

SOUTHERN AFRICA - LAND OF CONTRAST

Sawabona Teversal!  
 It seems like ages ago now <sup>AD</sup> ~~now~~ <sup>it was</sup> scampering up and down that wing-raiding and foraging. But I most certainly miss those days. South Africa has been a great experience. The kits were gratefully received which was brilliant. The football out here is amusingly different, I am a midfield destroyer! I hope things are all well. Blessings *Ex*
