

Getting back on the pitch

A few things you need to know and do before you start to play.

- Social distance hockey pitch booking will cease on Sunday 23rd August
- Fill in the EH participation agreement all coaches/helpers and players

- Complete a Covid symptom self declaration at every session
- Register yourself/your child at every session, Pitchero must be used to do the registers for each session
- Your coach or captain will carry out a Covid briefing at every session
- Your Covid Officer is Kate Porter she can be contacted on kateporter1@gmail.com if you have a positive Covid test you need to contact her immediately
- At session change over time please do not enter the pitch before the previous session has finished and allow plenty of space around the gate to be sure that all users can socially distance effectively.

Please respect the rules and other users given the pandemic environment we are in. Thank you for your help and cooperation.
