During our Second Lockdown, Warrington Rugby Club have decided to get together (virtually) and raise money for charity. On Sunday 29th November, each team at the club will run 203 miles!! This is the distance from our home at South Warrington Sports Club to the hallowed turf of Twickenham Stadium, the Home of Rugby. Players of all age groups will have the option of either walking, running, cycling or scooting to cover this distance. Players and coaches will be doing this in their family bubbles throughout the day to ensure we are completely Covid compliant. All money raised will be split between the Rugby Club and NHS Warrington & Halton Hospital's Charity. We are hoping for this event to give the club and its member a feel-good factor through these difficult times and also encourage being active to help boost our Mental Health and Well Being. If you wish to donate to this fantastic cause, then please follow the link below.

**MOVE WITH PRIDE
TWICKENHAM CHALLENGE**

Your team has been challenged to cover 203 miles collectively.
This is the distance from our clubhouse to Twickenham

As a player/coach you are to cover as many miles as you can within the 24hrs either by walking, running, cycling or scooting.

Sunday 29th November

Please help us raise as much money for the club and Warrington & Halton Hospital's Charity (aim for £20 per player)

On the day, let your coaches know how many miles you have completed. Good Luck!!
