# 1XV MATCH DAY REPORT

## ORRELL RUFC VS PORT SUNLIGHT

PORT SUNLIGHT 10 | ORRELL 118

Orrell moved into the second promotion spot in Lancashire/Cheshire Division Two with a commanding performance against Port Sunlight on the Wirral. With ball in hand, they were simply too much for the overwhelmed hosts to deal with, running in eighteen tries in a display of supreme support play.

The Orrell juggernaut started after five minutes when wingers Matty Johnson and Craig Thomas linked and James Ratcliffe touched down at the corner. Jack Granby, Wilbur Harris, and Johnson also crossed inside the first fifteen minutes and when Adam Worley crossed in support of Lloyd Davies after 20 minutes, Thomas' third goal had the visitors out of sight and pocketing an attacking bonus point. It didn't stop there.

Fullback Chris Owen got on the end of a flowing move, Kieron Herbert cut a brilliant line back against the defence from another Davies pass before Ratcliffe grabbed his second. Port Sunlight had no answer to any of Orrell's play and Steve Ormesher finished the half on a high with an elusive run that saw the number eight beat several defenders to the line. The sixth goal from Thomas gave Orrell an unassailable 57-0 lead at the interval.

Port Sunlight had the first say of the second half with the impressive Dan Turner responding quickly from close range, but normal service was resumed when captain Dan Huxley stepped back following some good work from outstanding Andrew Kelly. Thomas added his seventh goal before being withdrawn and it was 64-5.

With youngsters Andrew Bourne and Alex Gaskell taking the field you would be forgiven for thinking that Orrell were going to take the second half easily. That was never the case and within moments Bourne was in at the corner thanks to good work on the inside by Kelly and Tom Halsall. Ratcliffe missed his first conversion attempt but was on target with his next seven as the visitors piled on the misery and the points. Johnson grabbed his second try before Bourne also doubled his tally. Gaskell crossed for a high-speed brace and Granby also added a second after some excellent work from man of the moment Kelly. Johnson finished off a fine team try for his hat-trick and there was one more piece of brilliance from Orrell which led to Harris steaming away for his second score, Ratcliffe completed his tally of goals to make it 118-5.

Again Port Sunlight offered spirited resistance and, after holding possession for much of the final five minutes, were eventually rewarded with a close-range score from Lewis Davies.

Orrell can look ahead with confidence to a massive game at St John Rigby this coming Saturday when they take on Eccles who sit third on the same number of points. Kick-off is at 2.30pm, everyone is welcome.

# CHAIRMAN'S MESSAGE

## TONY HAVLIN

As I mentioned in the last programme - thanks to the vagaries of the league system we find ourselves with some quite long gaps between games. I am sure you are not happy with this and neither are we. The RFU are working with the clubs on another revision of the leagues for the next season and a number of suggestions have been made. Once all this has been agreed, we will let you know the outcome.

Last year was a busy year particularly on the land project and the pace and pressure will increase even more this year. We have completed the formalisation of our JV with WPC and now sit as the rugby section within Orrell & Winstanley Community Sports Club. This is in preparation for the commencement of the development of our new facilities in Winstanley Road which will start towards the end of this year. We continue to run our affairs and play as normal.

Can I remind you once again that we need to get our own fund raising (i.e. in addition to grants money) to £200,000 over the next 18 months? We are half way there (once pledges are received) and so have enough money to start the land development phase this coming November. However, we don't have enough money yet to complete all the work by our target date of July 2020. We will be sending donation forms again to all members that have yet to donate in the

hope that there is still more to come and we are still actively fundraising through our crowdfunding campaign, events and grants.

We have been very lucky over the last month or in raising our profile (which helps with our fundraising) with Granada TV featuring us in their evening programme, a double page spread in the Rugby Paper and, of course, being the host for BT Sport's Rugby Tonight programme. All of which has been great publicity for the club. If any of you missed any of these, let us know and we will send you copies!

As always if you have any concerns, suggestions or offers to help please contact me or any member of the executive.

Tony Havlin  
Chairman

# WELCOME FROM PRESIDENT BILL LYON

A warm welcome to all our visitors and supporters this week.

With only a small number of games left to play it really emphasises the limitations of such a reduced league programme. Producing continuity and consistency in performance is now a real challenge for players and coaches. With training numbers consistently high, expectations regarding successful results and high league placings have grown considerably. Both teams are well placed and a top four finish is a very achievable goal.

The uncertainties regarding next year's league groupings are still under scrutiny involving the Northern Group, RFU and NW clubs from around level 6 downwards. After two meetings for consultation purposes, suggested structures will be put forward in February and something regarding a solution will be decided on by June. The numbers (low) in each league is a major concern along with travel distances

(particularly to Cumbria). The breakaway Lancashire Leagues (2) have taken 20 teams out of the frame and their position next year remains unclear. These two leagues are self-contained and advancement out of the higher league back into "mainstream" is not possible at the moment. One possibility is the status quo will continue for a further season before a revised programme is introduced (any bets on the situation being resolved before Brexit!)

No matter the outcome of these deliberations the players' focus is simply to finish as high as possible in their respective leagues. This will hopefully give a favourable place in any subsequent groupings.

As ever thanks for your support, please continue your support and involve others. Fund raising remains high on the agenda and every piece of support is incredibly important. Thank you. Bill

# COACHES CORNER

## PAUL WINGFIELD

Welcome to St John Rigby for what a should be a cracking game of club rugby this afternoon.

Eccles have beaten us twice this year already (league and cup) and are obviously favourites to take the spoils today.

Our form is good and in recent weeks we've had some decent results without being at our best.

Our 2s have also been on a great run. They currently sit top of their league and are looking forward to a cup semi final in the next few weeks, so competition for places is intense.

With a squad of around 50 players we are in a pretty healthy position as a club and our

recently formed vets teams has had two run outs, winning on both occasions against Aspull and LSH.

We've had several players step up from the 2nd team in recent weeks and they certainly haven't looked out of place, so all credit must go to Billy and Bri our second team coaches for keeping these lads fit and playing week in week out.

The weather as predicted will mean that the pitch will be heavy this afternoon and the team that manages the conditions and the emotions of the top of the table clash will obviously take the spoils.

Enjoy the game and we look forward to seeing you all back at the tennis club after the match.

# CAPTAINS CORNER

## DAN HUXLEY

Good afternoon and welcome to St John Rigby. 2019 has been great so far for Orrell With both the first and second team staying unbeaten and challenging for promotion. Whilst the second look to carry on the good form against Littleborough, we welcome Eccles R.U.F.C.

Having played Eccles twice already this year we know how dangerous they can be, and we know we will have to be on our game to get the win. With both meetings ending in disappointment for us, with a cup game at the start of the season, on which we did not perform at all and a much closer game away later on in the season. Today it's our last chance this season to get a crucial win against

them. Adding to just the fact we owe them one, the winner of this game will go second in the league and into the second promotion spot. All is to play for. A must win game in our season.

Last week's game away at Port Sunlight probably wasn't the best preparation for today's game as the final result ended 118-10. A depleted Sunlight team carried on right till the end even after conceding so many points. For us Andy Kelly got a well-deserved man of the match, after line break after line break and assists and a try for himself.

I hope you enjoy the game and we can get the win! Thank you.

## SPORTS DINNER

### 23 March 2019

---

The famous (or even infamous) Orrell RFC Annual Sports Dinner is once again, nearly sold out. If you haven't got your tickets yet, don't miss out and book now! Ticket price is £47.50. The price for a full table of 10 is offered at £45/head. The ticket price includes a three-course meal and a complimentary bottle of red and white wine per table. To book a table or reserve a ticket please contact Dave Hewlett.

Our evening will commence with drinks in the newly refurbished surroundings of Holland Hall, followed by a three-course meal; some fabulous entertainment and a chance to win some even more fabulous prizes! You could even become the owner of your own Joint Venture development fence panel... you'll have to buy a ticket to find out what that means 12.

Our speaker this year is Simon Shaw - a name that is renowned across the rugby world as he towers over most mere mortals at 6'8. Simon has represented England at various levels including students and Under-21s. He played for Bristol at 17. Simon was picked for the successful 1997 British Lions tour to South Africa. During the 2000 Six Nations Championship, he had to step in for the injured Martin Johnson. He earned his 20th

cap during the 2003 Six Nations Championship, a tournament which saw England win the Grand Slam. Simon was called up to the squad for the 2005 British and Irish Lions tour to New Zealand after Irish lock Malcolm O'Kelly aggravated a groin injury in training. Simon was selected as a member of the England 2007 Rugby World Cup squad and played the full 80 minutes in the 2007 Rugby World Cup Final.

Simon is joined by Peter Scrivener. In a 12-year career, Peter Scrivener played over 120 games for Wasps and represented the England A and Sevens teams. Peter will be supporting our event this year as MC and Auction Master.

Then there is the ever-famous Pete Emmett – who needs no introduction – as one of the funniest, nicest people in the business. Pete will be entertaining us with stories, jokes and interviews with our celebrity speaker and MC.

It's going to be a great evening, so don't miss out. Apart from a great evening's entertainment, you will be helping the club in its ambitious goal of building our own home and pitches!

## Orrell RUFC U13s Produce a Cracker of a Match in a return match with West Park

This week's visitors to Orrell's under 13s were our local rivals West Park. This promised to be a cracker of a match with Orrell coming off a 3-match winning streak and after revenge for a loss at West Park earlier on in the season.

The match didn't disappoint with Orrell stating their intent with a quick chase from the kick off earning the home side two quick trys scored by Olly Halliwell and Tommy Rathbone.

West Park didn't let the early score dampen their spirits with a turn over from the breakdown sent their wing close to the Orrell whitewash only to be tackled into touch by Orrell's tackling machine Andrew Spate.

The second half saw some excellent kicking from both sides to defend their line. Nic Joice, Orrell's full back was equal to the challenge – ever confident under the high ball ran in an excellent solo try.

The match finished 12-4 to Orrell with credit to West Park who gave 100% right up to the final whistle.

# Orrell v Ashton on Mersey U9s

The weather provided the kids with a muddy Sunday of rugby, both teams did a great job and discipline was shown throughout. Hosts Orrell, greeted Ashton on Mersey with Orrell's captain Edward leading his team with purpose, providing excellent running and tackling himself. Players player, Matthew showed he was reading the game and constantly improving with a few great moves on the field of play. Colleagues Louis and George saw themselves step up and perform excellent for their team, with some solid running plays. Nathan worked the touchline, with an awesome run and gaining a try for his efforts. A medal went to Harrison, as he showed 100% effort and teamwork during the game. With Charlie, constantly developing, working a few ball offloads and great runs led to a fun day for all the kids playing.

# ORRELL U10S V WEST PARK U10S

Orrell completed a double over their close neighbour's in the space of 7 days with a convincing victory with strong destructive runs, which gradually took the momentum out of the opposition. Park played some great rugby off loading the ball which kept Orrell pinned back for long periods, but Orrell with ball in hand had the ability to force errors and run in a high try count, full credit to the twins Abbie and Ellie, newcomer Evan, (who claimed player of the match), the improving Will along with Orrell play maker Finn commanding the attacks.

Well done to you all for a spirited performance, great to have good numbers on the bench.

# MATCH REPORT ORRELL RUFC U16S 36 - SOUTHPORT 0

## LANCASHIRE CUP QUARTER FINAL MATCH

### By Tom Campbell, U16s Captain

First of all, can I say from the on pitch perspective well done to all the lads we played in the rain properly for the first time all, making the ball slimy and dirty so that second half performance wasn't easy to come by.

The team discussed before the game about how these guys could have been a much improved squad as they have just been getting better every time we play them but we knew what their game plan would be, pick and go forwards rugby. I thought defensively we came out strong - however playing up hill in the first half we did not get our attack going with lots of silly errors which probably started with our wrong mindset going into the warmup – that said, Tom Lee snuck in a lovely try down the wing to get us onto the scoreboard towards the end of the first half.

### Second half finished 36-0

We had a lengthy talk at halftime about playing as a team and to our true potential as we haven't really clicked recently and in that horrible weather we started to come together and keep the ball more playing downhill too Kallem opened the scoring getting 2 great tries to put us 21-0 up. This is where we really got playing with more togetherness and the backs stopped throwing the ball away and the forwards

got running lower and I have to say I missed this try... however it was scored by twinkle toes Tom L. Throughout the game but particularly now they just did not want to run the ball in and just kept kicking giving us some well needed possession and after some continuous possession We had one of our only line-outs in the entire game taken and a great offload by Alex gave me an opportunity to score our 5th try of the game. We reset and went again with continued possession Tom L recycled the ball and danced around a few Southport players to secure his hat-trick. Forward of the match: Phil Woods, by far ran in hard and really secured that ball the best out of us today and has just kept on doing what we do on a Wednesday night in our games so well done.

Back of the match: Tom Gornall - Played all over the park today. Man of The Match: Twinkle toes Tom Lee, played strong out on that wing today in tough conditions and scored a lovely hat-trick.

 Further details contact Head Coach Matt Grundy (Grundyorrellrufc@gmail.com)

Our Inner Warriors  
 Can and Do ....  
 Can You?  
 Would You?

Girls Head Coach Matt Grundy has been with Orrell RUFC since he started playing for the U14s and as a junior won The Lancashire Plate 2 years running. Sadly on moving through to the Colts, Matt injured his knee and had to stop playing. Fast forward 10 years and Keith Roberts contacted Matt regarding restarting the junior section at Orrell and becoming a coach – where he is today! He has a Level 1 & 2 coaching badges and regularly attends additional courses.

Matt is currently Vice Chair of the Mini and Junior Section (having been Secretary of the main club

and Fixtures Secretary. He is also a member of the Fundraising Group (and successfully ran the recent Mini and Junior Race Night) and part of the Comms Team.

Since coming back to the club as a coach, Matt has also returned as a player for our Touch Rugby, 3rds, 2nds and on occasion 1xv player. More recently he has taken on the role of head coach for our girls' rugby sides, and although we are still growing and developing as a team - it's great fun with a very friendly team!

Matt is married with a little boy Noah.

## Not just a great performance from our Orrell Anvils recently but a Silverware winning performance too!

Orrell Anvils Touch Team travelled to Burnage to take on some of the best in the North West in the recent Northern Championship tournament – despite which, every player put 110% effort in and developed in every game. Orrell and Manchester Spartans were the only development teams to enter the tournament, meeting more experienced teams who number NTS elite, England players & Internationals within their ranks - none of which deterred Orrell Anvils from putting in their best efforts and coming away with a win against Spartans... and not just a win against Spartans but bringing home silverware too!

Players Player went to both Joe and Molly. A HUGE well done goes to Molly from everyone at Orrell RUFC, Molly was thrown in at the deep end and to say she had only been to 2 touch sessions her performance during the day was just amazing.
