THE DR1VE MEDICALS ARENA AT ST JOHN RIGBY COLLEGE OUR MATCH GROUND NEW NAME!

We are delighted to announce that Dr John Morgan and his company Dr1ve will be continuing his support of Orrell RUFC, with not just their kit sponsorship but by naming the St John Rigby College match ground as the The Dr1ve Medicals Arena!

Dr John Morgan has been associated with Orrell RUFC for longer than anyone cares to remember (it's a long time) and over the years, his continued support has been of enormous help to the Club. From providing the physios, to supporting the Exec team with advice and help to sponsoring the kit – Dr John's support and friendship over the years has been amazing and very much appreciated.

We are delighted therefore to announce his support for the Club continues with the naming of the match ground as The Dr1ve Medicals Arena at St John Rigby College.

Dr1ve is a Lancashire based business which aspires to deliver the very best in healthcare

from a fantastic purpose-built clinic in Wigan, easily accessible from anywhere in the North West. Providing choice and convenience for our patients and customers is our aim. The provision of medical services to our local professional drivers is sometimes poor, expensive and inefficient. Dr1ve have a local GP performing HGV and LGV medical examinations for vans, trucks, horse boxes, etc. and PCV medicals for buses, minibuses and coaches as well as Private hire and Hackney Carriage (Taxi) medicals for local authorities. (Please note that some local authorities require a taxi medical from your own GP and it is the driver's responsibility to check).

Dr1ve offer licence medicals for only £60 per person. Appointments are available 7 days a week, with hours to suit even the busiest lifestyles. They can usually arrange an appointment within 24 hours by telephoning 07708 383 351 or email info@dr1ve.co.uk.

**A huge thanks to Dr John and Dr1ve for their continued support -
the future is black and amber!**

PAUL WINGFIELD

Director of Rugby

This week we welcome Garstang to the Dr1ve Medicals Arena for what should be a real contest. Garstang pushed us hard both home and away last year and we were very exceptionally lucky to get away with two wins. The last 20 minutes at St John Rigby were all one way traffic with Garstang pressing and pressing close to our line but we somehow held on and took the spoils.

Last weekend's win against Ellesmere Port was another great hit out for us. As we didn't have any preseason matches and with cup match against Tyldesley being postponed until Saturday November 02nd, I feel as though we've now completed our warm up games with wins over Congleton and Port and this is our first really big test in the league.

We can't afford to be complacent after two solid league wins and we need to keep improving week on week. I'm looking for lads to feel confident with ball in hand and to entertain from the off with us moving the ball as quickly as we can. We scored some unbelievable tries

last weekend from deep in our own 22 but also failed to capitalise on some really good field position with simple errors and poor communication.

It's too early to predict who's going to finish where in the league but I'm positive both of today's teams will want the win today and are hoping to finish within the top 3 come the end of the season.

On the injury front Andy Kelly should return this week after a groin strain that meant he missed the trip to Ellesmere Port and everybody else seems to be flying in training, so no other injuries to note. Craig Thomas is now back full time after a spell at Wigan St Pats during the summer and we've numerous new and old faces coming back to training, which has meant that we've had over 30 players at every single session so far this season.

Enjoy the game and please do hang around afterwards for a mingle with the players and a few social drinks in the conservatory.

COMMERCIAL & SPONSORSHIP

Can you help?

There are a number of match day Rugby sponsorship opportunities available:

- £25 sponsors a match referee
- £50 sponsors a match ball
- £50 sponsors a shirt number, choose from 1 to 15
- £75 sponsors a player
- £80 sponsors a barrel of beer
- £200 sponsors a match
- £250 sponsors the Conservatory

As you can see from the programme some of these options have been taken but there are still a lot of gaps to fill for all three teams.

SO CAN YOU HELP?

Every £1 in sponsorship raised helps to secure the future of Orrell Rugby Club. With three teams playing each week the costs have increased and therefore the pressure to increase our revenue streams has risen accordingly.

I am extremely grateful to all the sponsors who have come forward so far this season but as ever I need even more people to sponsor the Club. So once again I am asking -

CAN YOU HELP?

1XV MATCH REPORT

Orrell RUFC vs Ellesmere Port

ORRELL ON FIRE AT ELLESMERE PORT

After the trauma of a players car on fire on the motorway and some players going the wrong facility Orrell eventually took to the field with 15 men. Thanks to Ellesmere Port and Referee for delaying the kick-off. Game on.

Port kick off and take the ball to Orrell in the forwards and the early exchanges see Orrell give away 6 penalties. Orrell handled the resultant pressure from Port well and settle down to some open exciting rugby.

On 12' from a solid Orrell scrum the backs pass the ball through the hands to Matty Stott on the wing and finishes off nicely in the corner. Conversion missed first blood to Orrell 0-5.

With Port on the back foot and Orrell's confidence growing on 17' a superb break from Kyle Herbert and exchange to Josh Grant Orrell scores under the posts. Conversion kicked by James Ratcliffe and lead is extended to 0-12.

With Orrell now in full control, and silky handling from backs Tom Halsall crosses the line again in the corner on 37', conversion missed HT score Port 0-17

Second half under way and the introduction of late arrival Jack Granby saw Port go further behind, good handling and power by Jack Granby he crosses the try line and conversion by James Ratcliffe 0-24, 46' on the clock.

Port re-gather from the kick off and slack play from Orrell allow Port to score under the visitors post on 54' conversion kicked 7-24.

Jack Booth comes on for his first team debut and replaces Max Huxley. Twinkle toes running from Scrum Half Adam Worley scores in the corner 7-29. Straight from the kick off Orrell break through the Ports defence again and the electric pace from Jack Granby scores his 2nd try of the match 7-34.

The final try of the match comes from a sparkling run by Matty Johnson and with conversion by James Ratcliffe final score Ellesmere Port 7-41.

WELCOME FROM CLUB PRESIDENT Bill Lyon

After three weeks of rugby all three teams have made very encouraging starts, which augurs well for the challenges to come.

The efforts that go into the pre-match preparations of teams and all other aspects, publicity, ground, food, drink etc reflects brilliantly on all concerned be it coaching group, volunteers covering ground and indoor facilities. It is a constant reminder of the collective effort being produced and needless to say we will welcome any other volunteers in whatever capacity. Many thanks to those who are giving us such valuable support.

Rugby wise I would like to recognize the contribution that our Director of rugby/Head Coach Paul Wingfield has made not only to the fact that we have 35-40 training every week, 3 senior teams turning out and the Junior colts combining with the seniors on occasions at training but his efforts and drive off the field. This includes sponsorship, negotiations with SJR re use of training facilities, and use of the Refectory (clubhouse). He was also the driving force in pulling together the remaining 8 clubs to negotiate the structure that we now see and ensuring that our

league did not go out of existence. In a perfect world a league comprising 13/14 teams would be our wish, but this is for the here and now and we are glad to commit ourselves to it. I trust that the powers that be (in the RFU) regarding competitions structure commit their energies to devising a format that we asked for.

The use of the SJR refectory has gained approval from players and spectators alike. We would ask everyone to spread the word and help to build up the numbers attending and offering to help as volunteers. Creating a good atmosphere before and after the game does help to boost the players as they prepare. Many thanks to all for their efforts thus far.

NB World Cup - Those of you watching World Cup might give a little support to minnows Georgia-Head Coach Milton Haig (Kiwi) ex Orrell scrum-half back in the 80's! Just a fact for the Anoraks.

Best of Luck to all,
Bill

HELLO

from Club Secretary: John Huyton

Many of you will already know who I am but for those who don't I'm John Huyton, Orrell RUFC Club Secretary. I have been connected to Orrell RUFC since the early 1980s playing in the junior section and joined the Executive of the club in 2011.

The main purpose of my role is to be the principle administrator of the club and be the main point of contact for people within and outside the club on just about every aspect of the club's rugby activity. I also manage the discipline committee, International ticket coordination/ distribution, support the membership secretary & 1XV team manager.

Membership Season

2018/19 season was a challenging but interesting season, it's vital we maintain a healthy membership; the membership revenue we collect at the start & during the season gives us a sound platform to get the season "up & running". All members should have now received membership forms via email/ paper correspondence. If not' please speak to me or one of our volunteers and we will resend new forms.

Great news is that we now fall under OWCS umbrella and rugby section membership costs have been frozen for the new season at £30 and £20 for juniors/ O.A.Ps. New memberships are available and further information is available on the club's website.

Volunteering

Successful rugby clubs are more than just victorious teams on the pitch. Players and coaches are vitally important but so are the

many dedicated volunteers who work hard behind the scenes to help the club function. This season is going to be challenging both on/ off the field, if you're interested in becoming a volunteer or helper on match-day then don't be afraid to put your hand up and say, "I'll help"! Match day helpers, programme sellers & refreshments are just a few examples where we need help.

International Tickets

Any member interested in watching England Rugby can apply to purchase tickets for games at Twickenham and home internationals. All ticket information and updates can be found on the club's website.

Enjoy your rugby!

Regards

John Huyton, Club Secretary

ANNUAL DINNER DANCE

Orrell & Winstanley Community Sports Club

Orrell & Winstanley Community Sports Club (the Joint Venture Partnership between Orrell RUFC and Winstanley Park Cricket Club) will once again be holding their annual dinner dance at Houghwood Hall on Saturday, 12 October 2019.

All proceeds from this joint event will go towards the dream of our own home and pitches on land next door to Winstanley College.

Tickets are priced at £40 a head (including £5 worth of raffle tickets). Entertainment this year is provided by Tony Nicholls.

The Orrell & Winstanley Community Sports Club Joint Venture

As you know, Orrell RUFC and Winstanley Park CC have joined forces to develop a much-needed Community Sports club. The clubs have signed a 99 year lease for the 13 acre site, situated next to Winstanley College, which will provide a permanent home for both organisations and an opportunity to boost both their thriving junior sections.

The new family orientated facilities will play host to Orrell RUFC, who will finally find a permanent home after leaving their Edgehall Road ground ten years ago. The new buildings will also enable the cricket club to continue to meet the requirements for affiliation to the Southport and District League.

The facility will be available to other community groups, with a particular focus on providing a sporting outlet for children which will help create a more cohesive and sustainable community.

For tickets please contact **Jim Lloyd** on jimlloyd@onetel.com or **01695 623427**.

CHAIRMAN'S MESSAGE

Tony Havlin

Welcome to our first game of the season for our first team. You will notice a lot of changes around the college as we expand our use of these excellent facilities. We will continue to increase how we use the sports and catering facilities over the first half of the season and beyond. I hope we can create a more club-like atmosphere at the ground and that you enjoy the match day experience, let us know what you think.

This is a first step in creating a place where members, players and guests can socialise before and after the match and it is worth reminding ourselves of the spirit and values that developed in the past from the social aspects of the game and helped foster the broad team and club spirit that brought the club such great success in past years, may it do so again.

The next much bigger step will be to start work our own facilities and bring even more stability and opportunities to develop the club spirit. As we continue our fundraising effort make no mistake the project to build our own facilities is vitally important to the long term development of the club.

The first move towards our goal will be on the **19th of October** this year when we get access to the land on Winstanley Road to start our development. Our immediate plans are:

1. Complete the work necessary to discharge the planning conditions which will ensure we do not need to reapply for planning permission which will include; erect fencing , build an entrance, complete the detailed drainage designs, produce phased implementation plans. **Nov 19 to June 20**
2. Initiate the application for grants to help fund the development of the land. **Now to May 20**
3. Continue to press hard on the fund raising activities to raise sufficient funds to support the grant applications, the grant agencies expect to see a material amount of "matching funds" coming from any applicants.
4. To complete the collection of pledged donations and appeal again to the many members who have yet to contribute. Appeal letters will be in the post to member in the next week. However there is no need to wait to be asked speak to me directly and I can give you the forms.

In terms of fund raising we expect our development fund to have reached £60,000 by October when all pledges are collected which will rise to £75,000 when associated gift aid is received. This is enough to fund the activities outlined in point 1 above. By the end of the year we have a target of

raising that to £100,000 as a result of additional donations and fund raising events which will be pursuing over October and November.

This is a tremendous effort and thanks go to all donors and club volunteers for their help and support in achieving it. We estimate that we will need to raise a further £50,000 next year to provide sufficient match funds for our grant applications. **So we need help from all members NOW** to either commit to making a donation, introduce potential donors or sponsors or simply volunteer to help on match days and at fund raising events.

Please don't think that you can't contribute because you can't make a lump sum (or a promise of a lump sum) payment. We've had a couple of members set up a monthly Standing Order to the club (in addition to their membership) and are making a monthly donation to the JV Fund and we are happy to extend this to any of our members and supporters who would like to contribute in this way. Please get in touch with either myself or the Treasurer Karl Lee, who will provide you with details of how to do this.

Last year we had some 270 adult members this year we expect that number to grow. There are many more members that haven't donated than those that have so let's see if we can add 50 new donors by the end of the year.

I hope that you enjoy the game and are able to stay for post-match refreshments. If you have any questions, suggestions, concerns, or would like to volunteer some help I will be happy to discuss with you over a drink
