## MANAGERS NOTES

Hello and welcome to everyone – our visitors from Selsey, the match officials and supporters to Oakwood Football Club for this SCFL Division One match.

Good to be back here after a couple of away matches and the fuel problems. The last two matches on the road saw us take a point at Mile Oak and then all three at Storrington last weekend. Additional positives from the latter being a clean sheet and five different scorers, Ironically the last time we had five different names on the scoresheet was also against Storrington but here at Oakwood Park four years back.

As you will see elsewhere in today's programme, Selsey are 7<sup>th</sup> in the table right now but have played one more match.

Our next home game for the first team is on Saturday 30 October when we face Roffey. The under 23 side will be here again three evenings before that, Wednesday 27 October, also against Roffey.

## POLITE NOTICES - Please observe the following

Would all visitors to Oakwood Park please observe that there is a policy for no smoking anywhere within the clubhouse building including the committee room, toilets or changing areas.

Drivers kindly remember to park your vehicles within the club grounds when attending matches or functions! Our resident neighbours have had difficulty in the past with vehicles blocking the entrances to their homes.

If when attending matches, you require a drink and you wish to spectate outside of the clubhouse, please be reminded that glasses or bottles are not permitted whilst the match is in progress. This includes the half time interval.

At all times remain behind the perimeter fencing that surrounds the pitch, unless instructed otherwise, and refrain from throwing litter onto the playing area.

Please return all glasses and bottles to the bar after you have finished using them, including plastic drinking vessels, and put any rubbish into the litter bins provided. A little understanding from everyone helps to maintain a cleaner, safer environment.

Parents please ensure your children do not throw objects around anywhere. The stones adjacent to the clubhouse and hard-court area cause damage to the tractor blades when cutting the pitch, and cause injuries to people playing on the hard-court surface.

The committee would like to thank you for your co-operation and hope you enjoy your visit to Oakwood Park.

## CLUB SPONSORSHIP

The committee of Oakwood Football Club would like to thank all of our sponsors for their continued support, and hope that they continue their association with the club for many years.

Our thriving youth section will provide the club with some rich talent in the future, and we as a club must continue to improve the facility in which we operate through the ground development fund.

For details or further information please contact us via our website [www.oakwoodfc.co.uk](http://www.oakwoodfc.co.uk)

## Our visitors... Selsey

(wiki edit) The club was formed in 1903 playing in various local grounds, before settling at their current home of the High Street ground in the late 1940s. The club played in the West Sussex Football League, winning their first league title in the 1938–39 season, and then winning it a further five times after the Second World War. While in the West Sussex Football League, the club also won the Sussex County FA Intermediate Cup in the 1958–59 campaign.

The 1960–61 season saw the club win their last of their six West Sussex Football League titles and gain promotion to Division Two of the Sussex County League. The club finished as runners up in their first season, and repeated this finish in the next seasons. The 1963–64 campaign saw the club do a double by finishing top of the division and winning the Division two cup, they also gained promotion to Division one. The club then spent five seasons in Division one before being relegated back to Division two, at the end of the 1968–69 competition, during which time they made their debut in the FA Cup in the 1967–68 season.

It took the club another seven seasons before they reached Division one, again as champions of Division two. However they could only spend two seasons in Division one before being relegated and the club took another nine seasons before they bounced back up as runners up in the 1986–87 competition. After just four seasons the club was once again relegated to Division two, when they finished bottom of the division in the 1990–91 season. As before the club eventually bounced back up to Division one when at the end of the 1995–96 campaign they finished in the runners-up position.

In January 2000 Selsey employed former Brighton defender, Danny Hinshelwood as player manager at the age of 24. The club went on to win the Sussex Royal Ulster Rifles Charity Cup in the 2001–02 season, followed by the John O'Hara League Cup the following season. Hinshelwood left the club in July 2003 due to the club reducing the playing budget, and the club was relegated at the end of the season. Hinshelwood returned the following season after Richie Reynolds resigned and in the 2005–06 season, they finished as runners-up in Division Two and were promoted to Division One.

Hinshelwood stayed until November 2009, when he resigned and was replaced by Gary Block, who guided the club to another RUR cup final in 2007–08 when they lost to Three Bridges. However Block only stayed for a season before resigning and was replaced with Adam Hinshelwood. He guided the club to their third Sussex RUR cup final, but they lost to Rye United. Hinshelwood then quit the club at the end of the season to join Burgess Hill Town. Richard Towers then took over as manager, but only remained in charge for a few months before he resigned and Adam Hinshelwood returned in 2012. Steve Bailey was next in charge followed by current gaffer Darren Pearce who took over in 2018.
