning, 10am-1pm or afternoon session, 2-5pm) upon receipt of their club/school nomination.

The diagram above shows the potential Player Pathway for cricketers within our programmes, from U-9 players nominated to us by schools and clubs right up to players leaving the Surrey CCC Pemberton Greenish Academy and moving into the professional game. Whilst these series of assessments are aimed at U-9 cricketers in 2014, if clubs and schools have particularly promising U-8 cricketers they can be nominated to attend these assessments too.

What happens following the assessments?

Once we have completed the assessments, there will be a variety of cricket activities that a number of players will be asked to get involved with over the summer, which could include:

- Attending U-9 Performance **coaching courses** during the summer.
- Playing for one of five U-9 District sides in the **U-9 District Cricket** match programme (between 8-June and 6-July 2014)

- Playing in a series of **combined District Cricket** matches following the competitive matches (from 20-July 2014 onwards)
- Playing for **Surrey U-9's** against other Counties (from 6-August 2014)

What happens after the summer?

Following the culmination of the 2014 season, we will once again run a series of indoor coaching courses over the winter (from Oct to Dec 2014 and again from Jan to Mar 2015) to which we will invite a number of players who took part in the 2014 U-9 summer activities. This will lead into players being considered for U-10 District Cricket in 2015 (and from there potentially into the County U-10's).

For those players who aren't selected into Surrey CCC activities during the 2014 summer (following the assessments in April 2014) we will inform them of the Surrey CCC Junior Coaching Courses which run during the 2014 summer; from Oct to Dec 2014 and again from Jan to Mar 2015. These courses will provide an opportunity for those players to receive valuable coaching in order to progress their development and skill level and are organised and delivered by Surrey CCC.

If you have any questions or would like to discuss anything further please do drop an email in the first instance to **performance@surreyccricket.com**.

SURREY CCC U-9 ASSESSMENTS 2014

Cricket organisers at cricket clubs and schools in Surrey should use this form to nominate promising young cricketers that they consider to be of representative cricket standard.

The nominated players should be in school years 3 and 4, i.e. born between 1-Sep 2004 and 31-Aug 2006.

Nominations should be sent to the address at the bottom of this page and should be received by Monday 31st March 2014.

There is a £5 fee for attending an assessment, which should be paid on the assessment date itself.

(Please fill in BLOCK CAPITALS)

This PDF can be completed electronically, saved and emailed back to performance@surreyccricket.com, which may make it easier for you. Alternatively, please print, complete and post it to the address at the bottom of the page.
