Our visitors

Dorking Wanderers were formed in 1999 and have a local connection with us having initially played in the Crawley and District League before switching to the West Sussex League where they progressed swiftly through the levels. After winning the Premier Division in 2006-07 they were promoted to the Sussex County League third division with another fairly rapid rise through the ranks.

During this part of their history we have two previous encounters with them, in the 2011-12 season, resulting in a 3-3 draw away and a 2-5 loss here at Tinsley Lane.

In 2014-15 the Wanderers achieved promotion to the Isthmian League (Division One South) after finishing second to Littlehampton Town.

Further success followed for the club as they made it to the play-offs in the their first season but had to wait another year before making it up to the Isthmian Premier after beating Corinthian Casuals in the play-off final on penalties.

In 2018-19 the Wanderers won the Premier Division by an impressive 22 points thereby earning promotion to the National League South. More success followed quickly with qualification for the play-offs where they reached the semi-finals.

The reserve team has played in the Suburban League and the Combined Counties League before joining the Macron SCFL for this season.

On this day...

Saturday 7 August 2010

The opening match of the season, ironically after a midweek friendly against our visitors' antecedents Dorking, saw a 1-1 draw against Clymping in front of 56 fans here at Oakwood Park.

MANAGERS NOTES

Hello and welcome to everyone – our visitors from Dorking Wanderers, the match officials and supporters to Oakwood Football Club for this Southern Combination Division One encounter.

This is our first home match of the season – the lads will be battling hard for our first points after a league loss last Saturday down at Wick and then a Division Two Cup exit at Midhurst on Tuesday.

It's good to welcome some new players to the club and of course welcome back some of our regulars from last season.

I hope you enjoy the game today and look forward to your company again in a couple of Saturdays time, 21 August, when we host Arundel.

Alternatively, if you fancy a break from evening television, our first home Under 23 match is scheduled for Wednesday 1 September against Hassocks.

Neill Wilkinson – Assistant Manager

POLITE NOTICES - Please observe the following

Would all visitors to Oakwood Park please observe that there is a policy for no smoking anywhere within the clubhouse building including the committee room, toilets or changing areas.

Drivers kindly remember to park your vehicles within the club grounds when attending matches or functions! Our resident neighbours have had difficulty in the past with vehicles blocking the entrances to their homes.

If when attending matches, you require a drink and you wish to spectate outside of the clubhouse, please be reminded that glasses or bottles are not permitted whilst the match is in progress. This includes the half time interval.

At all times remain behind the perimeter fencing that surrounds the pitch, unless instructed otherwise, and refrain from throwing litter onto the playing area.

Please return all glasses and bottles to the bar after you have finished using them, including plastic drinking vessels, and put any rubbish into the litter bins provided. A little understanding from everyone helps to maintain a cleaner, safer environment.

Parents please ensure your children do not throw objects around anywhere. The stones adjacent to the clubhouse and hard-court area cause damage to the tractor blades when cutting the pitch, and cause injuries to people playing on the hard-court surface.

The committee would like to thank you for your co-operation and hope you enjoy your visit to Oakwood Park.
