

# TIMPERLEY CC NEWSLETTER

## 1st XI Flying High !

### Annual Subs Explained

Annual Club Subscriptions are **now overdue !** (Section Deadline 29th May) .

The subscription is your annual membership to the sports club and includes your cricket membership. It is due on the 1st May every year and if not paid by 1st July your membership is liable to be suspended.

At an agreed point the cricket section becomes responsible for paying your subs to the sports club- hence we have our own deadline. Obviously, if you haven't paid up, this leaves us at a deficit and you unavailable for selection!

So if not done already, please pay behind the bar or on the 'payments' section of the website, to help ensure the smooth financial running of the section.

Availability is now affected if not paid up.

## First XI Top The League

After a large overhaul of the 1st XI squad over the winter, it is fair to say that there was plenty of excitement, as well as some anxiety with how the new squad might gel this season. Well ... not too bad it would seem !

With five wins (and one cancellation) from their opening six league games, in addition to first round wins in both the Cheshire Cup and T20 Cup, Nathan Brown has enjoyed a fruitful first 6 weeks in charge.

Brooke Guest is currently leading the batting averages (85.00), whilst Jack White has been sensational with the ball to claim his 20 league wickets at a mere 10.6 apiece !

Going into week 7, the firsts sit ten points clear at the top of the ECB Premier League, and face bottom side Grappenhall CC as they look to extend their unbeaten run.

## Availability & Selection

Availability has been variable so far this season- but thank you to all those members who have bent over backwards to get a strong showing out week after week.

A reminder that **all availability for training and games** should now be indicated through the **Pitchero club website**. This is really simple- even for the most technology averse !

We would appreciate if you could **all** utilise the website, in addition to various messages with your captains that also occur.

If you have any issues with the website/ app don't hesitate to message Oli Bevan through the app/ website/e-mail.

## Right at Home

Our match ball sponsor this week is Right at Home. Mark and the team are located in Timperley and provide support so that people can continue living happily and independently in their own home. Services range from companionship and home help through to complex care and live-in care.

For more information visit their website - <https://www.rightathomeuk.co.uk/southtrafford/about-us/care/>.

## Club Website - Join if not already

The Pitchero website is now home for all things Timperley CC. It hosts club news, events & socials, in addition to being the main platform for availability & selection. Signing up is essential and easy, and is also available in an app. The play cricket website will remain live purely for stats and league purposes.

## Club Round up

The 2nd XI have had a tough start to 2018. Currently, bottom of the 2nd XI Premier division, without a league win, Rob Matthew's lads know they need to turn things round, and quickly. That said, there have been some excellent bowling performances particularly from new man Pankaj Mishra.

The 3rd and 4th XI's have enjoyed mixed results in the 3rd XI Division B- East. The 3s have three wins from their opening 6 games and currently sit in mid table. The 4th XI have just the one win and currently sit 10th. There have been plenty of signs of encouragement though, and both teams will be hoping to push onwards and upwards.

Following promotion last year, the Super Sunday r's have taken to their new league like ducks to water. With two wins and a draw from their opening four games they current sit 3rd in the standings which will inevitably please skipper Jurjees.

The Over 40s have also had a mixed start with 2 wins from their opening 5 games, although a highlight of the season for many will be the 9 wicket romping of Toft CC.

Good luck to all the teams going into round 7 of fixtures this weekend.
