

Hi all,

There are a few players out there that still need a game this coming season.

We really don't want to lose anyone, and we need to be giving you the opportunity to play, either as a social player or higher!

As you are aware, we lost a few coaching/management people and that has caused a problem. So, we are happy to find fixtures for what would be a mixed 2/3s hybrid team, at varying levels to keep everyone playing but we need help.

We are looking for people to step up and help run things. You don't have to be the manager, although if you know of anyone that fancies taking on an exciting challenge of managing a team, great!

- Would really be looking for a player/coach type person(s). Two would be ideal so we ensure absence is covered.
- You would be responsible for:
- Liaising with the senior fixtures' secretary and the players
- Making sure that the playing shirts and any other kit you need for the game gets there
- Returning the kit to the club on match days, in time to go to the laundry company (either after the game on Saturday or on Sunday morning)

For the players, we are looking for commitment to fulfil the fixtures as we really don't want to keep cancelling games. We want to be able to get sides out to enjoy their rugby. It's worth noting that all fixtures this season will be friendlies, as we look to rebuilding our senior sides. There are some younger players coming through and we owe it to them to give them the chance to taste senior rugby, as well as the social side of this great game, legally of course!

So, all hands to the pumps, if you fancy taking up the challenge get in touch with me asap or come and find me at the club, I'm there most Tuesdays and Thursdays.

This is your chance to play your part on building our club for the future

Thanks  
Steve
