NOTES FROM THE DUGOUT

Good evening everyone and a very warm welcome to the management, players, officials and fans of Cambridge United FC.

Clem & I have overseen two games now, one against Histon FC & most recently Ilkeston Town FC. Two teams at either end of the table, but our end goal remains the same! 3 points from 6, but more importantly we have shown desire, determination & character throughout both. At 3-2 against a very good Ilkeston side, we had them on the back foot but it just wasn't to be on the day, a score line that flatters them, but one we must learn from.

Tonight we turn our attentions away from the league and focus on the Cambs Invitational Cup, with a target set of hopefully a final under the lights at the Abbey. First, we must overcome a young, technical, hard working Cambridge United side, who, across all teams whether it's the 1st Team or the Youth Team are on a fantastic run of form and we look forward to hosting them tonight. Football is about momentum & consistency and that's the approach we will take. We are fully aware, the game ahead will be very tough and everyone must be at the races to get a positive result.

I hope everyone enjoys tonight's game, here's to another positive performance !

All the best

Grovesy & Clem

NOTES FROM THE CHAIRMAN

Good evening and welcome to all from Cambridge United for what points to be an interesting Cambs Invitation Cup tie. From playing Leeds Utd last week they are now here at The Lane and this should be a real challenge for all involved.

There will no doubt be some local interest in the Cambridge team with Kai Yearn involved and as they all embark on their early professional careers we wish them every success and hope they stay humble.

On Saturday we went down to the best team in our league but not before we frightened them. The team have moulded together so quick, which is a testament to the management team and their coaching skills. Impressive debut from the substitutes and a second home goal in two games for Olly Ward are highlights.

Off the field you will see the changes to the main stand, due for completion this month, and other aspects continue to improve. I'm delighted with the committee support and effort with just one thing missing from the club now, which is an average home crowd of 200+. This coming Saturday Ilkeston host Halesowen at the top of our league and expect t a crowd of 3000+. So the match income matters and through this you can see why Ilkeston have ex-league players scoring world class free kicks and strikers that chased and harried all game with skill and energy.

So if you have a friend or neighbour tell them about us and bring them along. We all love a game under lights and we have a lot to play for this season.

Enjoy the game tonight and fingers crossed we are in the hat for the next round before we travel to Carlton, Nottinghamshire this Saturday. Another tough game but one with this team we can surprise them and even our own supporters, who have been brilliant.

Come on you Greens'

SOHAM TOWN RANGERS

A brief history

Soham Town Rangers were formed in 1947 as a result of a merger between Soham Rangers (Formed 1919) and Soham Town (Formed 1920). The Julius Martin Lane ground, which at the time was the home of Soham Town, is still the home of the club today, after it was purchased in 1952.

The new club started life in the Cambs League, also running a Reserve team. In 1956, they joined the Peterborough League where they were to remain until 1963. During their time there, they won the league and the league cup on three separate occasions. A measure of the level of support enjoyed by non-league clubs in those days was the fact that on their first home game of the season, on August 22nd 1956, a local derby against near neighbours Ely City, over 500 match day programmes were sold - Unfortunately, the 6-2 drubbing for the hosts took the shine off the day.

The club joined the Eastern Counties League in 1963, and remained there until 2008. During this time, considerable ground development has taken place - The social club was built in 1968, new dressing rooms and showers were erected in 1979, along with a grandstand extension. In 1981, a lounge bar extension was added to the social club. Floodlights were erected in 1983, and were inaugurated by the visit of an Arsenal XI in front of 1200 spectators. A new grandstand eventually replaced the original wooden structure at the beginning of the 1990's, whilst various other developments have taken place in order to qualify the club to compete at step four in the non-league pyramid.

Soham enjoyed considerable success in the Cambridgeshire Invitation Cup during the 1990's, winning it on three separate occasions, including for the first time in their history in 1991 defeating March Town United, before repeating the feat again in 1998 and 1999 against Wisbech Town and Newmarket Town respectively. The Greens were also the first winners of the Eastern Counties Millennium League Cup, when they defeated Diss Town on penalties in the final in 2001.

The 2007-08 season was to be the club's most successful season to date winning the Eastern Counties Premier Division for the first time, beating nearest challengers Needham Market 4-0 on the final day of the season to clinch the title in front of 680 spectators at the Lane, and with it promotion to the Southern League for the first time in their history.

In the first three seasons in the Southern League, Soham recorded finishes of 15th, 11th and 17th. At the end of the 2010-11 campaign, Ian Benjamin, who had been at the club for six seasons and was in charge of the 2008 title winning side, stepped down from his position as 1st Team Manager.

Soham transferred to the Isthmian League Division One North for the 2011/12 season with former striker Andrew Furnell returning to take over as Player/Manager. However with the Greens languishing near the foot of the table, Furnell was replaced by former Histon Managers Steve Fallon and Ian Hart in March, with the club finishing the season fourth from bottom. It was a successful campaign for the club's other sides though, with the Reserves returning to the Kershaw Premier Division after finishing as runners-up in Cambs Senior A, whilst the Under 18s progressed to the 1st round of the FA Youth Cup, where they were beaten by Charlton Athletic in front of a crowd of over 500 people at the Lane.

The 2012/13 season saw Soham record their highest ever League position, finishing seventh in the Isthmian League North Division, five points outside the play-offs. Soham won the Cambs Invitation Cup for the fifth time in their history in 2014 beating CRC 6-1 at the Abbey Stadium, but were unable to retain the trophy the following season, narrowly losing 2-1 to Cambridge City in the final.

Soham did finish the season with an accolade though, winning the Isthmian League Respect award for the second consecutive year having gone through the season having not collected any dissent points, which saw the club commended in the end of season FA Respect and Fair Play awards.

Following a difficult start to the 2015/16 campaign, Steve Fallon stepped down as Manager at the start of October to be replaced by senior players Robbie Nightingale and David Theobald, who eventually guided the Greens to seventeenth position before leaving to take over at Cambridge City in December 2016.

Rob Mason was appointed player/manager, and following a difficult start, finished the season seven games unbeaten, with the Greens securing their League survival on the final day of the campaign with a 4-3 home win against Maldon and Tiptree, with two goals in the final five minutes.

The following seasons have seen finishes of thirteenth and sixteenth in the table.

Unfortunately the last two seasons have been curtailed due to Covid, however this year sees the club move into the Northern Premier Division Midlands Division, meaning it will have competed in all three sections of the Trident League.

This year also marks 100 years of football being played at Julius Martin Lane, with the club arranging a number of events to mark the occasion.

The Daniel Wilkinson Foundation

Providing Screening and Defibrillators to prevent Sudden Cardiac Death in the young

The Daniel Wilkinson Foundation is a charity set up in memory of Daniel Wilkinson who died in 2016 aged 24, while playing the game he loved, from an underlying heart condition called Arrhythmogenic Right Ventricular Cardiomyopathy (ARVC).

Dan played football from an early age and joined Hull City AFC when he was 10, earning a professional contract aged 18. Loughborough University followed where he completed a degree in Accounting and Financial Management while playing non-league football. He was an athlete who enjoyed the gym and took his health and nutrition very seriously. He lived life to the full and had so much ahead of him.

Other than feeling light-headed on a few occasions in the month before he died, he had no symptoms!

SUDDEN CARDIAC DEATH IN THE YOUNG (SCD)

- SCD is the leading cause of death in young athletes during sport and the majority of deaths occur with NO SYMPTOMS or family history.
- ARVC can be found in one in every 1,000 to 5,000 young adults - IF IT IS LOOKED FOR.
- Warning signs may include light-headedness, fainting, palpitations, swollen legs, breathlessness.
- Every week in the UK, 12 apparently fit and healthy young people (aged 35 and under) die from previously undiagnosed heart conditions.
- In Italy, where screening is mandatory for all young people engaged in organised sport, they have reduced the incidence of young sudden cardiac death by 89%.

OUR MISSION

The Daniel Wilkinson Foundation has been set up to raise awareness of SCD and to provide funding towards heart screening, defibrillators and CPR/defibrillator training primarily for grass-roots sporting teams.

Tragedies can be prevented through cardiac screening. It is vital that young people are identified and treated.

Soham Town Rangers Football Club has received a new life-saving defibrillator thanks to the Premier League and Football Foundation

The Premier League's Defibrillator Fund has enabled Soham Town Rangers Football Club to install an Automated External Defibrillator (AED) at the club, aimed at helping save the life of someone experiencing a sudden cardiac arrest.

The Fund, set up by the Premier League will enable more than 2,000 sites across the country to install an AED and is supported by The FA and Sport England and delivered by the Football Foundation.

The defibrillator at Julius Martin Lane, Soham, will be ready for use from the beginning of September 2021.

While defibrillators are designed to be easy to use, club officials will also receive training through The FA Education's free online Sudden Cardiac Arrest course and guidance on how to update their emergency action plans.

The new defibrillators will be registered with emergency services so any member of the public can use them to help someone experiencing a cardiac arrest.

Chairman Mark Goldsack said "We are delighted to have both our own matchday unit and the community defibrillator on the front on Julius Martin Lane. On behalf of our staff, members, players and guests, we hope we never need to use them but having them gives some peace of mind."

Former professional footballer Fabrice Muamba who suffered a sudden cardiac arrest on the pitch in 2012 said "I am a big supporter of the Premier League's new initiative to fund defibrillators for thousands of grassroots football clubs. I know from personal experience the importance of having access to this type of medical equipment and how vital it is for someone's survival after suffering from sudden cardiac arrest.

Educating people how to use defibrillators is crucial. I really hope the clubs and facilities will encourage as many coaches, players and staff to undertake the training provided and help create safe places to play the game we all love."

The Premier League, Football Association and Sport England will work together to ensure that facility developments funded by the Football Foundation incorporate this equipment in the future.

At least twelve young people, between ages 12-35 years, die of undiagnosed cardiac conditions in the UK every week. Over 30,000 people of all ages suffer a cardiac arrest outside of hospital every year and less than one in ten survive.
