The Sea's Talisman sets sights on a change of fortunes.

Last year I was having a drink with my Uncle and his friend, a Rugby Writer. He talked mainly about great Hove players down the years. Stories of wonderful moments of skill and cunning, as well as some violence. The names meant nothing to me, except for one player. Danny Newby, not a Hove player, very much a Seaford player and very much admired.

It's not the first time I have heard people from other clubs talk glowingly about Danny, there can be few players that have played so well for so long. For more than 20 years Blindside Flankers in Sussex have peered intently over scrums waiting for Seaford's Number 8 to make his move. You have to react fast or you get hurt.

Playing for one club for so long has meant that Danny has had to adapt, picking up a variety of skills required to aid a changing team. At Set pieces, Danny is fantastic at clawing a ball out of a backpedaling scrum and can slot in anywhere in a lineout. In the loose he is a fine ball carrier capable of cracking open a defense with a robust hand off. His positioning on the field is also impressive, coming from years of experience he reads the play very well. He is one of the best

players I have played with but what sets him apart is his demonstrative character. He plays with emotion and cares greatly about the team and the club. He has stayed loyal through the years when opportunities to play at a higher level came along.

He is ultimately the heartbeat of the side and remains a force to be reckoned with.

MEN'S 1ST XV v

BOGNOR REGIS RFC

Seaford play host to an unknown quantity in the form of a Bognor second-string XV. Newly promoted Bognor are also without a win this season and find themselves below Sea's in the league table.

This weeks team includes some notable amendments from last Saturday. Rhys Lewis Jones returns to the side following an injury sustained last season and slots in at Fly-half. It will be the

Sea's 3rd Stand-off in four matches, as they wait for player-coach Paul Hardwick to return. Captain Fry switches to Blindside to make way for Paul Burns at Open. Burns in his second season back from Worthing RFC, has desired a switch to the forwards for some time and gets his chance. Both him and Fry are strong at the breakdown and will be expected to win some ball for the backline.

The talented Mike Crowley returns to action at Full Back and Scott Voice resumes following a gashed head sustained away to Hellingly.

SUNDAY @ THE SALTS 3PM KICK OFF

WOMEN'S XV v DORCHESTER/WEYMOUTH RFC

POSTPONED

The women must wait again for league action as the third fixture in a row is postponed. This weeks match against Dorchester/Weymouth RFC has been moved to next Sunday at The Salts.

MEN'S 2ND XV PLAY AWAY @ NEWICK RFC

Both teams have struggled fielding sides this season, however Seaford 2nd's had an encouraging draw last week against St. Leonards RFC. Newick should provide a robust test at home and Seaford must be prepared to face an experienced and wily Newick.

17. Luke Taylor

Seaford traveled to Hove at the weekend hoping to turn the tides on what has been a difficult start to the season so far. Seaford started the game well and was strong in the scrum area but failed to penetrate what was a solid Hove defense, Seaford won a good line out ball but decided to kick and it landed in a Hove players hand who cut through the Seaford defense and the try was converted for Hove to take a 7-0 lead.

The game become very scrappy and Hove with their tales up started to

dominate the game, getting to the breakdown quicker and winning good ball for their backs. Hove were awarded a dubious penalty after several phases and Hove again crossed the line for and try was converted for Hove to take a 14-0 lead in at HT.

The 2nd half was very much the same with Seaford having chances to get back into the game but knocked the ball on in key areas and where undone at times with a lack of support.

MEN'S 2ND XV DRAW IN CLOSE ENCOUNTER @ THE SALTS

SEAFORD 39-39 ST. LEONARDS

Seaford II took on St Leonards in what was a thrilling game that was end to end throughout the 80mins. Seaford dominated the fast paced game with ball in hand, but where undone in the scrum area and the break downs. St Leonards where big and hard hitting and where strong in the kicking game, it was an encounter that showed the strengths of fast backs and the benefits of having big hitting forward pack.

Seaford Handed debuts to 3 players with 2 lads stepping up from the Cults showing the progress players can make through the club both players having excellent games, Seaford also had 2 players making the 1st starts as props.

With minutes to go Seaford where 32-39 down and with a strong break through the line Seaford broke through to bring it back to 37-39 and that's when controversy struck,

Seaford stuck the conversion between the sticks but the ref thought it went wide, much to the credit of St Leonards they approached the ref to say the kick was good and the ref then gave the conversion and shortly after called an end to the game with it being 39-39 at full time and a result that was a fair reflection on the game itself.
