

Selection Policy for Men's and Ladies Sections

The aim of this policy is to accommodate players within the squads of Kettering Hockey Club and manage a smooth transition of players across teams.

The objective of this policy is to create a playing environment in which all players are given the opportunity to fulfil their potential and enjoy the sport within Kettering Hockey Club.

Selection Process

A selection panel consisting of team captains and coaches is formed following their election. Each team captain and respective coach will create goals and objectives for their team which are agreed by the panel and shared with the relevant squad. The section Chairperson shall facilitate discussions regarding squad selection throughout the season.

The section Chairperson shall be the point of contact for selection issues that cannot be resolved by the team captains and coaches. Should agreement still not be reached then the section Chairperson should approach the Head Coach and Senior Performance Chairperson.

Selection for all squads will be based upon, but not limited to, the following criteria:

- Being a fully paid up member by 21st September 2019
- Match fees paid in full on a weekly basis and no more than two weeks in arrears. No pay – no play!
- Ability and attitude at matches and training
- Commitment to playing
- Fitness
- Willingness to play for any team in any position
- Supportive of the goals and objectives
