WELCOME FROM BILL LYON

PRESIDENT ORRELL RUFC

A very warm welcome to our visitors-players, officials and supporters. As ever we look forward to an afternoon of good, competitive rugby.

Preparations for the senior players began in mid-July and the numbers involved have been encouragingly high. When considering the competition for places both of our senior teams seem to be in a healthy condition in readiness for their demanding league programmes.

The Mini and Junior section continues to prosper and with the growth of so many teams inevitably more and more help is needed, especially regarding coaches-every volunteer is invaluable! In twelve months time we should hopefully see an Orrell Colts team take the field for the first time in four years. The flow of colts into the senior ranks has been the lifeblood of the club and it is important to acknowledge the importance to the club.

The Touch Rugby section is developing steadily with new players always welcome to the Friday training group. A number of tournaments have been successfully entered by a squad that contains three internationals.

Inevitably our focus this season is not only on the field of play but also on the continued efforts of executive, fund raising committees and volunteers regarding the joint venture. Various events are planned and every bit of support is valuable. It is of course important to acknowledge all of our sponsors and how vital their contributions are (not forgetting our FOPS) - a genuine thank you to all concerned.

The very best of luck to all our players, coaches, supporters, volunteers, sponsors and anyone I have omitted. Please continue your excellent work and help to take us forward to achieve our goal.

Regards.

ORRELL RUFC 200 CLUB

This is an excellent opportunity to support your Rugby Club and win cash prizes by being entered in to the monthly prize draw. The prizes are issued pro-rata, based on the number of participants in the draw. Entry is by completion of a standing order form for either monthly or annual payment. Except for the prize money, all funds (less any administration costs) will be used to support the club and its objectives. 40% of the income is issued in prize money. 30% for first prize and 10% for second. The draw is held monthly throughout the year.

The cost is £5.00 per month or £60.00 per year.

CHAIRMAN'S MESSAGE

TONY HAVLIN

I say at the start of every new season that we have a challenging year and this year is no different. We approach the next 12 months ahead with optimism and resolve to achieve our goals which this year are;

- 1. Grow our playing numbers**
- 2. Improve our playing standards**
- 3. Attract more coaches for the minis and junior section**
- 4. Raise enough money to start the construction of our new facilities**
- 5. Establish Winstanley Tennis club as our base**
- 6. Recruit more volunteers to help us achieve our goals**
- 7. Improve our communications**

Regarding communications, we produce regular newsletters, articles in the programme, web site updates, social media updates and emails to members (where we can) and yet I hear that some members claim not to know what is going on and don't believe that anything is happening. Well if you sat where I do you would know that there is a lot of work going on behind the scenes however most of it is being done by the same small group of members. So I would draw your attention to goal number 6 above and ask that you get involved.

For example, last year we had some 270 adult members but only 88 donations towards our development fund. It would be nice to add a further 50 donations before the end of the year so why not start there.

There will be more specific updates throughout the season, but I have kept this as brief as possible in the interest of time.

Yours in Sport, Tony Havlin, Chair

Welcome to this weekend's rearranged home fixture vs Birchfield.

Last weeks game saw us blow numerous chances. We were in complete control for 75 minutes but a late Tom Halsall sin-binning and a hefty penalty count against, saw us concede two late tries and we were left hanging on for dear life in the end.

Last year we blitzed teams on numerous occasions scoring 30/40 unanswered points, whilst still bombing another 20/30 points in the same game. It's a problem we need to address and I think it mainly comes down to concentration and technique under pressure. We'll be working on those particular points in training this week and hopefully we can be a little bit slicker in finishing off some of these opportunities.

The pack look very strong last week with the experienced Mike Caudwell coming back in at 8 and Jack Granby and Jack Johnson playing in the second row. Dan and Max Huxley were very mobile in the back row and the front row of Davies, Wilbur and Willo looked solid. Kieron Herbert moved to inside centre and performed brilliantly and Chris Owen scored a wonderful 50 metre effort. We missed numerous opportunities but Craig Thomas kicked well and Chris Wynne thoroughly deserved to get on the score sheet. Every week he seems to get ankle tapped or high shoted close to the line but I'm 100% certain his and the teams luck will change.

Obviously something will have to give this week, as both sides are undefeated in the league. Even though its early doors, we want to maintain the pressure at the top of the table and it should be a hotly contested match. I'm really looking forward to welcoming a strong Birchfield team to St John Rigby.

Kind regards,

Paul Wingfield
07581 469 779

Hello and welcome back to St John Rigby for our second game of the season. I would like to welcome Birchfield R.U.F.C.

Today's game will undoubtedly be another tough one and as Birchfield are new opposition for us that's all we can expect, as in this league there will be no easy games. We hope for a nice dry day and some good rugby from both sides to enjoy.

Last weeks season opener against Congleton had its ups and downs, we started well and had quick success getting early points and looked very sharp in all aspects. However that didn't last and with a stop start game was hard to keep that momentum, with hardly any rugby played in twenty minutes. With that continuing into the second half we let Congleton back into the game with sloppy errors and lack of ability to finish of great passages of play. Yet we held on for a big win to start the season off and we want to build on our good start and cut out those errors. We are still very early on in the season and still have a lot to work on. A win is a win and we will try our best to be getting the same result here today.

Two home games on the bounce is a great way to start the new season and will be aiming to get two big home wins.

Thank you for your support.

Enjoy the game.

1XV MATCH REPORT 1ST SEPTEMBER 2018

ORRELL VS CONGLETON

The first fixture of the new season for Orrell 1st XV team was a visit from Congleton 1st XV, who had beaten Orrell home and away during the 2017-18 season.

Orrell started brightly winning the ball immediately from their own kick off, and retained the ball for five minutes before Congleton conceded a penalty 30 yards from their line. Craig Thomas stepped up and slotted the kick with ease.

From the re-start Orrell drove the ball across the pitch from right of their own half to deep into the opposition territory. The forward pressure told and provided a solid platform for Kieran Herbert to score from inside centre for the first try of the game. This was converted by Thomas to take the score to 10-0.

Orrell completely dominated the first half and ran the Congleton pack ragged. They got further reward four minutes from half time by a fine team effort, passing the ball through several pairs of hands for Chris Owen to score, and another conversion was added from Craig Thomas. The only reply from Congleton was a fine penalty from long distance by their fly half.

Orrell started the second half in similar fashion to the first, with some barn storming runs deep into the Congleton half. Max Huxley burst over on 54 minutes to score and increase the scoreline to 22-3.

Orrell then took their foot off the gas, and allowed Congleton into the game. Poor passing, and a series of silly penalties resulted in Congleton scoring in the far corner on 62 minutes. The conversion improved the scoreline to 22-10.

Congleton continued to press and capitalise on fundamental mistakes by the home side. They scored again with six minutes left to play but

missed the ensuing penalty. Orrell held on for the remaining nail biting minutes to win 22-15.

An interesting debrief followed in the home dressing room, with much of the team having their hair blow dried by Head coach Paul Wingfield.

Due to a fixture change Orrell are home again next weekend to welcome new opponents Birchfield. Please come along and support the team.

Pete Carletti.

COMMUNICATIONS

HELP US KEEP IN TOUCH

In our Chairman's message this week, Tony refers to communications and how we try and keep in touch with all our supporters (members, non-members, players, non-players, etc, etc). The club produces regular newsletters, a match day programme, web site updates, social media updates and emails to members (where we can if you have ticked the box regarding GDPR); so, what else can we do to help keep in touch with all thing Orrell?

Well for a start - did you know we now also have a LinkedIn Page to add to our social media platforms of Facebook and Twitter? We'd be very grateful if you could log on to LinkedIn and follow and like our page Orrell Rugby Union (ORUFC).

So now to complement all the above, we also have a YouTube Channel (Orrell Rugby Union Football Club). We have uploaded a couple of games from the pre-season and will be adding to this with highlights from our forthcoming matches.

In addition, there are some video clips from the old days at Edge Hall Road, which you may enjoy watching all over again.

HOW DO YOU THINK WE SHOULD KEEP IN TOUCH?

Do we do enough to keep you informed? How would you like to hear from us? Please let us know by emailing us at enquiries@orrellrugbyunion.com or telephone **07900 101014** and leave a message. We'll get straight back to you as soon as we can.

Would you prefer to keep in touch face to face – maybe over a coffee and a piece of cake? Would a monthly coffee morning/get together be of interest where we could talk about all things Orrell Rugby Union and maybe our future development? Again, let us know. If there is enough support for this kind of “keep in touch” events; we will certainly put them in the diary.

HUGE THANK YOU TO ALL

WE HAVE A VACANCY FOR AN OPERATIONS MANAGER (VOLUNTEER ROLE)

Operations Manager? Does that sound like something you can do/help our Club with? Please don't be put off by the title – although this is a very important job, it should just take you a couple of hours per week.

So, what does the Operations Manager do?

Pitches

- As we have no home of our own and utilize the schools in the area, the Operations Manager would be responsible for liaising with the schools to ensure home game commitments/dates can be met.
- Liaison with the schools/groundskeepers to report or put in place maintenance of the pitches where required
- Pitch Inspections on home match days

Match day

- Access to the pitches and buildings
- Cleaning (this is arranging of; not doing it yourself)
- Exit and locking up of the facilities

After match facilities at Winstanley Tennis Club

- Parking at the Tennis Club
- Refreshment (booking not making it yourself)
- Arranging bar staff with the Tennis Club

If this sounds like something you'd be interested in (and it can be more than one person on a rota basis); then please get in touch with either Tony Havlin (Chair) or Bill Lyon (President) for an informal chat.

Not quite sure you fancy this role; there are lots more volunteering opportunities with Orrell RUFC. For example, we need someone to help with putting out all our Sponsor Banners on match day; Programme Sellers; Tea/Coffee Assistants (during the match) and Post-Match Refreshment Assistants (at the Tennis Club)

Like to know more? Get in touch via email to enquiries@orrellrugbyunion.com or speak to any of our current Executive Team and/or Coaches – their contact details are at the front of the programme.

Come and be a part of our future – it's going to be black and amber!

COMMERCIAL & SPONSORSHIP

DAVE HEWLETT

Good afternoon everyone and welcome to our reversed fixture against Birchfield. An added bonus for us spectators being able to watch the match in September, rather than in hostile weather conditions in late December!

I am grateful to ADM Leisurewear, our new kit suppliers, for their sponsorship of today's match ball.

ADM are also providing the Club with our own online shop. The products are part of the VX3 range which is owned by Lovells. Lovells are the largest online rugby shop and they have now launched this new range of sports kits.

The VX3 range comes in the Club colours of black and amber and as part of our association with ADM the Club will receive a cash kick back on all products purchased through our very own online shop. The intention of the online shop is that it will be customer lead. Please give feedback on the products and also any suggestions as to what else you would like to see on offer in our shop. Every effort will be made to accommodate those suggestions.

Our match ball sponsor today is A&M Tyres Wigan from Litchfield Street, Pemberton. Thanks once again to Anthony for his continued support. I have been a customer for many years and can wholeheartedly recommend the company.

As you can see from the Match Day Sponsors page I am constantly looking for people to sponsor both the 1st and 2nd XV matches. If you want to support your teams and see them become successful then your Club needs funds. If you can spare £25, £50 or even £150 then do not hesitate to contact me.

I have a number of sponsorship opportunities that do not cost a fortune but for the Club every little bit helps. Sponsor a shirt number £100, help sponsor some of the great events coming up, sponsor a hole on the Golf Day plus many others.

I am around most match days selling programmes or I can be contact by mobile or email.

Get involved – do something to help your Club!

Looking forward to hearing from you. Have a great day and cheer the lads on.

Best,
Dave

IT'S THAT TIME OF YEAR AGAIN MEMBERSHIP RENEWAL TIME

We've also got a new Membership Category for this year and you can renew your membership on line via our website!

Welcome to the 2018/ 19 season at Orrell RUFC and, once again, we are gearing up for the season ahead with renewed expectation and boundless energy & spirit which binds the Orrell RUFC family together! We are very much looking forward to the new season, building on the success on the pitch from last season and furthering the development of the club and securing its future with the project to build our own clubhouse and pitches. A lot has been happening since the end of last season and we hope you are keeping up to date with all the news and information via our website www.orrellrugbyunion.com and our social media channels Facebook, Twitter & LinkedIn. We are also in the process of creating our new digital footprint with our very own YouTube Channel.

However, the backbone of any club is you, it's supporters and club members. There is so much going at the Club and there are exciting times ahead and we very much hope that you will be a part of those exciting times. The dream of our own clubhouse and pitches is drawing ever nearer and we are delighted to tell you that we have a new membership category – launched this season.

Our new **Membership for Life** category (single and couple) gives you membership of our great club from the start of the 2018-2019 season for life, including membership of our new clubhouse and its associated facilities when it is ready to be enjoyed!

If you do not fancy being a Member for Life of the club, there is still the normal annual membership fee; which will still give you membership of our club plus access to other opportunities such as International Tickets, Sale Sharks Tickets and advance tickets for our fantastic Events Calendar not to mention membership voting rights.

The membership form for the forthcoming season are available at the bottom of this article or via the link on the webpage "Membership 2018-2019". Please just complete your details and tick the relevant membership category box. Return addresses are on the form if you wish to use a hard copy.

Good news for this season too - you can now renew your membership on line, via our website: www.orrellrugbyunion.com.

All you need is your debit card; fill in a few questions; tick the membership category box and that's it – membership renewed for another season (or for life if you choose that category)! Please note, you will need to join/log in to the website before you can log in to renew your membership.

We are always very grateful for your continued support, friendship and membership of our great club. We hope that you will continue to support us over the coming season at both matches, our social events and fundraising events.

SOS: DOES ANYONE REMEMBER THESE FINE FELLOWS FROM THE SOUTHERN ORRELL SUPPORTERS

This was a group of gentlemen from somewhere down South known as the Southern Orrell Supporters. They supported the club and regularly turned at home and away games. The “leader” was a man known as Big Fred. If anyone remembers them or has any information or contact details, please get in touch. We'd love to hear from them. Email us at enquiries@orrellrugbyunion.com.
