SECTION HEADS

Anyone interested in standing for one of the three section head roles should contact Jeremy Bunday for further details if required.

bundayshockey@btinternet.com

We will be looking to appoint these roles at the AGM on Thursday 18th August if possible

Each Section has a Section Head with defined responsibilities:

- Overall responsibility for their respective Section
- Reports in to and is part of the General Committee
- Creating (where applicable) Policy documentation
- Ensuring positions within the section are filled (*Additional positions within the Section can be created as required, with approval from the General Committee*)
- Overseeing and working with these positions
- Coordination across all Section Heads
