

LEIGHTON BUZZARD HOCKEY CLUB

## Annual General Meeting 2016

What you need to know

On Thursday 11<sup>th</sup> May, LBHC held our Annual General Meeting at Leighton Buzzard Cricket Club. For those in attendance it was a great night with some fantastic reports from the Season 16/17 and some really positive moves to go forward into season 17/18.

Unfortunately due to the low number of attendees we did not meet the required figure to be able to immediately move on from season 16/17 and into the 17/18. **Therefore if anyone has any comment or objections with what is detailed in this letter you have 28 days to come forward before it is officially carried.** If there are no objections within that time scale then all actions will stand.

## **FINANCIAL**

Tristan Hardy, the clubs treasurer, once again presented detailed accounts for the club and explained the exact position LBHC is in. Next season there will be no increases to subscriptions, match fees or travel expenses.

The LBHC accounts were accepted and seconded on the night and details of the accounts are available on request.

Next seasons budget was also accepted and seconded on the night. If you wish to see a copy of the budget or have any questions relating to it or any other part of the clubs finances then please get in touch.

If you have any questions regarding the AGM or anything to do with the club then the committee is always there to listen and help out. Club officers' reports are available on request and will be posted for you to view once they have been collected and reviewed. Minutes can also be issued on request but will be publicly available in due course.

Thank you to everyone who has been involved with LBHC this past season and thank you to you all for your continued support of this great club that we play for. Enjoy your summer league hockey and here's to season 2017/18!
