The Saracens Rugby Camp Programme is aimed at U7 - U16 playing age groups and provides organised, educational, inclusive and structured activities. With the RFU implementing the new laws of play across all counties for the 2013/14 Season, Saracens have designed a brand new delivery structure specifically for U7-U10 as well as other age groups unaffected by the new laws of play. Individuals can expect to cover content specific to their age group ensuring the best possible personal development on and off the field. Camps will cover all rugby aspects in a fun and enjoyable way, utilising development through game play, the latest equipment and one on one advice within a professional environment\*.
