

Old Bedians RUFC

Car Club Standing Order Form

Old Bedians runs a quarterly lottery called the Car Club, so for the small sum of £13 a quarter (£1 a week) you will have the chance of winning £750 four times a year. The car club pays out 75% of its revenue so there is a very good chance of winning. The more people who get involved the more cash will be on offer and potentially more prizes. Please use this form to set up a Standing Order of £13 a quarter, preferred method. Or return to Ryan Keyes or Declan Sealy from the committee. Only people whose payments have been received will be entered into that draw.
