

Belper Rugby Club

This year's AGM will be on Tuesday 26th June 2018, at the Clubhouse 19:00pm start

With every role in the club being voted in at the meeting, it's important that you come down and have your say on how the club is run. If you feel that you have something to contribute, please put yourself forward for a role and / or have your say in deciding other roles. We have many crucial roles this year that are vacant.

All club roles and senior captains will be voted in. Two new roles are open; a Parent Representative who will be part of the Executive Committee, and Webmaster who will manage the club website to improve external communication.

Please remember that only paid up members, vice-presidents, club officials and life members can vote, and only players can vote for their captains.

If you are interested in any position within the club, please speak to Jackie Dyer or Gaz Dakin, or Jarrad Mordue for playing roles, with a deadline of 22nd June.

Again, this year any items you wish to be discussed at the AGM must be submitted by 19th June to jackie-dyer@sky.com and agreed for inclusion on the agenda. There will be no 'Any Other Business' on the agenda. The final Agenda will be published on 23rd June.
