Katie Young : 07548 239291

HAPPY NEW YEAR 2021

On behalf of the committee we'd like to wish you all a Happy and Healthy New Year.

We hope you are all keeping safe and observing all the rules and guidelines, in the hope that in the not too distant future we may get back to some sort of normality again.

Hockey in 2021

We have been advised by our Hampshire league that there will be no league hockey until at least mid-February. I'm sure this won't come as a huge surprise to most of you.

The Committee are very aware that you have paid your subs this year and so far have not had much hockey.

Please rest assured that, depending how the season unfolds, we will be monitoring the situation and will keep you informed as to what decisions are made.

100 CLUB

Now for the Good News!!!

The first draw for the 100 Club took place on January 11th.

Numbers 100 and 32 were unclaimed so £25 and £5 went back to the club.

Number 39 - Ed Ellwood won £10

The next draw is February 8th.

It's not too late!

There are still some numbers left.

Simply contact Jackie on

2021

Obviously all hockey is suspended for the foreseeable future but it doesn't mean we can't get out into the fresh air and do some exercise. This is not only good for the body but so good for everyone's mental health.

If anyone is on their own, feeling a bit lonely and finds they are struggling with everyday life, please pick up the phone and call any of us.

If you can't get out of the house and need something, please don't feel isolated - call one of us.

We may not see each other every week any more but sometimes a bit of contact outside of hockey helps.
