AOB:

MO asked what is the club's stance on electronic cigarettes. The consensus was that they are safe to use in the club. It was explained that the vapour given off is water and tobacco, not other toxins and carcinogens that are in normal cigarettes.

RE asked if the electric had been switched off in the changing rooms. It is believed that there are too many kettles being used in the bowlers hut. WB to speak to the bowlers.

Action: WB

TM stated that it would be ideal if the club had its own printer, rather than using personal ones. This was agreed.

TM asked for feedback from the new website.

DB stated that the club has been asked to host the next inter-league match against Bolton on 12th July.

DB stated that the quality of the CCTV system is poor. He stated that there are some great prices on HD CCTV at the wholesalers at the moment. He has got a quote from them of £638.24 + VAT. This would dramatically improve the chances of clarifying incidents caught on the CCTV system. This was unanimously agreed.
