

Ossett Town AFC

2017/2018 Membership

The committee look forward to welcoming members old and new for another season at Ossett Town AFC.

On the field we will be looking to build on last years amazing season where we missed out on promotion by 4 minutes! as we led Farsley Celtic going into the final stages of the Play Off Final. Grant will once again be assisted by Steve Ridley and Micky Norbury, with John Francis continuing the great progress of the Reserves and youth Teams.

For our Platinum membership packages we have once again kept **at the same price, with the same benefits!** Remember as a full member you can say you 'own your football club', how many other football fans can say that!

As a community club we will only thrive with your and others support.

Pay on the day prices have increased this season, the first rise in over 10 years, prices still remain amongst the lowest in the Evo-Stik Northern Premier League at:

- £8 Adults
- £4 Concessions and Full Time Students,
- £1 under 16s and under 5s Free
- **Free admission for all Ossett Town Junior Players.**

Season Tickets remain at £110 for adults and £55 for concessions. This remains one, if not the cheapest, offers in the league.

So please do renew your membership or become a Full Member for the first time. Bring your family and friends to games too and if you're aware of anyone who'd like to advertise at the ground or sponsor us please do not hesitate to let us know.

Please find attached full details of the special membership offers and an application form. Please return all applications back to the club by 30th June 2017.
