Dear ground hopper...

As you know I really appreciate the support you give us at our midweek home games & as a thank you I have decided to introduce a groundhoppers season ticket for midweek home games.

The cost of the season ticket is £25, this will include entry to every Barkingside midweek home game, a programme and a teamsheet for each game plus a complimentary cup of tea/coffee for each game.

It will also allow free entry to one Saturday home game of your choice during the season, the Saturday game cannot be an F.A. competition but can be any other game on a Saturday.

Payment must be made by 30/6/22, to qualify for the above offer.
