

CHOBHAM BURYMEAD FC

SIX A SIDE TOURNAMENT

SATURDAY 22nd JUNE 2013

**Recreation Ground,
Station Road,
Chobham,
Surrey.
GU24 8AZ**

WELCOME

A warm welcome is extended to all of you attending this year's competition. Many of you are repeat entries from previous years and we take this opportunity to thank you for your continued and loyal support of the annual six a side football tournament.

I would like to thank the continued support and help from my fellow organisers, thank you.

Our thanks to Adam Holland from Giant Computers Ltd for agreeing to run the popular scoreboard screens and to Barry Lynch and his team of referees, who will be on duty today, please respect their decisions and remember we cannot play without them.

We offer a special thanks to our sponsors for their continued support to help keep costs of running our football club to a minimum.

Last and by no means least, our thanks to the volunteers from Chobham Burymead FC who have given their time freely to help ensure the tournament runs smoothly.

Chobham Burymead FC
Chairman
Ivor Connolly

Following the success of previous years, we are again running a 24 team format.

The tournament begins with the 24 teams being divided randomly into four groups of six teams.

Teams that reached the quarter final stage last year and entered again this year have been seeded into separate groups. Clubs, who have sent more than one team, have also been separated with the remaining teams randomly dropped into the last places.

Each team will play each other team in their group once, in a six minutes each way match to form the final tables.

The top **two** from each group will then go forward to the quarter final knock out stage in the main event, whilst the teams finishing **third** and **fourth** will go into the quarter finals of the plate tournament.

Groups will play on either pitch 1, 2 or 3. Please check timetable for times of matches and what pitches you are playing on. Please DON'T be late for your matches.

In order to keep us up to date, please can you ensure you bring your results over to us as soon as possible after your match. The responsibility for this lies with the match winners, or the 'home' team in the event of a draw.

If you have any questions, then please speak to the staff at the top table.

We hope you enjoy your visit!

The tournament committee is:

Ivor Connolly (Chairman)

Ivor Connolly (Tournament Director)

Adam Holland (Technical Director)

Barry Lynch (Match Director)

Debbie Bexon (Tournament Secretary)

Matches shall be run by qualified FA referees.

Their decisions shall be final.

For all other matters, any three members of the tournament committee that are brought together for a decision shall constitute a quorum whose decision shall be final.

**After the event for result information and pictures etc, check out our website:

CBFC 2012 / 2013 End of Season Reports

Martin Ansell

First Team:

The whole of the season we enjoyed having a very strong squad of committed players. From the start we got ourselves into a position to win the league, only to see it slip away around Christmas. Following up the end of the season with a charge of consecutive wins and getting back in contention and pressing for promotion if not to actually win the league.

Coming into the last game of the season it was a two horse race for the title and the two teams were playing each other. Tongham needing just a draw and Cobham Burymead needing all three points. Manager Martin Ansell had done his homework for the match having travelled to watch Tonghams last 3 games.

The final game was a great advertisement for the Surrey Intermediate League. Played in great spirit and total commitment from both sides. The final result was a 0-0 draw, giving CBFC the runners up spot and promotion to the Surrey Intermediate League Western Premier Division.

Work is now being done to prepare the squad for the Premier Division. Some new players have been signed as we look to improve and compete for silverware this coming season. Any players interested in being part of a successful team please contact our manager or via our website.

**Congratulations to
CHOBHAM BURYMEAD FC
Promoted to the SCILW Premier Division
Well done Martin Ansell (Manager), Colin Arnett (Coach) and the First Team Squad**

Kevin Masters

Reserve Team:

The season promised much after last season's runners up positions in all the competitions entered, however very early exit in the Cup competitions meant the focus was on the League. The squad was very small with most of the players competing in excess of 20 games, our problem all season was leaking goals, and we averaged at least 2 goals a game throughout the season, with a particularly bad spell in February where we surrendered any hope of winning the league with 3 successive home defeats against the top three teams. I believe we played some of the best attacking football in the league, but defensively we were exposed, a problem position this year has been between the sticks with at least 7 different players wearing the goalkeepers jersey, this has to be addressed for next season.

The last 2 years have been very enjoyable and we have been very competitive during both seasons, and we will remain so for the next years hopefully in the division above, with the development of some of the Youth squad into the reserves we should go from strength to strength.

Dan Noel

Girls U14:

This season has seen some of the best football to date. Once again the girls reached the final of the NEHYL League Cup losing to double winners Porchester FC narrowly in the final 1-0. We also finished 4th in the league with the second best goals against tally. As the season went on the girls were looking stronger than ever. This team will be looking to improve on our league position next season and will no doubt be going on another strong cup run. We are actively looking to add girls to our team for next season, so if you're in year 9 and fancy coming down to one of our training nights on a Friday, please feel free to contact me for details and have an informal chat about where this team is heading next season.

TENNIS COURT END SUPPORTERS

It has been a wonderful season to be a supporter of Chobham Burymead first team. CBFC gained promotion by finishing second in the SCILW Division One. They only failed to win the league by 3 points after a last day of the season goalless draw against Tongham, who won the league as a result. CBFC only lost 2 league games all season and were unbeaten away from home.

Week after week we have been entertained and have had much to shout about at the Tennis Court End at the Chobham Recreation Ground. (Technically, it is the Tennis Court Side this season as the pitch has been turned around!).

It is always interesting to listen to long time supporter Ted (the oracle of everything Chobham FC), when he talks about the 'old days'. Unfortunately, gone are the days when the pitch was surrounded by supporters, where locals joined the Supporter's Club and a Supporter's coach ran to every away game. However, the passion and commitment to our local village team is still as strong now, even if the numbers have diminished over the years. There is something special about grass roots village football. Many of us have followed our respective teams home and away in the Premier League. I have seen QPR win at Old Trafford, Anfield, Highbury and many other places but I get more pleasure and excitement watching CBFC win an important game in a field somewhere in Surrey!

I believe it is a passion which only comes from supporting a small club. I always arrive early to the games to get the entertaining pre-match low down from Manager, Martin Ansell. There is no one more devoted and animated to talk about CBFC than Martin, "I'll tell you what, we are going to batter this team today," is one of his favourite sayings! More often than not, he has been right this season.

If you are ever at a loose end on a Saturday afternoon next season, come and join us at the Rec cheering on the mighty CBFC, you will be very welcome to share the flask of coffee and eat whatever sweets or biscuits we have that week, at half time.

Highlights and Player of the Season

Rob - Highlight of the Season – It has to be the 4-2 win at Millmead, the best performance of the season to win promotion.
Player of the Season – Eddie McKinlay, he played in every game, scored 10 goals, had numerous assists and played constantly well in a number of different positions.

Wayne - Highlight of the season: Away match at Millmead, whole team played well plus we won promotion.
Player of the season: Jack Collins

Terry - Highlight of the season: The performance of Jack Collins away at Ockham, he scored a hat trick and one of his goals was sheer class.
Player of the Season: It's close between Joe Allwood, Chris Land and Eddie McKinlay, I am going to go for Eddie he had a good season.

Simon - Highlight of the Season: This would have to be the win at Millmead in the pouring rain, the whole team played well and Wayne broke the umbrella!
Player of the Season: Eddie McKinlay, I think he has improved massively and his assists must be many.
