Dear Chris,

On behalf of the Management Board of the Lancashire County RFU it is my pleasure to advise you that Liverpool Collegiate RUFC have been chosen to be the recipient of this seasons Junior Club of the Year.

This is in recognition of the great season the club has had in league and cup rugby having done the "Double" along with the very successful Mini & Juniors.

The presentation of the award is made at the County Annual Dinner & Presentation Evening which this year is at Sedgley Park on Friday 12th June, I hope that someone from Collegiate will join us to be able to accept this award.

Again, Congratulations and thank you.

Cheers

Mark Downs
