## FAQs:

### **How can I pay for membership?**

If you are renewing your membership through the GMS website, you simply need to log into your GMS account, click on 'Buy Membership', select the person you are buying membership for, select the correct membership type, select how you would like to pay your membership and then follow the instructions.

Membership can be paid in the following ways:

- A single annual sum paid through the GMS website. This is the Club's preferred method of payment.
- A cheque made payable to 'Shelford Rugby Ltd'. Please write the member's name and type of membership on the back of the cheque and send to Leslie Gelling, 7 Cox's End, Over, Cambridge, CB24 5TY.
- For some types of membership it is possible to pay by monthly instalments, which need to be set up through the GMS website.

***How can I get my GMS login details?***

Every time you receive an email from GMS your username and a link to the GMS website are included at the bottom of the email. If you can't remember your password you will need to reset your password on the login screen. To access the GMS site visit <https://tinyurl.com/yabobqyx>.

***Do I need to complete a membership form?***

You will only need to complete a membership form if the person you are buying membership for is new to the Club. However, please check that your contact details on GMS are correct.
